Pet To School Day:

Take Your Pet to School Day Linda Ashman, 2019-07-02 Wouldn't it be fun to bring your pet to school? Now imagine if EVERYONE brought their pet to school! That's exactly what happens in this hilarious picture book. A lighthearted perfect read for back to school no matter what that looks like. When pets show up with their kids at Maple View Elementary it's total chaos. These animals have no respect for school rules and every class quickly gets out of hand. But why did they show up in the first place? Who said they could come? Could it have been the pets themselves? It turns out they just wanted in on the fun. Now if they want to stay they'll just have to behave. Linda Ashman's bouncy rhyming text lends itself perfectly to an exuberant classroom read aloud and Suzanne Kaufman's playful art is full of hilarious details. A great way to generate enthusiasm for school, this book will easily find a place in pet lovers' hearts.

Pet to School Day Hilary Robinson, 2005 Mr Spink's pet is too wild to bring to school. The children wonder what it could be.
