Focus On: 100 Most Popular English Songwriters Wikipedia contributors, *Pete Doherty: My Prodigal Son* Jacqueline Doherty, 2014-05-22 For over three years Jacqueline Doherty has been watching her rock star son's messy descent into drug addiction. Every step of the way has been charted by a hungry media. And every step of the way has been agony for a loving mum. Pete Doherty's celebrity means that his addiction has become public property. But Jacqueline is a private person and her painful account is that of any mum or any parent trying to help a child in trouble. This is the compelling story of Pete's childhood, his burgeoning talent, his success as a musician and his drug addiction set against the backdrop of his loving relationship with his mother and his family. It is a moving memoir of how a happy middle class family is coping with a family member opting to love drugs more than he loves them or himself. It is a memoir that will offer hope to other mothers and families in a similar situation.

Peter Doherty. Un chaval prometedor Peter Doherty, Simon Spence, 2023-09-21 La biografía de Peter Doherty es la última de las grandes historias del rock and roll. Líder de The Libertines y los Babyshambles, compositor excepcional, blanco de la prensa amarilla siempre metido en líos, arrastrando problemas con las drogas, antisocial y encantador al mismo tiempo. Para sus devotos seguidores Doherty es un héroe de culto; para sus detractores, un chaval prometedor que terminó malogrado. Una vez superados sus años más salvajes y con la sensación de haber sobrevivido de manera milagrosa, Peter Doherty expone con franqueza de manera sobria y a veces muy emotiva los momentos más importantes y oscuros de su vida y de su carrera musical, mostrando las claves de su creatividad, repasando la historia de The Libertines y los Babyshambles, bandas que han definido los últimos veinte años de indie rock con su sonido, sus canciones y su estilo provocador. Con ingenio y desenvoltura, Doherty detalla sus influencias musicales: The Smiths, The Clash, The Stooges, Sex Pistols, su infancia errante y las travesuras juveniles en Londres antes de alcanzar la fama, las fiestas decadentes con drogas duras y groupies, sus relaciones con Kate Moss y Amy Winehouse, los pequeños conciertos y los espectáculos en grandes estadios, los escándalos con género, las condenas en diversas cárceles británicas, la ruptura de sus bandas a causa de las drogas, su relación con Carl Barrett, su tendencia a la autodestrucción. Peter Doherty. Un chaval prometedor es la versión del propio músico de toda aquella historia, una autobiografía sorprendente que con humor y lucidez muestra a la persona y al músico que hay detrás de la fama y la infamia y que a más de uno le har
