Rediscovery Of The Old Testament:

Toward Rediscovering the Old Testament Walter C. Re-Discovery of the Old Testament (Classic Reprint) Harold Henry Rowley,2015-07-08 Excerpt from Re Discovery of the Old Testament Such a task is attempted here Into the minutiae of scholarship I do not enter not because I regard them as meaningless but because their study lies behind rather than in this book Elaborate documentation which is rightly found in work intended for scholars is here dispensed with and the focus of interest is in the edifice of Old Testament thought rather than in the foundations of its study Yet it is my hope that the edifice stands squarely on the foundations For only so is it secure If these pages can help any reader to a fuller apprehension of the religious meaning of this most wonderful Book they will have fulfilled their purpose For Biblical quotations I have kept largely to familiar words though I have frequently modified the translation to some extent for reasons which are not stated since they would distract the general reader In no case has a change been introduced for a priori or dogmatic reasons but only where philological or textual support could be provided to justify the change It is a deep grief to me that while this book has been in the press Principal H Wheeler Robinson has passed from our midst I have left the Dedication unchanged I have to thank Professor A R Johnson for his help in reading the proofs and for his stimulating friendship which has yielded many suggestions embodied in this book I have also to thank Professor T W Manson for reading my work in proof and for many other kindnesses About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more

Getting Involved with God Ellen F. Davis, 2001-01-25 This is a book about getting and staying involved with God: what it takes, what it costs, what it looks and feels like, why anyone would want to do it anyway. It is at the same time a book about reading the Old Testament as a source of Good News and guidance for our life with God. The key piece of Good News that the Old Testament communicates over and over again is that God is involved with us deeply and irrevocably so. From the Introduction. With sound scholarship and her own vivid translations from the Hebrew, Old Testament professor Ellen Davis teaches us a spiritually engaged method of reading scripture. Beginning with the psalms, whose frank prayers can be a model for our own, Davis reflects on the stories of the patriarchs and the pastoral wisdom of the book of Job, Proverbs, Ecclesiastes, and the Song of Songs in helping us cultivate those habits of the heart that lead to a rich relationship with God.

"The" Re-discovery of the Old Testament Harold Henry Rowley, 1969 *Reading the Old Testament with the Ancient Church (Evangelical Ressourcement)* Ronald E. Heine, 2007-09-01 The contemporary church dismisses Christianity's foundational Scriptures at its own peril. However, the teachings of the Old Testament are less and less at the center of congregational preaching and conversation. The early church fathers, visionaries such as Augustine, Origen, and Tertullian embraced the Hebrew Scriptures, allowing the Old Testament to play a central role in the formation of their beliefs. As today's Christians struggle to relate to concepts such as the Jewish law and the prophets, pastors and laypersons benefit from looking through the lenses of these thoughtful pioneers. This latest volume in the Evangelical Ressourcement series helps the Old Covenant to come alive.

The Re-discovery of the Old Testament H. H. Rowley, 1940 *The Old Testament* Peter C. Craigie, 2019-04-15 This volume is an authoritative, easy-to-read introduction to the literature, history, and theology of the Old Testament. Sympathetic to all viewpoints, *The Old Testament* places at one's fingertips a single source of comprehensive information, along with maps, charts, and illustrations carefully designed to deepen the beginning student's understanding and insight.

The Rediscovery of America Edward J. Erler, Ken Masugi, 2019-02-08 Harry V. Jaffa, 1918-2015 One of the profoundest political thinkers of his time is known most prominently for his pathbreaking work on Abraham Lincoln. Jaffa, who taught for 50 years at the Claremont Colleges and was a Distinguished Fellow of the Claremont Institute, sought to produce a revolution in political philosophy by applying Strauss's controversial thinking about natural right, Scripture, and human greatness to American politics. In these 10 essays, beginning in the 1980s, Jaffa rediscovered the moral and intellectual complexity of statesmanship, in particular that of Lincoln and the American founders. The essays reveal the profundity of the Declaration of Independence in observations both theoretical (e.g., Aristotle and Aquinas) and practical (e.g.,

campus radicalism Jaffa takes aim at the interpretations of America made by some of Leo Strauss's students chastising their imputation of radically liberal theorizing to the Declaration and their ignorance of the meaning of all men are created equal The Declaration's radicalism lies rather in its synthesis of ancient political philosophy and Scriptural authority on the good human life Jaffa is particularly critical of Allan Bloom and in previously unpublished essays Irving Kristol and Harvey Mansfield for their errors about America Jaffa's essays recover political philosophy in its political and philosophic dimensions so that it can be a continuing guide for our politics today *Old Testament Survey* William Sanford LaSor, David Allan Hubbard, Frederic William Bush, 1996-09-03 McKenna and William B Nelson Jr **Rediscovering the Kingdom** Myles Munroe, 2010-07-13 When governments collapse human philosophies fail and your life is crashing down around you Rediscovering the Kingdom will become your guide through the treacherous storms of the 21st century All of the past ideologies have failed humanism communism totalitarianism fascism socialism and even democracy This is a philosophy an ideology t *Current Opinion*, 1906 THE SONGS, HYMNS, AND PRAYERS OF THE OLD TESTAMENT CHARLES FOSTER KENT, PH.D. LITT.D., 1914 *The Rediscovery of Jewish Christianity* F. Stanley Jones, 2012-07-02 This focused collection of essays by international scholars first uncovers the roots of the study of ancient Jewish Christianity in the Enlightenment in early eighteenth century England then explores why and how this rediscovery of Jewish Christianity set off the entire modern historical debate over Christian origins Finally it examines in detail how this critical impulse made its way to Germany eventually to flourish in the nineteenth century under F C Baur and the Tübingen School Included is a facsimile reproduction of John Toland's seminal *Nazarenus* 1718 which launched the modern study of Jewish Christianity The contributors are F Stanley Jones David Lincicum Pierre Lurbe Matt Jackson McCabe and Matti Myllykoski **The Bonhoeffer Legacy** Stephen R. Haynes, Stephen Haynes whose volume *The Bonhoeffer Phenomenon* probed the many conflicting ways in which Bonhoeffer has been understood by Christians for their own uses now brings new clarity to the vexed and controversial question of Bonhoeffer's relationship to Jews and the Jewish people Haynes's text analyzes the historical record and Bonhoeffer's maturing theology and offers an analysis of Bonhoeffer himself his work and his legacy for a generation learning from the Holocaust **BOOK JACKET** *The Reading and Preaching of the Scriptures in the Worship of the Christian Church, Volume 4* Hughes Oliphant Old, 2002-05-02 Covering the story of preaching from the Protestant Reformation to the end of the 17th century the latest volume in this series covers not only what the Reformers preached but also the reform of preaching itself
