Metropolitan Cats Metropolitan Museum of Art (New York, N.Y.), John Philip O'Neill, 1981 Picasso in the Metropolitan Museum of Art Metropolitan Museum of Art (New York, N.Y.), Pablo Picasso, Magdalena Dabrowski, Christel Hollevoet, 2010
This publication presents a comprehensive catalogue of the works by Pablo Picasso in the Metropolitan Museum comprising 34 paintings 59 drawings 12 sculptures and ceramics and more than 400 prints the collection reflects the full breadth of the artist's multi-sided genius as it asserted itself over the course of his long career **Companion Species** Mathilde van

Dijk, 2024-11-28 This book explores the connection between saints and animals and how the power over animals has been a characteristic of saints from their beginnings in the Early Church The connection between saints and humans is examined with the saint as a human rising beyond humanity touching the divine and the non-human animal as a creature which is connected to and yet removed from humanity and which may have a connection to the sacred itself This volume transcends traditional religious boundaries by including Christian saints as well as similar figures in Islam and Norse religions It operates on the cusp of two exciting and innovative fields hagiographic and animal studies It shows the complexities of human-animal interaction and the sacred authorities clashing with experiential knowledge metaphorical animals as opposed to real animals ranging from helpers or opponents of saints disguises of demons or identity markers of a human community Companion Species will be of value to scholars and students interested in medieval history Europe and religion as well as social and cultural history Farming and Homesteading with the Saints Andie Andrews Eisenberg, 2023-07-11 CULTIVATE YOUR FAITH WHILE CULTIVATING THE LAND Everyone who works the soil whether on a prairie the outskirts of a small town in a city garden or in your own yard can use inspiration and blessings to help get through the endless work and daunting challenges Who better to look to for examples of strength courage and faith than the heavenly companions who have been there themselves In Farming and Homesteading with the Saints author and hobby farmer Andie Andrews Eisenberg presents a faith-filled treasury of Catholic holy men and women connected to agriculture animals and rural life In these pages you'll meet the patron saints of creatures critters flying things horses sheep cats dogs beekeepers gardeners field hands shepherds and many more You will also have at your fingertips a wellspring of blessings to pray for the safety of your home your farm and the creatures under your care Whether you are a traditional or next-gen farmer a weekend gardener or someone who embraces the revival of the back-to-the-land movement Farming and Homesteading with the Saints is a timeless resource and a stirring reminder that farming with faith means that you are never ever alone in your work

The Cat and the Human Imagination Katharine M. Rogers, 2001-03-28 An intelligent amusing and affectionate look at cats in history literature and art **Magical House Protection** Brian Hoggard, 2019-04-22 Belief in magic and particularly the power of witchcraft was once a deep and enduring presence in popular culture Diving into Brian Hoggard's Magical House Protection is a remarkable experience It provides an immersive and fascinating read Fortean Times People created and

concealed many objects to protect themselves from harmful magic Detailed are the principal forms of magical house protection in Britain and beyond from the fourteenth century to the present day Witch bottles dried cats horse skulls written charms protection marks and concealed shoes were all used widely as methods of repelling diverting or trapping negative energies Many of these practices and symbols can be found around the globe demonstrating the universal nature of efforts by people to protect themselves from witchcraft From the introduction The most popular locations to conceal objects within buildings are usually at portals such as the hearth the threshold and also voids or dead spaces This suggests that people believed it was possible for dark forces to travel through the landscape and attack them in their homes Whether these forces were emanations from a witch in the form of a spell a witch s familiar pestering their property an actual witch flying in spirit or a combination of all of those is difficult to tell Additional sources of danger could be ghosts fairies and demons People went to great lengths to ensure their homes and property were protected highlighting the fact that these beliefs and fears were visceral and as far as they were concerned literally terrifying

The World between Empires Blair Fowlkes-Childs, Michael Seymour, 2019-03-18 The World between Empires presents a new perspective on the art and culture of the Middle East in the years 100 B C A D 250 a time marked by the struggle for control by the Roman and Parthian Empires For the first time this book weaves together the cultural histories of the cities along the great incense and silk routes that connected southwestern Arabia Nabataea Judaea Syria and Mesopotamia It captures the intricate web of influence and religious diversity that emerged in the Middle East through the exchange of goods and ideas And for our current age when several of the archaeological sites featured here including Palmyra Dura Europos and Hatra have been subject to deliberate destruction and looting it addresses the crucial subject of preserving what has been lost and contextualizes the significance of these works on a local and global scale This essential volume features 186 objects of exceptional importance from Europe the Middle East and the United States Readers are taken on a fascinating journey that explores sites of intense political and religious struggles against Roman rule as well as important religious centers and military bulwarks of the Parthian Empire Reaching across two millennia The World between Empires brings vividly to life how individuals and cities in ancient times defined themselves and how these factors continue to resonate today p p1 margin
