The Mutual-Aid Approach to Working with Groups Dominique Moyse Steinberg, 2013-05-13 This updated edition of The Mutual Aid Approach to Working with Groups includes four new chapters that address single session groups short term groups open ended groups and very large groups This book provides a foundation for practice examining theories concepts and practice principles specific to mutual aid Readers are directed to ample study resources in key areas via recommended reading lists at the end of each chapter Case examples are used to help

bridge the gap between theory and practice in an immediately useful manner and handy tables and figures make important points easy to access and understand To view an excerpt online find the book in our QuickSearch catalog at www.HaworthPress.com

Group Work Practice to Advance Social Competence Norma C. Lang, 2010 This textbook introduces social work practice with socially unskilled populations or persons who lack social competence and whose group life is likely to be chaotic or nonexistent unless professionally assisted providing guidelines for working with these socially disabled persons in group settings The author outlines the unique pre group processes of socially unskilled populations and provides a methodology for advancing social competence She also identifies the professional and agency requirements for working with pre social processes

Handbook of Social Work with Groups, Second Edition Charles D. Garvin, Lorraine M. Gutierrez, Maeda J. Galinsky, 2017-06-27 Revised edition of Handbook of social work with groups 2006

Group Work Timothy Kelly B, 2012-12-06 Explore the latest research and practice information in group work

Group Work Strategies for Strengthening Resiliency is a collection of research and information presented at the Twentieth Annual International Symposium on Social Work with Groups Resiliency issues are explored in relation to children couples managers survivors of torture poor women HIV AIDS affected youth and other population groups The contributors were keynote speakers and paper presenters at the symposium They represent a wide range of fields of practice and experience For social workers students educators and practitioners this volume examines how group work can improve resiliency in your community Here is a sample of what you will find inside

Keynote Speaker Jeremy Woodcock's experiences in his groundbreaking resiliency work with victims of torture Alex Gitterman's brilliant exposition of the notions of resiliency and vulnerability he outlines the current thinking and puts it into a group work context case examples that illustrate resiliency in children a discussion of how residential settings can function like a 24 hour group and how to use that group effectively to strengthen the resiliency of the residents a way to use groups to help develop social and economic capital for poor women through investment clubs group themes and practice strategies for group work with couples who have differing HIV status

Group Work Strategies for Strengthening Resiliency also contains chapters reflecting the personal experiences of the authors One shares her transformation from a worker who did case work in a group into a social group worker Another shares a reminiscence of a personal journey during her formative years as a budding group worker From its description of how the use of group work principles and skills can benefit managers and programs to its challenge to group workers to incorporate some community work skills into their repertoire *Group Work Strategies for Strengthening Resiliency* is more than a fascinating read it is a tool to help you keep abreast of the latest theory and practice in this ever changing field

[Working with Older Adults: Group Process and Technique](#) Barbara Haight, Faith Gibson, 2005-03-30 Beginning with an overview of the changing world of aging this book goes on to address practical principles and guidelines for group work

Handbook of Social Work with Groups Charles D. Garvin, Lorraine M. Gutierrez, Maeda J. Galinsky, 2017-02-13 This comprehensive handbook presents

