Red Tape In America Stories From The Front Line:

Red Tape in America Craig E. Richardson, Geoff C. Ziebart, 1995 **Public Management and Performance** Richard M. Walker, George A. Boyne, Gene A. Brewer, 2010-09-09 Public services touch the majority of people in advanced and developing economies on a daily basis children require schooling the elderly need personal care and assistance rubbish needs collecting water must be safe to drink and the streets need policing In short there is practically no area of our lives that isn't touched in some way by public services As such knowledge about strategies to improve their performance is central to the good of society In this book a group of leading scholars examine some of the most pressing issues in public administration political science and public policy by undertaking a systematic review of the research literature on public management and the performance of public agencies It is an important resource for public management researchers policy makers and practitioners who wish to understand the state of the field and the challenges that lie ahead Corrections Day Policy and Procedures United States. Researching Street-level Bureaucracy Mike Rowe, 2024-12-30 Police officers social workers teachers and many other street level bureaucrats exercise discretion in dealing with clients In so doing they make policy as it is experienced at the frontline Instead of puzzling at repeated public policy implementation failures and wondering why street level bureaucrats SLBs don't behave the way policy makers expect we need to understand the world as seen from the ground This short and practical text explores the value of interpretive analysis for researching street level bureaucracy Using Michael Lipsky's 1980 idea of SLB and connecting it to contemporary debates Mike Rowe argues for an approach to researching SLBs that focuses on dilemmas in practice ones that change with each policy shift each new target with austerity and with new technology such that no settled state is likely He places emphasis on the need to understand the ways SLBs respond to pressures in order to work with them and to understand what policy becomes in practice Street level bureaucrats and their clients are engaged in a process of sense making Researching Street level Bureaucracy is not just an essential resource for teachers and students of Master's and Doctoral programs in

Public Administration Public Policy Social Work and Criminal Justice it is a must read for anyone interested in understanding the structural pressures that bear on the individual and how any change to the dilemmas confronted might play out at the street level

Confessions of a Civil Servant Bob Stone, 2003 Confessions of a Civil Servant is filled with lessons on leading change in government and the military Bob Stone based the book on thirty years as a revolutionary in government It comes at a time when the events of 9 11 are sharpening America's demands for government that works at all levels The book tackles fourteen overarching themes in government developed through entertaining stories of Stone's own experiences as a civil servant Among the topics Stone covers are tackling a job when you haven't a clue organizing for the mission dealing with difficult bosses and getting past the barriers to change This book is a must read for anyone in or considering taking a leadership position in government the military or any large organization public or private

The Oxford Handbook of Governance and Public Management for Social Policy Karen J. Baehler, 2023 Public administration plays an integral role at every stage of social policy creation and execution Program operators management decisions shape policymakers' perceptions of what can and should be accomplished through social programs while public administrators wield considerable power to mobilize tangible and intangible resources and fill gaps in policy designs Furthermore the cumulative effects of public administrators' daily activities directly influence outcomes for program participants and may shift policy itself Location also matters to social policy as those same administrators are expected to innovate continuously in response to shifting local and national conditions including changes in budgetary allocations client needs and capacities and public attitudes This Handbook will aim to capture what is being learned across six geographical regions Africa Asia Australasia Europe Latin America and the U S and Canada Specifically each regional section will contain 6-10 chapters canvassing a particular set of promising practices or emerging challenges at the regional or sub regional level in addition to a brief overview written by the section editor The regional sections will be flanked by integrative chapters As a whole the volume contains 65 chapters
