Griffin, 2007-01-02 The new Presidential Agent novel now in paperback Two brutal murders and millions of missing dollars in the growing UN Iraq oil for food scandal have led Charley Castillo and his team to Uruguay where the man they seek is murdered right before their eyes Those responsible have left just enough of a trail for Castillo to pick up the scent and follow it wherever it takes him even if it s not exactly where he expected **The Fighting Agents** W.E.B. Griffin, 2001-05-01 The Philippines 1943 As the ragged remnants of the American forces stand against the might of the Imperial Japanese Army a determined cadre of OSS agents becomes their only contact with the outside world and their only hope for survival *The Captains* W.E.B. Griffin, 1986-10-15 It was more than an incident It was a deadly assault across the 38th parallel It was the Korean War In the fear and frenzy of battle those who had served with heroism before were called again by America to man the trenches and sandbag bunkers From Pusan to the Yalu they drove forward with commands too new and tanks too old brothers in war bonded together in battle as they had never been in peace *Top Secret* W.E.B. Griffin, William E. Butterworth IV, 2015-07-28 From 1 New York Times bestselling authors W E B Griffin and William E Butterworth IV comes the first Clandestine Operations novel featuring a new kind of threat and a different breed of warrior In the first weeks after World War II James D Cronley Jr is recruited for a new enterprise that will eventually be transformed into something called the CIA For a new war has already begun against an enemy that is bigger smarter and more vicious the Soviet Union The Soviets have hit the ground running and Cronley s job is to help frustrate them harass them and spy on them any way he can But his first assignment might be his last He s got only seven days to extract a vital piece of information from a Soviet agent and he s already managed to rile up his superior officers If he fails now his intelligence career could be the shortest in history Because there are enemies everywhere and as Cronley is about to find out some of them wear the same uniform he does **The Last Witness** W.E.B. Griffin, William E. Butterworth IV, 2014-06-24 The last person Philadelphia homicide detective Matt Payne expected to hear from again was Texas Ranger Jim Byrth with whom he d broken a Mexican human trafficking ring But Byrth isn t making a social call He s found a connection between the Mexican drug cartels and the Russian mob Russian girls are being smuggled through the Caribbean to work in the U S as prostitutes and some of them are dying or just disappearing The

trail leads right to Philadelphia where teenage girls are being lured from foster homes police sources are turning up dead and the lone living witness the daughter of a prominent family has gone into hiding It s up to Matt Payne and his Texas Ranger partner to find her and hope like hell they get to her first **Hazardous Duty** W.E.B. Griffin,William E. Butterworth IV,2014-12-30 Mexican drug cartels are shooting up the streets of Laredo and El Paso Somali pirates are holding three U S tankers for ransom The President has had enough he needs to get hold of Colonel Charley Castillo and his band of fighters Unfortunately everybody knows that the President hates Castillo forcibly retiring him from the military And Castillo s men are scattered How will it all play out No one knows for sure but for Castillo and company only one thing is definite it is their HAZARDOUS DUTY **The Assassination Option** W.E.B. Griffin,William E. Butterworth IV,2015-11-24 The Assassination Option is the latest in the Clandestine Operations crime series Jove by W E B Griffin following Captain James Cronley as he navigates the dangerous and deadly world of international intrigue after World War II James Cronley s first successful mission for the new Central Intelligence Directorate has drawn all kinds of attention including that from the Soviets his own Pentagon and a seething J Edgar Hoover Cronley knows that if just one thing goes wrong he s likely to get thrown to the wolves And he thinks he hears them howling now The Shooters ,2008 Remaining in Argentina to tie up loose ends pertaining to the UN food for oil scandal Delta Force officer Charley Castillo learns about the disappearance of a key DEA agent who has become a casualty of diplomatic complacency and the international drug trade 400 000 first printing