major theories of social work practice with groups and explores contemporary issues in designing and evaluating interventions Students and practitioners gain an in depth view of the many ways that groups are used to help people address personal problems cope with disabilities strengthen families and communities resolve conflict achieve social change and more Offering authoritative coverage of theoretical practical and methodological concerns coupled with a clear focus on empowerment and diversity this is an outstanding text for group work and direct practice courses *Socially Just Practice in Groups* Robert M. Ortega, Charles D. Garvin, 2019-01-09 *Socially Just Practice in Groups* A Social Work Perspective comprehensively covers all aspects of group practice in social work settings integrating a unique social justice framework throughout Drawing from their experience as group work practitioners authors Robert Ortega and Charles D Garvin walk readers through the basics of group practice including getting started doing group work establishing the purpose roles and tasks of the group stages and phases of practice and specific skills in assessment monitoring and evaluation A social justice framework provides a fresh perspective during an era of widespread social change and provides social workers tools for effective group interventions Chapters contain detailed case examples to illustrate concepts presented as well as exercises to help students practice skills Mutual Aid Groups, Vulnerable and Resilient Populations, and the Life Cycle Alex Gitterman, Lawrence Schulman, 2005-02-23 The contributors to this volume examine the role of mutual aid groups and social workers in helping members of oppressed vulnerable and resilient populations regain control over their lives The chapters reveal the ways in which mutual aid processes help individuals overcome social and emotional trauma in contemporary society by reducing isolation universalizing individual problems and mitigating stigma Using the life cycle as a framework the editors establish a theoretical model for practice and demonstrate how social workers as group leaders can foster the healing and empowering process of mutual aid The contributors also consider the fundamentals of the mutual aid process the institutional benefits of group service and specific clinical examples of mutual aid groups Each chapter offers detailed case materials that illustrate both group work skills and developmental issues for a variety of populations and settings including HIV positive and AIDS patients the homeless and perpetrators and victims of sexual abuse and family violence New chapters in this completely revised and updated third edition illustrate the power of mutual aid processes in dealing with children traumatized by the events of September 11 adult survivors of sexual abuse parents with developmentally challenged children people with AIDS in substance recovery and mentally ill older adults **Groups That Work** Paul H. Ephross, Thomas V. Vassil, 2005-02-09 Social workers planners health professionals and human service administrators spend much of their time in meetings working in and with groups What meaning does participation in these groups have for members Some of the events that are most important for members of the various professions and those whom they serve take place within these groups Health and human services depend upon their working groups for their development and allocation of resources their standards of quality and the evaluation of their success or failure In short these groups are relied upon to come up with

creative solutions to complex problems Despite the amount of time spent in meetings committees and so on very little has been written about the skills necessary for effective participation and leadership within working groups With that in mind Ephross and Vassil combine innovative group theory and practice in this how to guide for professionals who take a variety of roles within the group They draw on examples from social agencies a hospital a low income community and the boardroom providing practical principles for day to day group life based on a democratic model This revised edition also explores the changes that have taken place in the structure and operation of working groups in recent years and the heightened expectations for groups within large organizations

Rebuilding Sustainable Communities for Children and their Families after Disasters Adenrele Awotona, 2009-12-14 Disasters impose enormous misery on children the most vulnerable members of the community Records show that two million children have died as a direct consequence of armed conflict over the past decade Globally millions more have suffered death disease and dislocation as a result of such natural disasters as earthquakes droughts and floods And even when emergency relief is available permanent human damage remains all too often families fall apart women are assaulted and degraded and children are left to take care of themselves In November 2008 the Center for Rebuilding Sustainable Communities after Disasters at the University of Massachusetts Boston USA hosted an international conference to examine how to reconstruct sustainable communities that would be safe and secure for children and their families after disasters This volume collects some of the papers that were presented at the conference It is remarkable for the sheer assortment of topics covered These include the role of gender equality in alleviating poverty and assisting children their families and their communities after disasters war and child soldiers lessons from Hurricane Katrina and the Tsunami the nature of psychosocial resilience and its significance for managing mass emergencies disasters and terrorism and the promotion of human dignity in the creation of sustainable environments that empower families in the aftermath of disasters

