Michael Kazin, Rebecca Edwards, Adam Rothman

Mexican Americans In The 1900s Politics Policies And Perceptions:

Mexican Americans in the 1900s Garcia,1997-10 Latino Politics in America John A. García,2011-09-29 Latinos constitute the fastest growing population in the United States today and Latino political participation is growing rapidly Still Latino political power is not commensurate with the numbers and much potential remains to be tapped In Latino Politics in America author John A Garc a examines the development of this vibrant community and points the way toward a future of shared interests and coalitions among the diverse Latino subgroups This newly revised edition lays out the basic facts of Latino America who Latinos are where they come from where they reside and then connects these facts to political realities of immigration citizenship voting education organization and leadership Garc a s nuanced portrait of contemporary Latino political life first published in 2003 has been updated throughout to include data from the 2010 census and the 2008 and 2010 elections

The Oxford Encyclopedia of American Political and Legal History Donald T. Critchlow,Philip R. VanderMeer,2012-06-07 The Oxford Encyclopedia of American Political and Legal History brings together an unparalleled wealth of information about the laws institutions and actors that have governed America throughout its history Entries key political figures important legislation and governmental institutions broad political trends relating to elections voting behavior and party development as well as key court cases legal theories constitutional interpretations Supreme Court justices and other major legal figures Emphasizing the interconnectedness of politics and law the more than 430 expertly written entries in the Encyclopedia provide an invaluable and in depth overview of the development of America s political and legal frameworks

Mexican Inclusion Matthew Gitter,2012-09-01 Immigration across the US Mexican border may currently be a hot topic but it is hardly a new one Labor issues and civil rights have been interwoven with the history of the region since at least the time of the Mexican American War and the twentieth century witnessed recurrent political battles surrounding the status and rights of Mexican immigrants In Mexican Inclusion The Origins of Anti Discrimination Policy in Texas and the Southwest political scientist Matthew Gitter traces the process by which people of Mexican origin were incorporated in the United States first civil rights agency the World War II era President s Committee on Fair Employment Practices FEPC Incorporating the analytic lenses of transnationalism institutional development and identity formation Gitter explores the activities and impact of the FEPC He argues that transnational and international networks related to the US s Good Neighbor Policy created an impetus for the federal government to combat discrimination against people of Mexican origin The inclusion of Mexican American civil rights leaders as FEPC staff members combined with an increase in state capacity to afford the agency increased institutional effectiveness The FEPC provided an opportunity for small scale state building and policy innovation Gitter compares the outcomes of the agency s anti discrimination efforts with class based labor organizing Grounded in pragmatic appeals to citizenship Mexican American civil rights leaders utilized leverage provided by the Good Neighbor Policy to create their own distinct place in an emerging civil rights bureaucracy Students and

scholars of Mexican American issues civil rights and government policy will appreciate Mexican Inclusion for its fresh synthesis of analytic and historical processes Likewise those focused on immigration and borderlands studies will gain new insights from its inclusive context

The Concise Princeton Encyclopedia of American Political History Michael Kazin, Rebecca Edwards, Adam Rothman, 2011-08-08 An essential guide to U S politics from the founding to today With 150 accessible articles written by more than 130 leading experts this essential reference provides authoritative introductions to some of the most important and talked about topics in American history and politics from the founding to today Abridged from the acclaimed Princeton Encyclopedia of American Political History this is the only single volume encyclopedia that provides comprehensive coverage of both the traditional topics of U S political history and the broader forces that shape American politics including economics religion social movements race class and gender Fully indexed and cross referenced each entry provides crucial context expert analysis informed perspectives and suggestions for further reading Contributors include Dean Baker Lewis Gould Alex Keyssar James Kloppenberg Patricia Nelson Limerick Lisa McGirr Jack Rakove Nick Salvatore Stephen Skowronek Jeremi Suri Julian Zelizer and many more Entries cover Key political periods from the founding to today Political institutions major parties and founding documents The broader forces that shape U S politics from economics religion and social movements to race class and gender Ideas philosophies and movements The political history and influence of geographic regions

