Ps Jack Paar:

P.S. Jack Paar Jack Paar, 1983 Memoirs of the American author movie actor radio and television comedian and talk show host Jack Paar *The Comedians* Kliph Nesteroff, 2018-09-01 Funny and fascinating If you re a comedy nerd you ll love this book Pittsburgh Post Gazette Named a Best Book of the Year by Kirkus Reviews National Post and Splitsider Based on over two hundred original interviews and extensive archival research this groundbreaking work is a narrative exploration of the way comedians have reflected shaped and changed American culture over the past one hundred years Starting with the vaudeville circuit at the turn of the last century the book introduces the first stand up comedian an emcee who abandoned physical shtick for straight jokes After the repeal of Prohibition Mafia run supper clubs replaced speakeasies and mobsters replaced vaudeville impresarios as the comedian s primary employer In the 1950s the late night talk show brought stand up to a wide public while Lenny Bruce Mort Sahl and Jonathan Winters attacked conformity and staged a comedy rebellion in coffeehouses From comedy s part in the civil rights movement and the social upheaval of the late 1960s to the first comedy clubs of the 1970s and the cocaine fueled comedy boom of the 1980s *The Comedians* culminates with a new era of media driven celebrity in the twenty first century Entertaining and carefully documented jaw dropping anecdotes This book is a real treat Merrill Markoe *The Wall Street Journal* Judy Garland on Judy Garland Randy L. Schmidt, 2014-09-01 It s going to be one hell of a great everlastingly great book with humor tears fun emotion and love Judy Garland said of her plans to tell her life story But she died at the age of forty seven before seeing it through Judy Garland on Judy Garland is the closest we will likely come to experiencing and exploring the legend s abandoned autobiography Collecting and presenting the most important Garland interviews and encounters that took place between 1935 and 1969 this work opens with her first radio appearance under contract with Metro Goldwyn Mayer and concludes with her last known interview one taped for Radio Denmark just months before her death What makes this collection unique and distinguishes it from the plethora of Garland biographies is that it places Judy in the role of storyteller She wrote a number of essays for various publications and sat for countless print radio and television interviews These and the other autobiographical efforts she made are proof that Judy Garland wanted her story told and wanted it told in her own words Finally here it is **Encyclopedia of Television** Horace Newcomb, 2014-02-03 The Encyclopedia of Television second edition is the first major reference work to provide description history analysis and information on more than 1100 subjects related to television in its international context For a full list of entries contributors and more visit the Encyclo pedia of Television 2nd edition website **Eleanor Roosevelt on Screen** Angela S.