Social Work with Groups Sue Henry, Jean East, Cathryne Schmitz, 2016-05-23 Hone your group work skills to make sessions even more meaningful *Social Work with Groups Mining the Gold* examines a wide array of varieties of social group work practice from corrections through empowerment and international issues It explores ways to deal with youth violence following the shootings at Columbine High School issues of social exclusion empowerment practice groups in correctional settings group work practice with seniors gender diversity multicultural groups teleconferencing groups and education for social work group practice Every chapter author who contributed to this timely and important volume reflects the gold to be mined in the use of groups in social work Linda Hutton shares her first hand experience of working with chronically paranoid schizophrenic clients who are also chemically addicted Marshall Rubin and Carol J Hinote explore ways of working creatively with different populations Rubin confronts the use of structured program designs and Hinote describes the challenge of being a woman worker with a group of mentally ill men Paul Abels and Sonia Leib Abels examine the use of narratives in social work with groups Beverly Ryan and Patty Crawford discuss the creation of support

groups for elderly people dealing with loss and Jean East Susan Manning and Ruth J Parsons explore ways for group work to advance the social work empowerment agenda Social Work with Groups also explores case studies of a school based project to prevent violence a European group work plan to fight social exclusion in a multicultural environment a prison based group work program ways to use gender diversity to enrich the group experience Social Work with Groups brings you insightful commentary from the people who are developing cutting edge programs and expanding the boundaries of group work No social worker who wants to function most effectively in a group setting should be without it *Making Joyful Noise* Andrew Malekoff, Robert Salmon, Dominique Moyse Steinberg, 2014-01-02 This diverse collection of articles by group work professionals who work in the classroom and in the field captures not only the art and science of social work with groups but also its soul highlighting practice teaching and writing ideas that promote the power of group work and the people who do it Making Joyful Noise reinforces the value and uniqueness of group work as a positive optimistic empowering and affirming way of working with people The articles presented here cover a wide range of age groups populations and settings and include examples on the use of activity and discussion in groups a poetry club for children the meaning of camp for preadolescents a boxing group for adolescents who live in the inner city self defense classes for adults and caregiver support for the elderly The book also steps into the classroom to promote the teaching of social group work and the education of advanced group work practitioners and to encourage practitioners to write about their group work practice Finally the book presents and illustrates a number of concepts that are unique to group work and that encourage front line practitioners to be bold and to stay in the mess While organized as a tribute to the late Dr Roselle Kurland Making Joyful Noise is in and of itself an important collection of articles and essays on social group work and one that is certain to provide all practitioners who are interested in group work with a spark a smile and some needed inspiration for their important work Making Joyful Noise includes essentials for preserving promoting and portraying group work practice the critical relationship between human and professional ethics in group work six common mistakes that practitioners make in regard to group purpose using organizational analysis to improve group work practice creatively blending activity and discussion in diverse settings cultivating collegiality to reduce isolation and enhance practice developing a capacity to stay in the mess in group work with people of all ages skills for effectively working with transitions separation and loss in group guidelines for practitioners wishing to write for publication and much more This book is a rich and diverse collection that is required reading for anyone working to promote social work with groups Macro Social Work Practice Carolyn J. Tice, Dennis D. Long, Lisa E. Cox, 2019-08-07 Empower your students to become advocates for change Macro Social Work Practice Advocacy in Action shows students studying in macro social work practice how to enact change at the organizational community societal and global levels An emphasis is placed on engaging in macro practice using the tenets of the award winning author team s Advocacy Policy and Practice Model APPM that highlight the inclusion of economic and social justice supportive environment

Evaluation of the value chain development program in Nigeria: Qualitative findings Eissler, Sarah, Heckert, Jessica, 2024-01-26

The International Fund for Agricultural Development IFAD and the Federal Government of Nigeria implemented the Nigeria Value Chain Development Program VCDP across six Nigerian states with the objective to improve farmer organizations collective efficacy and alleviate poverty via improving rice and cassava production farmers incomes and value chain integration The VCDP incorporated a gender sensitive design to target women beneficiaries and improve empowerment by expanding access to training opportunities and

