Tozer,2018-05-01 Do you long to be more like Christ Discipleship lies at the center of Christian life and practice It is a beautiful journey in which each of us simultaneously attempt to become more like Christ and to help others do the same It is our most important task on earth but often it is neglected or misunderstood A W Tozer on the other hand knew exactly what it meant to disciple and to be discipled Discipleship What It Truly Means to Be a Christian is a collection of Tozer s powerful and passionate writings on discipleship In it you will learn about the call terms and marks of discipleship devotional practices obedience reproducing disciples Whether you are a new believer or have known Christ for a lifetime Tozer s words will encourage and inspire you to love Jesus more Come and be discipled by this beloved spiritual writer **Texts and Traditions** Beatrice Groves,2007 Explores Shakespeare s engagement with the religious culture of his time Through readings of a number of plays Romeo and Juliet King John 1 Henry IV Henry V and Measure for Measure this work explains allusions to the Bible the Church s liturgy and to the mystery plays performed in England in Shakespeare s boyhood **Promise of Glory** C. X. Moreau,2017-11-11 Moreau s research is impeccable and smoothly incorporated and his descriptions of battle scenes are vivid Publishers Weekly Moreau displays an astute grasp of military history The author invests the cast of authentic historical characters with a wide range of strengths and failings infusing this gripping narrative with a dramatic human element resulting in a passionate retelling of a legendary battle Booklist August 1862 Federal armies threaten Richmond the Confederate capital From the east the Army of the Potomac commanded by General George McClellan has edged closer to the city until the citizens of Richmond are able to listen to their church bells and the report of cannon with equal clarity Late in the summer President Jefferson Davis gives command of the Rebel army to the untried Robert Edward Lee It is a momentous decision In a series of battles fought virtually in sight of the city Lee defeats the Army of the Potomac then turns and drives the Union Army back to Washington DC Now in the first week of September the days

are long and hot Roads muddied by summer rains dry There is time yet for one last campaign a battle that could bring about the end of the war and ensure a southern nation This is the story of that campaign This is the story of the Battle of Antietam the bloodiest day of the Civil War It is refreshing to read a historical novel that is both faithful to historical fact and yet imaginative enough to make the often dry bones of fact come alive C X Moreau succeeds in that endeavor by portraying the events of the Battle of Antietam which produced America's single most bloody day through the eyes of the generals who planned and fought the battle As only a veteran can do Moreau paints a convincing portrayal of the ebb and flow of battle providing his characters with credible thought processes as that terrible day proceeded The terror dismay and savage emotion that one would expect to feel on a great battlefield show up in the fictionalized account of the actions of Lee Longstreet Stonewall Jackson Burnside Hooker and McClellan Those who enjoy good historical fiction will find this an entertaining book The Chattanooga Times What distinguishes this novel from a straight historical account is Moreau's telling of the story through the eyes and emotions of an array of officers and soldiers their detailed words and thoughts The inner conversations and quotes spring from the author's close reading of the record and in obviously large measure from his imagination His intuition rings true The Virginian Pilot **A Grammar of Freethought** Chapman Cohen, 1921 *The Gunslingers of '69* Brian Hannan, 2019-10-04 In 1969 the counter cultural moment when Easy Rider triggered a youthquake in audience interests Westerns proved more dominant than ever at the box office and at the Oscars It was a year of masterpieces The Wild Bunch Butch Cassidy and the Sundance Kid Once Upon a Time in the West and True Grit Robert Redford achieved star status Old timers like John Wayne Gregory Peck and Robert Mitchum appeared in two Westerns apiece Raquel Welch took on the mantle of Queen of the West Clint Eastwood and Lee Marvin tried their hand at a musical Paint Your Wagon New directors like George Roy Hill reinvigorated the genre while veteran Sam Peckinpah at last found popular approval Themes included women's rights social anxieties about violence and changing attitudes of and towards African Americans and Native Americans All of the 40 plus Westerns released in the U S in 1969 are covered in depth offering a new perspective on the genre *Stepping Stones Over Big Difficulties* A. X. Cassidy, 1888 **Rodney** Kathi S. Barton, 2021-03-28 Rebel had been called to the US when she'd been informed that her brother was dying but she arrived too late He left behind a devastated wife two small children and a load of debt Rebel stayed to help out as best she could taking a job at the local hospital but working conditions there were unbearable and she had no choice but to quit or kill someone namely the head nurse And as a doctor she had taken an oath to save lives not take them Rodney ran a small practice He handled the medical care for the local schools and worked at the hospital when needed for emergencies And when a little boy came into his office to get stitched up from being ambushed by bullies Rodney knew he had to get to the bottom of the problem When the boy's Aunt Rebel shows up and takes over Rodney instantly knows who she is to him his mate Having to approach her with the subject had his cat curling up inside him He had watched his brothers flounder around with their new

mates and he didn't want to start off on the wrong foot. It didn't take but a minute for Rebel to assess the new situation and she wasn't sure how she felt about it. She also needed a job, not a handout. She was a doctor, damn it, and a good one. No man, especially one she didn't know, was going to order her around. If he thought he could, she'd let him know fast that she was no pushover.