Behind the Lines W.E.B. Griffin,1996-09-01 Behind the Lines is W E B Griffin s powerful novel of World War II and the courage patriotism and sacrifice of those who fought it By 1942 the Japanese have routed the outnumbered American forces and conquered the Philippines But deep in the island jungles the combat continues Refusing to surrender a renegade Army officer organizes a resistance force and vows to fight to the last man A Marine leads his team on a mission through the heart of enemy territory And the nation s proudest sons fight uncelebrated battles that will win or lose the war **Final Justice** W.E.B. Griffin,2003-12-30 Just as with his remarkable military novels millions of readers have been captured by the rich characters and vivid realism of W E B Griffin s police dramas Griffin has the knack writes The Philadelphia Inquirer He sets his novel before you in short fierce stop for nothing scenes Before you know it you ve gobbled it up Now in Final Justice Detective Matt Payne of the Philadelphia police department newly promoted to sergeant and assigned to Homicide finds himself in the middle of three major assignments The first case a fatal shooting at a fast food restaurant seems simple but rapidly becomes complicated The second a rape that tumbled into murder begins complicated and only gets more so as it becomes apparent that the crime may be part of a disturbing and escalating pattern The third is the most bizarre as Payne becomes involved with a local figure who long ago fled the country leaving behind the mummified body of his girlfriend in a trunk Ever since the murderer has been sending taunting postcards from his safe haven but all that may be about to change Weaving in and around this already hectic schedule are the visit to Philadelphia of the self absorbed star of a series of

improbable police movies who wants Payne to show him the real stuff and the appearance in Payne's life of two very different women Either one of them alone would be enough to set his head spinning but together this might be the most complicating thing of all Filled with color and detail and plots as real as the headlines this is a riveting novel of the men and women who put their lives on the line from the cop on the beat to the commissioner himself It's a story of fears dangers courage loyalty and genuine heroism storytelling at its best

Special Ops W.E.B. Griffin, 2002-01-29 In this explosive novel by W E B Griffin immerse yourself in the action packed world of Special Ops This military thriller follows a team of skilled Special Forces warriors as they face off against the legendary Cuban revolutionary Che Guevara Set in the 1960s the story takes you to the heart of Washington D C where political tensions are high and covert operations are in full swing With gripping suspense and meticulous attention to detail Griffin weaves a tale that will keep you on the edge of your seat

Line of Fire W.E.B. Griffin, 1993-08-01 Line of Fire brings to life a desperate mission of World War 2 that captures the drama and courage of the men who fought it Two Marines reporting on Japanese air activity are trapped on a small Coastwatcher island A special rescue team is assembled to save them under enemy gunsight It is an exciting and powerful story of real heroism that only W E B Griffin could tell

Covert Warriors W.E.B. Griffin, William E. Butterworth IV, 2012-12-24 Charley Castillo and the former members of Presidential Agent's Office of Organizational Analysis are officially retired But that doesn't mean they're out of action At a Mexican roadblock a US Embassy SUV is stopped at gunpoint three of its passengers murdered and a fourth kidnapped Everything points to the drug cartels especially when the kidnappers say they will return the hostage if a cartel kingpin is released from US federal prison But when word gets to Castillo and his group of retired spies and special operators they have their doubts They believe that it's a diversion that the murders and kidnapping were ordered by someone to lure Castillo Company to their deaths But even knowing that may not save them Powerful forces in the US government are arrayed against them as well and if one side doesn't get them the other side will

The Vigilantes W.E.B. Griffin, William E. Butterworth IV, 2011-06-28 Murders are on the rise in Philadelphia but no one seems to mind because the victims are all fugitives with histories of heinous sex crimes against women and children Worse for Homicide Sergeant Matt Payne the main suspect is leaving evidence for police to find But when copycat killings start popping up due to vigilante groups dealing out their own justice Payne must find out who's behind the chaos before the violence overtakes the city

The Outlaws W.E.B. Griffin, William E. Butterworth IV, 2011-12-27 The former Presidential Agent's Office of Organizational Analysis has been disbanded Charley Castillo and his colleagues have retired and the sudden death of the President has brought an adversarial Commander in Chief into the Oval Office But just because Castillo is out of the government doesn't mean he's out of business He still has the skills and the manpower to do what others can't or won't do And his first job is a real killer A barrel filled with some nightmarishly lethal biohazard material has been shipped to an Army medical lab material that Castillo and his men were supposed to have destroyed on a mission Clearly the message is that more of the deadly material remains But who

has it And what do they want With lives at stake including his own Castillo knows that he s not going to like the answers one damn bit *The Traffickers* W.E.B. Griffin, William E. Butterworth IV, 2009-08-04 Philadelphia Homicide Sergeant Matthew Payne is paired with a Texas Ranger to bring down a murderer with Mexican cartel connections The odd couple of the Philly cop and the Texas lawman must run down the killer and his gang before the body count rises again Battleground W.E.B.