resources The VCDP also aimed to improve local infrastructure This study presents qualitative findings from the VCDP impact evaluation Four communities from two of the six treatment states were selected for this study Niger and Anambra Across study areas sex disaggregated key informant interview were conducted with 10 service providing agents technical and capacity building 8 farmer organization leaders 14 producers 13 processors and 15 marketers And 8 sex disaggregated FGDs were conducted with members of farmer organizations 2 FGDs were also conducted with youth only farmer organizations Service providing agents found general success in delivering services to beneficiaries and benefitted themselves by working for the VCDP Agents developed new skills that better enabled them to deliver services and they benefitted from higher social standings as a result of their work The VCDP was generally well received and improved target farmer organizations collective efficacy These factors lead to improved rice and cassava production and processing increasing access to necessary resources for value chain actors and fostering cross node integration Beneficiaries found that the different VCDP technical trainings that supported linkages to buyers were particularly useful for improving their outcomes within the value chains Additionally VCDP supported infrastructure development positively impacted value chain actors particularly women by reducing the time they spent on certain domestic chores and facilitated their ability to better participate in value chain activities Some challenges persisted Cultural norms restricted interaction between men and women in Niger state Weak governance of participating farmer organizations high levels of corruption and security concerns that limited mobility and access to remote areas were especially challenging Beneficiaries also noted that access to suitable financing was a significant challenge the VCDP is rolling out a new financial linkages component to address this directly in 2020 Finally beneficiaries were sometimes frustrated with what was perceived as unmet expectations or slow delivery of services by VCDP In future iterations of VCDP and similar programs it is recommended to continue strengthening the capacity building services to improve organizations collective efficacy embed anti corruption measures to ensure all intended beneficiaries have access to program resources ensure appropriate and timely delivery of services to meet beneficiaries needs and to strengthen the gender component of the program by increasing gender sensitization trainings for beneficiaries further targeting women beneficiaries for inclusion and delivering context specific solutions that enable all women beneficiaries have equal access to program support and resources

Diversity, Oppression, & Change Flavio Francisco Marsiglia, Stephen S. Kulis, Stephanie Lechuga-Peña, 2021-01-06 Diversity Oppression and Change Third Edition provides a culturally grounded approach to practice policy and research in social work and allied fields The book s intersectionality perspective provides a lens through which students can identify connections between identities based on race ethnicity gender sexual orientation social class religion and ability status Through theoretical and empirical content as well as Notes from the Field students become familiar with the culturally grounded perspective and culturally appropriate ways of engaging with diverse communities Marsiglia Kulis and Lechuga Pe a have crafted a book about hope and resiliency the

miraculous ability of individuals and communities to bounce back from oppressive experiences and historical trauma and the role of social workers as allies in that journey **Hydrosystem Restoration Handbook: Streamflow Recharge and Lake Rehabilitation** Saeid Eslamian, Faezeh Eslamian, 2024-11-27 Handbook of Hydrosystem Restoration Streamflow Recharge SFR and Lake Rehabilitation LR comprises global case studies that encompass the most up to date management approaches in streams It provides comprehensive methods for sustainable water supply through debris removal along with conservation practices to assist researchers and graduate students specializing in this field Covers traditional and novel techniques for efficient water resources management to overcome the water scarcity problem Includes the latest methods for Sustainable and Integrated Water Resources Management Contains case studies from Africa Australia China Eurasia India MENA Countries Canada and North America that offer deep analysis of techniques of flow restoration and groundwater artificial recharge

Rebuilding Communities Challenges For Group Work Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rebuilding Communities Challenges For Group Work has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rebuilding Communities Challenges For Group Work has opened up a world of possibilities. Downloading Rebuilding Communities Challenges For Group Work provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rebuilding Communities Challenges For Group Work has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rebuilding Communities Challenges For Group Work. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rebuilding Communities Challenges For Group Work. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rebuilding Communities Challenges For Group Work, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rebuilding Communities Challenges For Group Work has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security

when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rebuilding Communities Challenges For Group Work Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rebuilding Communities Challenges For Group Work is one of the best book in our library for free trial. We provide copy of Rebuilding Communities Challenges For Group Work in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rebuilding Communities Challenges For Group Work. Where to download Rebuilding Communities Challenges For Group Work online for free? Are you looking for Rebuilding Communities Challenges For Group Work PDF? This is definitely going to save you time and cash in something you should think about.
