Persuasive Preaching:

Persuasive Preaching R. Larry Overstreet, 2021-06 Michael Dudit executive editor of Preaching Magazine writes in the foreword that the reader will find in this book a valuable discussion of what persuasion really is what the Bible has to say about it how it is modeled in the New Testament and what role persuasion should and should not play in our own preaching in the twenty first century The author has provided solid biblical content and practical guidance that will be a powerful resource for preachers and church leaders He writes with clarity and dare I say it persuasive power I hope you will be as blessed by this book as I have been

The Persuasive Preacher David A. Christensen, 2020-07-16 How can we preach persuasively without huckstering manipulating or coercing people Sadly we are seeing the fall of many pastors not for reasons of sexual immorality but the pursuit of pride and power The skillful use of marketing methods creates celebrity pastors who become significant influencers in the evangelical church The lure of success is seductive turning pastors into hucksters and Christians into consumers We need to heed the warnings of the New Testament about the pride of rhetoric and the pursuit of power David Christensen carefully analyzes the biblical warnings of Paul about the temptations of rhetorical sophistry in the first century church and applies them to pastoral ministry today God calls preachers to be ethical and effective persuaders David develops an ethical grid for pastoral persuasion using principles drawn from the Bible and social science along with practical illustrations from his years of ministry He calls preachers to be ethical and effective persuaders by emphasizing the centrality of the word of God while depending on the power of the Spirit of God

The Power of Persuasive Preaching Ben J. Katt, 2006 Churches in America struggle to effectively reach the unchurched and preachers become tired of failing to move listeners to action They realize that merely educating an audience is not always sufficient to elicit a positive response The Power of Persuasive Preaching fills in the gap between the sermon delivered and the preachers need to mobilize their congregations It focuses on the power that persuasive delivery can have in influencing the congregation The Power of Persuasive Preaching explores the structure of group persuasion and provides an approach to delivery analysis Whether delivering a sermon Sunday school lesson or Bible study preachers learn how to think persuasively and how to design the delivery of a message that invokes a response from listeners

Preaching with Evangelistic Persuasion Ben D Rogers D Th, Ben D. Rogers, 2012-12-31 Paul says For our gospel came not unto you in word only but also in power and in the Holy Ghost and in much assurance 1 Thess 1 5 Why are so many pulpits today void of effective evangelical gospel preaching preachers of power and much assurance Is the Holy Spirit totally at fault here We dare not think so Rather the purpose of this book is to be a clear guide for preachers today using the Scriptures to create a basis for persuasive evangelistic preaching One of the primary needs in the effort of evangelistic preaching is to establish the relative place of the mind the conscience the emotions and the will in one s appeal Many criticize proclamation evangelism as securing decisions by appeals largely emotional and generally void of any intellectual involvement It is therefore necessary to establish the truth

that true evangelistic preaching involves each of the elements of man's soul and not just his emotions. Through effective evangelism the Holy Spirit touches each aspect of man's makeup and enables his decision for salvation as is expounded in the gospel of Jesus Christ. The subject of this book is limited to one type of sermon: the evangelistic sermon. Four basic appeals in evangelistic preaching are expounded and organized in useful format. Actual sermon structure and delivery of the sermon will be much more obvious after the very foundation of an effective sermon is dealt with as spelled out in this book. Chapter One deals with Gospel preaching and its appeal to the intellect. Chapter Two discusses Gospel preaching and its relationship to the conscience. Chapter Three examines Gospel preaching's appeal to the emotions of man. Chapter Four scrutinizes the appeal of Gospel preaching to the will of man. In each chapter the writer gives a definition of the moral element dealt with in the study. Then the design of the preacher in dealing with that element is stated. Next the direction to be taken by the preacher is described. Finally the writer demonstrates the use of appeals to man's moral elements by using examples of great evangelists of the past and present. The conclusion includes general observations and pragmatic applications of the subject.

About the Author: For sixty years this writer has preached as an international evangelistic preacher, seeing thousands of souls persuaded to turn from sin and believe on the Lord Jesus Christ. He has a lifetime of confirmation of these truths presented and calls upon all ministers to return to Peitkos' persuasive preaching of the Gospel.

The Persuasive Preacher David A. Christensen, 2020-07-16

How can we preach persuasively without huckstering, manipulating, or coercing people? Sadly, we are seeing the fall of many pastors not for reasons of sexual immorality but the pursuit of pride and power. The skillful use of marketing methods creates celebrity pastors who become significant influencers in the evangelical church. The lure of success is seductive, turning pastors into hucksters and Christians into consumers. We need to heed the warnings of the New Testament about the pride of rhetoric and the pursuit of power. David Christensen carefully analyzes the biblical warnings of Paul about the temptations of rhetorical sophistry in the first-century church and applies them to pastoral ministry today. God calls preachers to be ethical and effective persuaders. David develops an ethical grid for pastoral persuasion using principles drawn from the Bible and social science along with practical illustrations from his years of ministry. He calls preachers to be ethical and effective persuaders by emphasizing the centrality of the word of God while depending on the power of the Spirit of God.

