Rediscovering Confucianism A Major Philosophy Of Life In East Asia:

Rediscovering Confucianism Torbjörn Lodén, 2021-10-01 This book provides an outline and an appraisal of Confucianism as a system of ideas and beliefs that evolved during the past 3 millennia and continue to do so. The Politics of Peace Te-Li Lau, 2009-12-07 Although scholarship has noted the thematic importance of peace in Ephesians few have examined its political character in a sustained manner throughout the entire letter. This book addresses this lacuna comparing Ephesians with Colossians Greek political texts Dio Chrysostom's Orations and the Confucian Four Books in order to ascertain the rhetorical and political nature of its topos of peace. Through comparison with analogous documents both within and without its cultural milieu this study shows that Ephesians can be read as a politico religious letter concerning peace within the church. Its vision of peace contains common political elements such as moral education household management communal stability a universal humanity and war that are subsumed under the controlling rubric of the unity and cosmic summing up of all things in Christ.

Confucianism in China Tony Swain,2017-09-07 This accessible history of Confucianism or the Way of the Ru emphasizes the religious dimensions of the tradition It clearly explains the tradition's unique and subtle philosophical ideals as well as the arts of the Ru whereby seemingly simple acts such as reading sitting quietly good manners and attending to family and state responsibilities became ways of ultimate transformation This book explains the origins of the Ru and documents their impact in imperial China before providing extensive coverage of the modern era Confucianism in China An Introduction shows how the long history of the Ru is vital to comprehending China today As the empire drew to an end there were impassioned movements both to reinvent and

to eradicate Ru tradition Less than forty years ago it seemed close to extinction but today it is undergoing spectacular revival This introduction is suitable for anyone wishing to understand a tradition that shaped imperial China and which is now increasingly swaying Chinese religious philosophical political and economic developments The book contains a glossary of key terms and 22 images and further resources can be found on the book s webpage <http://www.bloomsbury.com/uk>
