suspicious behavior A variety of disciplines are represented including ergonomics human factors psychology criminology cognitive science sociology political theory engineering and computer science In Hostile Red Joseph A.

Altsheler,2022-09-04 Joseph A Altsheler s In Hostile Red is a compelling narrative set against the simmering backdrop of the American Civil War Altsheler employs a vivid realistic literary style that immerses readers in the tumultuous experiences of a young protagonist embroiled in the conflict The novel combines elements of historical fiction with adventure delving into not only the brutal realities of war but also the psychological battles faced by its characters The interplay of action and introspection offers a nuanced exploration of loyalty bravery and the stark dilemmas inherent in a divided nation Altsheler a prominent American author in the late 19th and early 20th centuries leveraged his experiences and extensive research into America s storied past to craft his narratives His dedication to portraying the complexities of war reflects his personal convictions and the influence of the prevailing literary movement which sought to blend truth with storytelling Altsheler s upbringing in Kentucky a border state during the Civil War likely shaped his perspective and sensitivity toward the themes of conflict and familial loyalty explored in the novel This novel comes highly recommended for readers who appreciate historical fiction rich with emotional depth and moral quandaries Altsheler s masterful storytelling not only educates but also evokes empathy allowing contemporary readers to connect to a pivotal moment in American history through the eyes of his richly drawn characters

Wars Within War Irving W. Levinson,2013-10-31 Traditional characterizations of the 1846 1848 war between the United States and Mexico emphasize the conventional battles waged between two sovereign nations However two little known guerrilla wars taking place at the same time proved critical to the outcome of the conflict Using information from twenty four archives including the normally closed files of Mexico s National Defense Archives Wars Within War breaks new ground by arguing that these other conflicts proved crucial to the course of events In the first struggle a force organized by the Mexican army launched a prolonged campaign against the supply lines connecting the port of Veracruz to US forces advancing upon Mexico City In spite of US efforts to destroy the partisans base of support these armed Mexicans remained a significant threat as late as January 1848 Concurrently rebellions of class and race erupted among Mexicans an offshoot of the older struggle between a predominantly criollo elite that claimed European parentage and the indigenous population excluded from participation in the nation s political and economic life Many of Mexico s powerful propertied citizens were more afraid of their fellow Mexicans than of the invaders from the north By challenging their rulers guerrillas forced Mexico s government to abandon further resistance to the United States changing the course of the war and Mexican history The War of the rebellion: a compilation of the official records of the Union and Confederate armies, prepared by R.N.