Becoming Mexican American George J. Sanchez, 1995-03-23 Twentieth century Los Angeles has been the locus of one of the most profound and complex interactions between variant cultures in American history Yet this study is among the first to examine the relationship between ethnicity and identity among the largest immigrant group to that city By focusing on Mexican immigrants to Los Angeles from 1900 to 1945 George J Sanchez explores the process by which temporary sojourners altered their orientation to that of permanent residents thereby laying the foundation for a new Mexican American culture Analyzing not only formal programs aimed at these newcomers by the United States and Mexico but also the world created by these immigrants through family networks religious practice musical entertainment and work and consumption patterns Sanchez uncovers the creative ways Mexicans adapted their culture to life in the United States When a formal repatriation campaign pushed thousands to return to Mexico those remaining in Los Angeles launched new campaigns to gain civil rights as ethnic Americans through labor unions and New Deal politics The immigrant generation therefore laid the groundwork for the emerging Mexican American identity of their children

America, History and Life, 1996 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide

Inventive Politicians and Ethnic Ascent in American Politics Miriam Jiménez, 2013-11-07 This innovative book investigates the process through which ethnic minorities penetrate into higher echelons of political power specifically how they succeed in getting elected to the U S Congress Analysts today see ethnic politicians largely in relation to their collectivities but by actually studying what

ethnic minority politicians do and the issues they have faced Jimenez's book offers an original perspective of analysis Jimenez utilizes a ground breaking comparative dataset of elected members of Congress organized upon the basis of national origin the first available Using the cases of Mexican Americans and Italian Americans Jimenez analyzes and compares the different ways that these ethnic politicians have been elected to the national legislature from the beginning of the 20th century until the present Her study examines Italian and Mexican American politicians actions and interactions with local political parties identifies various layers of political power that have influenced their successes and failures and uncovers the strategies that they have used Jimenez argues that the politically active segment of an ethnic group matters in the process of political incorporation of a group She also asserts that regular access of ethnic groups into upper levels of political office and the full acceptance of new ethnic players only occurs as a consequence of an institutional change Jimenez's pioneering documentation and analysis of the strategies of ethnic minority politicians and the ways that political institutions have influenced these politicians is significant to scholars of political incorporation race and ethnicity and congressional elections Her book demonstrates the need to reconsider several standard ideas of how minority representation occurs and deepens our understanding of the role that political institutions play in that process Mexicano Political Experience in Occupied Aztlan Armando Navarro, 2005-07-07 This exciting new volume from Armando Navarro offers the most current and comprehensive political history of the Mexicano experience in the United States He examines in depth topics such as American political culture electoral politics demography and organizational development Viewing Mexicanos today as an occupied and colonized people he calls for the formation of a new movement to reinvigorate the struggle for resistance and change among Mexicanos Navarro envisions a new political and cultural landscape as the dominant Latino population Re Mexicanizes the U S into a more multicultural and multiethnic society This book will be a valuable resource for political and social activists and teaching tool for political theory Latino politics ethnic and minority politics race relations in the United States and social movements Latinos and Criminal Justice José Luis Morín, 2016-03-28 This unique compilation of essays and entries provides critical insights into the Latino experience with the U S criminal justice system Concerns about immigration's relationship to crime make accurate information and critical analysis of the utmost importance Latinos and Criminal Justice An Encyclopedia promotes understanding of Latinas and Latinos and the U S criminal justice system at the same time dispelling popular misconceptions about this population and criminal activity in the United States Unlike a traditional encyclopedia comprised solely of A Z entries this work consists of two parts Part I offers detailed essays on particularly important topics Part II provides brief A Z entries Topics are crossreferenced to enable easy research Among the wide range of topics covered are policing and police misconduct incarceration the war on drugs gangs border crime and racial profiling Historically important issues and events relative to the Latino experience of criminal justice in the United States are also included as are key legal cases