A Homiletical Praxeology on the Persuasiveness of Literary Forms Ferdi P. Kruger, 2025-04-29

This book is aimed at academic scholars and preachers who deal with homiletical praxeology weekly. Its purpose is to focus on the rhetorical appeal of the Biblical text which is alluded to from the viewpoint of the five preaching blocks according to Matthew's Gospel and the Hebrew sermon. The book's uniqueness is encapsulated in the idea that it is a practical theological and homiletical study. Consequently, the book offers empirical perspectives on literary forms and an interdisciplinary engagement with neighbour sciences before presenting normative perspectives. This book posits that faith communities should be exposed to more literary forms to realise that the library of

the Gospel and its literature does have a rhetorical appeal that should be preached according to its purpose The unique structure and way the Gospel portrays the Kingdom that has come near as well as the Hebrews sermon offering perspectives on attitude change could enrich a homiletical practice *Evangelistic Preaching That Connects* Craig A. Loscalzo,1995-10-24 Craig A Loscalzo shows how to develop evangelistic sermons that will appeal to today s audiences He includes a rationale for evangelistic preaching sample sermons and lots of practical advice *Speech for Persuasive Preaching* Ralph Loren Lewis,1968

How Effective Sermons End Ben Awbrey,2022-07-21 Extremely rare is the preacher whose preaching could not be improved substantially by readdressing his sermon conclusions Moreover a sermon conclusion marks the typical preacher s greatest need for improvement in his preaching This most significant element of a sermon has been championed for its importance in a sermon and yet the conclusion is trivialized in if not omitted from the preaching of sermons Whether textual topical or expository in preaching methodology the typical preacher has a greater understanding and better implementation of everything else related to preaching in contrast to what is understood and done in concluding sermons Much is not done and much more is not understood to conclude sermons with clarity strength and persuasiveness *How Effective Sermons End* provides a comprehensive approach and thorough examination of the sorely needed and long overlooked instruction regarding that most vital of all elements of a sermon the sermon conclusion This book fills the existing void in homiletical pedagogy about concluding sermons a void that prevents preachers from reaching their full potential of effectiveness in the ministry of preaching the Word of God The pathway of better preaching is knowledge and skill to effectively conclude sermons and this book floods that pathway with light *Handbook of Contemporary Preaching* Dr. Michael Duduit,1993-03-01 Contributors included Calvin Miller Joel Gregory Stuart Briscoe James Cox Elizabeth Achtemeier Thomas Long James Earl Massey and many more *Preaching Ethically* Ronald D. Sisk,2007-12-17 How do clergy preach to meet the legitimate needs of their congregation and live up to standards of professionalism and personal integrity *Preaching Ethically* offers guidelines for preaching in light of a range of factors that might tempt a preacher to misuse the pulpit How do you preach about controversial issues What do you say from the pulpit when your marriage is in trouble What are the ethics of preaching in times of local or national crisis How do you draw from resources found on the Internet and elsewhere without plagiarizing or misleading listeners about the source of the materials How do you write a sermon when you know very little about a subject Why and how do you feed a congregation a balanced sermonic diet To be true to ourselves and our calling says Sisk we must examine how the many factors that can influence our preaching come into play the calling to preach to gospel compels us to preach in ways that keep the gospel foremost treat the congregation fairly and are true to our own convictions and our personal integrity **Preaching in HD** Dr. Michael O. Oyedokun ,2023-12-22 In *Preaching in HD* High Definition Dr Michael O Oyedokun II invites preachers on an enlightening journey to unlock the true potential of their preaching Drawing from his extensive experience and advanced studies in

Arthurs,2017-11-07 We know of the preacher s roles as both teacher and proclaimer but Jeffrey Arthurs adds another assignment the Lord s remembrancer With decades of preaching experience he explains how to stir the memory of Christ followers fanning the flames of faith through vivid language story delivery and ceremony When knowledge fades and conviction cools the church needs to be reminded of the great truths of the faith *With Ears to Hear* Robin R. Meyers,2007-10-01 What makes good sermons And how do they come to be Appropriating insights from the history of rhetoric and modern communications theory Robin Meyers proposes that truly effective sermons involve more than moralistic proselytizing or three points and a joke Rather the preacher must enter into dialogue not only with Scripture and the congregation but creatively with him or herself as well This willingness to listen to one s own sermon this willingness to be freshly persuaded will help enable the preacher to communicate with greater passion insight poetry and clarity *Calvinism* David L. Allen,Steve W Lemke,2022-08-01 Calvinism raises serious concerns about the growth of a popularized Reformed theology Through a wide lens of denominational and theological perspectives this volume carefully examines the theological tradition known today as Calvinism particularly its doctrine of salvation Editors David L Allen and Steve W Lemke lead a team of top contributors offering theological historical biblical and practical critiques **The Ethics of Persuasive Preaching** Raymond W.
