Really Great Time:

The Next Day Tim Leiphart, 2011-10-05 Is it possible to spend an entire lifetime running as hard as you can only to look up sweaty and panting and find that you've barely left the starting line? It's very easy to get off track without the clear and steady voice of God directing and guiding you to the finish. But what does God's voice sound like? What is He saying? Where is He leading? God speaks into the everyday life of the Christian and the language He uses doesn't require a seminary degree or a position on the church staff for understanding. God asks only for eyes to see and ears to hear. Fishermen and tax collectors learned many of their most valuable lessons when they followed Jesus out of the synagogues and into the streets, marketplaces, hillsides, and seas to discover how God still speaks. Let's join the conversation. **Play Like a Man** Rose Marshack, 2023-02-28 As a member of Poster Children, Rose Marshack took part in entwined revolutions. Marshack and other women seized a much elevated profile in music during the indie rock breakthrough while the advent of new digital technologies transformed the recording and marketing of music. Touring in a van, meeting your idols, juggling a programming job with music, keeping control and credibility, the perils of an independent record label, and the greater perils of a major label. Marshack chronicles the band's day-to-day life and punctuates her account with excerpts from her tour reports and hard-learned lessons on how to rock, program, and teach while female. She also details the ways Poster Children applied punk's DIY ethos to digital tech as a way to connect with fans via then-new media like p.kids, listservs, internet radio, and enhanced CDs. An inside look at a scene and a career. *Play Like a Man* is the evocative and humorous tale of one woman's life in the trenches and online. *The Real Events Industry: My Story* Philippa Sue Richardson, 2016-09-26 The Events Industry is so diverse, from community and sporting events to arts and music festivals. During the last decade, Philippa Richardson has experienced firsthand what it is like to be a part of dozens of events around Australia. She shares her journey through volunteering to paid work in events to finally becoming her own boss as an Event Manager. Discover how to develop your career in the Events Industry and follow her journey through starting out from high school to being an Event Manager for Etheriala Events. Philippa Richardson lets you in on how to volunteer at events where the industry can take you and the best ways to gain entry into the field of Event Management. She also explains how education is key and what you can expect as an event staff member. The variety of roles she has experienced is astounding and inspirational. *Boogie* Ron de Laby, 2003-01-28 Travis Bentley lived the uncomplicated life of an eleven-year-old boy growing up in 1950s San Antonio, Texas. When the new kid showed up at a summertime baseball game, little did Travis know his life was about to change forever. The new kid was mentally retarded, a condition he had lived with since birth. But even though he was different, Travis adopted him as a part-time brother, and their bond grew stronger with every day. The neighborhood bullies taunted the new kid because of his condition, calling him a Boogieman. The name stuck, and Boogie was born. When Boogie's sister Karen entered the picture, Travis accepted her as just another girl to deal with. But Karen had plans of her own, and Travis was the basis of those plans.

Throughout the next several years the hometown group stayed together and experienced all of those things that become a part of moving on to adulthood Boogie is a deeply moving and bittersweet story of a true friendship It is a remembrance of a life and time gone by the simple innocent sweetness of young love and the trials of growing up It is a novel about life
