Other Stories Isaac Bashevis Singer, 1980-11 Translated by from Yiddish by Roger H Klein and others The Lady with the Little Dog and Other Stories, 1896-1904 Anton Chekhov, 2002-08-29 In the final years of his life Chekhov had reached the height of his powers as a dramatist and also produced some of the stories that rank among his masterpieces The poignant The Lady with the Little Dog and About Love examine the nature of love outside of marriage its romantic idealism and the fear of disillusionment And in stories such as Peasants The House with the Mezzanine and My Life Chekhov paints a vivid picture of the conditions of the poor and of their powerlessness in the face of exploitation and hardship With the works collected here Chekhov moved away from the realism of his earlier tales developing a broader range of characters and subject matter while forging the spare minimalist style that would inspire such modern short story writers as Hemingway and Faulkner **Cavalleria Rusticana and Other Stories** Giovanni Verga, 2006-03-30 The stories of Giovanni Verga 1840-1922

are wonderful evocations of ordinary Italian life focusing in particular on his native Sicily In an original and dynamic prose style he portrays such eternal human themes as love honour and adultery with rich and colourful language The inspiration for Mascagni's opera Cavalleria Rusticana depicts a young man's triumphal return home from the army spoilt when he learns that his beloved is engaged to another man Verga's acute awareness of the hardships and aspirations of peasant life can be seen in stories such as Nedda Picturesque Lives and Black Bread while others such as The Reverend and Don Licciu Papa show the dominance of the church and the law in the Sicilian communities he portrays so vividly The Transparent Girl and Other Stories S. Corinna Bille, 2006-01-01 Stephanie Corinna Bille a Swiss short story writer playwright poet and novelist and winner of the 1975 French Prix Concourt is often considered the major contemporary Franco Swiss woman writer In The Transparent Girl and Other Stories Monika Giacompe and Christiane Makward have assembled and translated a magnificent collection of Bille's work that exposes an English speaking audience many for the first time to Bille's exotic captivating mystical and sexually provocative stories **The Figure in the Carpet and Other Stories** Henry James, 2007-12-06 The stories in this collection were written mostly between 1888 and 1897 a time when Henry James's writing was concerned with the art of fiction and the position of the artist in society The motif and title story The Figure in the Carpet is an inspired joke

a masterpiece of double entendre that demands the reader's undivided love and attention and continues to baffle its critics. Also included are *The Author of Beltraffio*, an absorbing story of family infighting, authorship, and tragedy, and *The Private Life*, a spirited tale that considers the contrast between the artist alone and at work. While many of these stories appear to be elaborate Jamesian games, all employ irony and humour to allegorize artistic creation.
