Burton,2022-01-04 I have entitled this account of my summer s tour through Al Hijaz a Personal Narrative and I have laboured to make its nature correspond with its name simply because it is the personal that interests mankind Many may not follow my example Personal Narrative of a Pilgrimage to Al Madinah Meccahis the first detailed and informative account of hajj pilgrimage from the eyes of a western explorer and ethnographer Spread over 3 volumes it is a well documented journey to Mecca in disguise and provides a thorough insight into the lives and customs of the Arab world CONTENTS Personal Narrative of a Pilgrimage to Al Madinah Meccah In 3 Vols Biography and Further Readings Life of Sir Richard Burton by Thomas Wright Romance of Isabel Lady Burton The Story of Her Life Vol 1 2 Arabian Society in the Middle Ages Behind the Veil in Persia and Turkish Arabia **Canadian Periodical Index** ,2000 **On this Holy Island** Oliver Smith,2025-03-04 A lyrical and insightful narrative that presents a new approach to the idea of pilgrimage traversing paths both ancient and modern Retracing sacred travel made across time from murmurs of ritual journeys in the depths of Ice Age to new pilgrimages of the 21st century On This Holy Island is an an epic adventure across sacred British landscapes We follow Oliver Smith as he climbs into remote sea caves sleeps inside Neolithic tombs scales forgotten holy mountains and once even marrons himself at sea Following holy roads to churches cathedrals and standing stones this evocative and enlightening travelogue explores places prehistoric pagan and Christian Smith also reveals how football stadiums and music festivals have become contemporary places of pilgrimage Though the routes walked are often ancient the pilgrims he meets are always modern But underpinning the remarkable book is a timeless truth that making journeys has always been a way of making meaning So often Smith finds the unravelling of a path goes in tandem with the unravelling of the soul **Working with the Labyrinth** Ruth Sewell, Sellers Jan Williams Di,2013-01-30 Around the world a growing number of people are working with the labyrinth an ancient artefact which is fulfilling a renewed role in today s world This book offers ideas and examples of labyrinths in use in various situations arts community and social settings schools colleges and universities a hospice and a secure hospital counselling psychotherapy and well being churches retreats and interfaith contexts Arthur's Call Frances Young,2014-05-15 A leading theologian recounts her journey of faith shaped as it has been by caring for a profoundly disabled son for forty five years while also being a writer university teacher and Methodist minister This completely new version of the author s Face to Face Epworth 1985 has a different perspective articulating the way in which this life dominating experience has given privileged access to the deepest truths of Christianity The book therefore combines narrative with theological reflection The narratives provide background for developing theological accounts of cross and creation as well as testifying to personal feelings and spiritual insights Written by one of the world s most distinguished theologians and spiritual writers here is a book full of hope and help for all who struggle with faith in the face of unrelenting suffering Soul-Side Out Summer Bozohora,2019-03-06 Soul Side Out is about healing It is time It is time to shift our human perspective and hear the call from universal consciousness The call is asking that we move away from the violent
