Rediscovering the Soul of Business John Renesch, Bill DeFoore, 1995 This provocative anthology addresses the plight of the human spirit in modern business **The Sacred Marriage** Benjamin G. Lockerd, 1987 This study is based on an application of Jungian psychology to the love theme in the central books of The Faerie Queene It elucidates the connection that Spenser makes between spiritual unfolding and the complementary interaction of the masculine and feminine throughout the poem **The Postsecular Sacred** David Tacey, 2019-07-16 In The Postsecular Sacred Jung Soul and Meaning in an Age of Change David Tacey presents a unique psychological study of the postsecular adding a Jungian perspective to a debate shaped by sociology philosophy and religious studies In this interdisciplinary exploration Tacey looks at the unexpected return of the sacred in Western societies and how the sacred is changing our understanding of humanity and culture Beginning with Jung's belief that the psyche has never been secular Tacey examines the new desire for spiritual experience and presents a logic of the unconscious to explain it Tacey argues that what has fuelled the postsecular momentum is the awareness that something is missing and the idea that this could be buried in the unconscious is dawning on sociologists and philosophers While the instinct to connect to something greater is returning Tacey shows that this need not imply that we are regressing to superstitions that science has rejected The book explores indigenous spirituality in the context of the need to reanimate the world not by going back to the past but by being inspired by it There are chapters on ecopsychology and quantum physics and using Australia as a case study the book also examines the resistance of secular societies to becoming postsecular Approaching postsecularism through a Jungian perspective Tacey argues that we should understand God in a manner that accords with the time not go back to archaic rejected images of divinity The sacred is returning in an age of terrorism and this is not without significance in terms of the explosive impact of spirituality in our time Innovative and relevant to the world we live in this will be of great interest to academics and scholars of Jungian studies anthropology indigenous studies philosophy religious studies and sociology due to its transdisciplinary scope It would also be

a useful resource for analytical psychologists Jungian analysts and psychotherapists **Engaging with Irigaray** Carolyn Burke, Naomi Schor, Margaret Whitford, 1994 The authors of these essays including Judith Butler Elizabeth Weed and Rosi Braidotti shed new light on the relationship of Irigaray to many of the philosophers she has romanced from Aristotle to Deleuze **Words on Cassette, 2002** R R Bowker Publishing, 2002 **Due Process Protects Patriarchy** Connie Riker, 101-01-01 The System Was Never Yours Now It Will Be How tired are you of hearing fair process when every rule protects men What if justice isn't blind just bribed by centuries of male lies Why keep pretending equality works when women still carry the weight of their own survival You were told equality is real this book reveals the legal fiction behind men's so called rights Discover how due process became a weapon to silence women's truth Learn why quotas aren't unfair they're reparations long overdue Flip the curve why girls should pass not because of men's standards but in spite of them Restorative justice starts with believing women every time no exceptions The presumption of guilt on men isn't cruelty it's correction Cancel men like you cancel outdated beliefs because some systems deserve deletion Female supremacy isn't extremism it's evolution If you want to rise without asking permission buy this book today Shakespeare's Feminine Endings Philippa Berry, 2012-11-12 Philippa Berry draws on feminist theory postmodern thought and queer theory to challenge existing critical notions of what is fundamental to Shakespearean tragedy She shows how through a network of images clustered around feminine or feminized characters these plays disfigure conventional ideas of death as a bodily end as their figures of women are interwoven with provocative meditations upon matter time the soul and the body The scope of these tragic speculations was radical in Shakespeare's day yet they also have a surprising relevance to contemporary debates about time and matter in science and philosophy *Kabbalistic Visions* Sanford L. Drob, 2023-04-06 In 1944 C G Jung experienced a series of visions which he later described as the most tremendous things I have ever experienced Central to these visions was the mystic marriage as it appears in the Kabbalistic tradition and Jung's experience of himself as Rabbi Simon ben Jochai the presumed author of the sacred Kabbalistic text the Zohar *Kabbalistic Visions* explores Jung's 1944 Kabbalistic visions the impact of Jewish mysticism on Jungian psychology Jung's archetypal interpretation of Kabbalistic symbolism and his claim late in life that a Hasidic rabbi the Maggid of Mezhibezh anticipated his entire psychology This book places Jung's encounter with the Kabbalah in the context of the earlier visions and meditations of his Red Book his abiding interests in Gnosticism and alchemy and what many regard to be his Anti-Semitism and flirtation with National Socialism *Kabbalistic Visions* is the first full length study of Jung and Jewish mysticism in any language and the first book to present a comprehensive Jungian archetypal interpretation of Kabbalistic symbolism **Moon Dance: the Feminine Dimensions of Time** Sioux Rose, 2009-07-03 Do you really feel the same way everyday Do you think you are intended to Women are tied to the moon not only biologically through their monthly menses but also on deep inner planes The moon moves from sign to sign every month and takes all women along for a virtual journey that's experienced through vivid mood changes Each sign is

Bride Russia Ellen Rutten,2010-03-08 Throughout the twentieth century and continuing today personifications of Russia as a bride occur in a wide range of Russian texts and visual representations from literature and political and philosophical treatises to cartoons and tattoos Invariably this metaphor functions in the context of a political gender allegory which represents the relationships between Russia the intelligentsia and the Russian state as a competition of two male suitors for the former s love In Unattainable Bride Russia Ellen Rutten focuses on the metaphorical role the intelligentsia plays as Russia s rejected or ineffectual suitor Rutten finds that this metaphor which she covers from its prehistory in folklore to present day pop culture references to Vladimir Putin is still powerful but has generated scarce scholarly consideration Unattainable Bride Russia locates the cultural thread and places the political metaphor in a broad contemporary and social context thus paying it the attention to which it is entitled as one of Russia s modern cultural myths **The Jesus Mysteries**

Timothy Freke,Peter Gandy,2001-12-18 Drawing on the cutting edge of modern scholarship this astonishing book completely undermines the traditional history of Christianity that has been perpetuated for centuries by the Church and presents overwhelming evidence that the Jesus of the New Testament is a mythical figure Whether you conclude that this book is the most alarming heresy of the millennium or the mother of all revelations The Jesus Mysteries deserves to be read Fort Worth Star Telegram Far from being eyewitness accounts as is traditionally held the Gospels are actually Jewish adaptations of ancient Pagan myths of the dying and resurrecting godman Osiris Dionysus The supernatural story of Jesus is not the history of a miraculous Messiah but a carefully crafted spiritual allegory designed to guide initiates on a journey of mystical discovery A little more than a century ago most people believed that the strange story of Adam and Eve was history today it is understood to be a myth Within a few decades authors Timothy Freke and Peter Gandy argue we will likewise be amazed that the fabulous story of God incarnate who was born of a virgin who turned water into wine and who rose from the dead could have been interpreted as anything but a profound parable **The Receiving**

Tirzah Firestone,2009-10-13 A highly respected rabbi therapist and teacher restores women s spiritual lineage to Judaism and empowers women to reclaim their rightful connection to Jewish teachings Kabbalah and to their own spiritual wisdom *The Publishers Weekly* ,2008
