Walking Forward, Looking Back Dinah Latham, 2014-10-28 The book tells the story of a retired district nurse and midwife reflecting on her life whilst walking with her close companion Harriet the dog It is a touchingly honest work written straight from the heart The reader will both laugh and cry as the author recounts many moving stories of patients cared for in 1960s London The writings so patently contrast care in the community then and now that it becomes impossible not to regret the passing of a time when nursing was seen as a vocation when nurses were proud to serve Divorce and single parenthood accompany her career journey while living alone escorts her into retirement It is then that fortune takes a hand or rather a paw and brings Harriet the dog into her life This may just have been the coming together of chance and good timing but destiny or happy accident it was certainly a blessing It was her need to be taken on daily walks that finds our author evoking memories randomly flicking through a lifetime of unwritten diaries Together they share their walks taking the reader through the changing seasons of the Chiltern countryside while also travelling a new pathway one with an unfamiliar landscape a one way journey into growing old This is a voyage of discovery one that promises many unexpected new experiences not the least of which is their most recent pastime sheepherding

The Power to Continue Danisa Siziba,2018-06-22 If we're honest most of us have times in our lives when continuing forward seems to be the least desirable option And this even includes people who believe in God Perhaps one of the most difficult lessons for people coming to a faith based life is that believing in and accepting Jesus Christ as their personal Lord and Saviour does not mean a problem free life And although intellectually they may believe that he never asks more of us than we can handle deep down it can be a difficult truth to live In The Power to Continue author Danisa Siziba reminds us that God is the answer to any question and though life may still be difficult at times he is there to help us through just as he did for those in the Bible As a fellow disciple of Christ you can find encouragement from the many biblical examples of men and women who trusted in God and followed the leading of the Spirit The Power to Continue also offers practical advice for Christians today who are ready to be successful in achieving their divine purpose In John 8:31 Jesus says If ye continue in my word then are ye my disciples indeed We should therefore continue on our journey of faith and walk forward as Christian disciples of Christ This walk may be challenging but it is not how you start but how you finish
