Judgment in the Victorian Age James Gregory, Daniel J.R. Grey, Annika Bautz, 2018-10-09 This volume concerns judges judgment and judgmentalism It studies the Victorians as judges across a range of important fields including the legal and aesthetic spheres and within literature It examines how various specialist forms of judgment were conceived and operated and how the propensity to be judgmental was viewed

The Piranesi Effect Kerriane Stone, Gerard Vaughan, 2015-08-01 The work of Italian printmaker Giovanni Battista Piranesi 1720-1778 has captivated artists architects and designers for centuries Although contemporary Australia is a long way from eighteenth century Rome it is home to substantial collections

of his works the largest being at the State Library of Victoria and the University of Melbourne The Piranesi Effect is a collection of exquisitely illustrated essays on the impact of Piranesi's work throughout the years The book brings together Australian and international experts who investigate Piranesi's world and its connections to the study of art and the practice of artists today From curators and art historians to contemporary artists like Bill Henson and Ron McBurnie the contributors each bring their own passion and insight into the work of Piranesi illuminating what it is about his work that still inspires such wonder Australian Book Review, 2003 Indigenous Crime and Settler Law H. Douglas, M. Finnane, 2012-08-21 In a break from the contemporary focus on the law's response to inter-racial crime the authors examine the law's approach to the victimization of one Indigenous person by another Drawing on a wealth of archival material relating to homicides in Australia they conclude that settlers and Indigenous peoples still live in the shadow of empire **Ireland's New Worlds** Malcolm Campbell, 2008-01-15 In the century between the Napoleonic Wars and the Irish Civil War more than seven million Irish men and women left their homeland to begin new lives abroad While the majority settled in the United States Irish emigrants dispersed across the globe many of them finding their way to another New World Australia Ireland's New Worlds is the first book to compare Irish immigrants in the United States and Australia In a profound challenge to the national histories that frame most accounts of the Irish diaspora Malcolm Campbell highlights the ways that economic social and cultural conditions shaped distinct experiences for Irish immigrants in each country and sometimes in different parts of the same country From differences in the level of hostility that Irish immigrants faced to the contrasting economies of the United States and Australia Campbell finds that there was much more to the experiences of Irish immigrants than their essential Irishness America's Irish for example were primarily drawn into the population of unskilled laborers congregating in cities while Australia's Irish like their fellow colonialists were more likely to engage in farming Campbell shows how local conditions intersected with immigrants' Irish backgrounds and traditions to create surprisingly varied experiences in Ireland's new worlds Outstanding Book selected by the American Association of School Librarians and Best Books for Special Interests selected by the Public Library Association Well conceived and thoroughly researched This clearly written thought provoking work fulfills the considerable ambitions of comparative migration studies Choice **Australian Plays for the Colonial Stage** Richard Fotheringham, Angela Turner, 2006 Contains the scripts of nine colonial plays each script has been carefully edited or reconstructed from unique manuscripts or rare colonial printed editions **Transnational Perspectives on Modern Irish History** Niall Whelehan, 2014-10-03 This book explores the benefits and challenges of transnational history for the study of modern Ireland In recent years the word transnational has become more and more conspicuous in history writing across the globe with scholars seeking to move beyond national and local frameworks when investigating the past Yet transnational approaches remain rare in Irish historical scholarship This book argues that the broader contexts and scales associated with transnational history are ideally suited to open up new questions on many themes of critical importance to

Ireland's past and present They also provide an important means of challenging ideas of Irish exceptionalism The chapters included here open up new perspectives on central debates and events in Irish history They illuminate numerous transnational lives follow flows and ties across Irish borders and trace networks and links with Europe North America the Caribbean Australia and the British Empire This book provides specialists and students with examples of different concepts and ways of doing transnational history Non specialists will be interested in the new perspectives offered here on a rich variety of topics particularly the two major events in modern Irish history the Great Irish Famine and the 1916 Rising

A History of Aboriginal Art in the Art Gallery of New South Wales

Vanessa Russ, 2021-06-24 In this highly original study Vanessa Russ examines the gradual invention of Aboriginal art within the Art Gallery of New South Wales This process occurred as the social histories of Australia expanded and recognised Aboriginal people through wars and political shifts and as international organisations began placing pressure on nation states to expand diversify and respect multicultural perspectives This book explores a state art institution as a case study to consider these complex narratives through a single history of Aboriginal art from early colonisation until today The book will be of interest to scholars working in art history museum studies and Indigenous studies
