Wilde, 2012-11-15 This is a narration of my most memorable encounters with the opposite sex delivered in an easy to digest and entertaining manner What started out as diary entries to overcome a particularly painful break up became stories spanning over three continents The stories do not follow a strict chronological order but are geographically organized into chapters such as Ile de France Balkania Northern Africa Bella Italia Germany Co The protagonists were named after the characteristics I remember them by and were given appropriate nicknames such as Bastardo I II Dr Freak Hermit Naso This book certainly contains sad times and heartbreak but also lots of hilarious situations and encounters of the plain weird kind mais c est la vie **Parceling the Globe** , 2008-01-01 Parceling the Globe is a study in the processes of global democracy It offers an early answer to the question regarding our responsibility to others Through its organization it presents a partial understanding of the globalization process It determines the range of global behaviors and articulates the prospects for peace in a globalizing environment **Hashish Dreaming** Elias Sassoon, 2012-03-27 A novel that isn t a real novel a novel that really is the rambling of a disjointed 21st century dude exhibiting cerebral symptoms caused by inhaling the hashish haze overhead Being stoned to release the inner self reaching that higher state of consciousness and then gaining a real understanding that s what that s what we have We also have the opportunity to dig deep into the tender bowels of an individual s psyche and unearth the inner dimensions of the idea Unearthing it all unearthing the mind s fertile crescent in which action transpires and action inspires to set an action hero into orbit Who is this action hero Merely the neurotic who sits alone in a corner thinking thoughts about modern life and exactly where they fit into it Experimentation with the mind by letting the mind go by not trying to contain it by letting it be honest and forthright that is what Hashish Dreaming is all about It s nothing more and nothing less than that **The Enchanted Globe** Sean Faircloth, 2016-12-06 Nearing his twelfth birthday Brendan together with his younger brother Ryan and friend Gabrielle discovers a mysterious golden object in the Maine woods To their amazement a ghostly voice from within entreats them to save the world from McGrab a horrifying creature who wishes to conquer the planet Before they know it the three children cut through the earth s crust in a magical sphere as they try to stop McGrab Confident of victory McGrab toys with his adversaries leaving clues about what they must seek across the globe in order to stop him Traveling from continent to continent amid hair raising adventures and thrilling escapes the children solve his cryptic puzzles Along the way they discover surreal places and stunning geography a pink lake a building capped

with giant eggs and an island that arises in a single day Armed with knowledge about the world and themselves that they ve gained in their wild chase the children return home to face McGrab in a decisive battle in which the fate of the world hangs in the balance
