Redrawing Local Government Boundaries An International Study Of Politics Procedures And Decisions:

Redrawing Local Government Boundaries John Meligrana, 2004 Local governments today are under extreme pressure to undertake boundary reform The global trend toward urbanization has brought with it economic environmental social and regional demands that have severe implications for local governments and their territories As a result changing the areal jurisdiction of this most basic level of government has become a persistent and pressing challenge around the globe This collection examines the legal and regulatory procedures involved in such municipal restructuring Case studies from eight nations the United States Canada Spain Germany Israel Korea China and South Africa investigate how and why local governments have been enlarged in scope and reduced in number within each country Four key aspects are examined the geography of the local government boundary problem the procedures associated with boundary reform the roles of institutions and actors in boundary reform and the implications for urban and regional governance *Redrawing Local Government Boundaries* offers a broad theoretical understanding of local government boundary reform and informs the wider scholarly discussion about institutional change state structures and the areal jurisdiction of local governments The first international comparative study of local boundary reform it will be a valuable reference for scholars and students of political science public administration geography urban studies and urban planning

Local Government Reform Brian Dollery, Joseph Garcea, Edward C. LeSage, 2008-01-01 Written by an impressive array of experts this book surveys local government reforms in six advanced democracies federal and unitary which share a municipal legacy Australia Canada Ireland New Zealand the UK and the US The book has an excellent bibliography and will help open up a field heretofore noted for its insularity Recommended A J Ward Choice

Municipal Boundary Battles Sandeep Agrawal, 2024-07-19 *Municipal Boundary Battles* explores the motivations land use effects and financial implications of municipal boundary adjustments across Canada focusing mainly on annexations and amalgamations the most frequent means to adjust boundaries and reform local governments in this country With a focus on mid size cities and small towns rather than major Canadian metropolitan areas the authors uncover hidden motivations untangle behind the scenes political machinations and document the resulting conflict Through empirical evidence case studies and examples the collection helps develop generalizations and inform best practices for municipal boundary adjustments and reform The contributors explain how the esoteric aspects of adjustments work in more practical applications offering political scientists geographers municipal officials and planning practitioners fresh perspectives that contradict much of the prevailing understanding of boundary adjustments Contributors Sandeep Agrawal Cody Gretzinger John Heseltine John Meligrana Jordan Rea Amrita Singh Jon Taylor Zack Taylor Afterword by Andrew Sancton

Local Government Reforms in Countries in Transition Frederick A. Lazin, Matt Evans, Vincent Hoffmann-Martinot, 2008-05-01 *Local Government Reforms in Countries in Transition* explores the impacts that the end of the Cold War and increased globalization have had on government around the world The

decentralization of national governments has led to a greater role for local governments public administration and democratic representation are the new arena of local governments the world over Focusing not only on countries from the former Soviet Union but also on Israel China South Africa and Egypt the contributors to this volume present a truly global investigation of countries experiencing governmental transformation

Constitutional Law, Democracy and Development Douglas Karekoma Singiza, 2019-02-21 Uganda like many African countries in the 1990s adopted decentralisation as a state reform measure after many years of civil strife and political conflicts by transferring powers and functions to district councils The decision to transfer powers and functions to district councils was in the main linked to the quest for democracy and development within the broader context of the nation state This book's broader aim is to examine whether the legal and policy framework of decentralisation produces a system of governance that better serves the greater objectives of local democracy local development and accommodation of ethnicity Specifically the book pursues one main aim to examine whether indeed the existing legal framework ensures the smooth devolution process that is needed for decentralised governance to succeed In so doing the book seeks overall to offer lessons that are critically important not only for Uganda but any other developing nation that has adopted decentralisation as a state restructuring strategy The book uses a desk top research method by reviewing Uganda's decentralisation legal and policy frameworks

Metropolitan Governance Hubert Heinelt, Eran Razin, Karsten Zimmermann, 2011-05-09 As urban areas have grown and sprawl has spread in recent decades metropolitan governments around the world have begun to look beyond city borders establishing regional partnerships to help them deal with issues of transit resource use and more Metropolitan Governance examines this trend through a close comparative study of seven metropolitan areas in Israel and Germany While not neglecting the reasons behind these changes in governance the authors pay particular attention to their effects on and diminishing of democratic participation and accountability

Local Government in Europe Marta Lackowska, Katarzyna Szmigiel-Rawska, Filipe Teles, 2021-09-08 Drawing on classical and emerging research perspectives this comprehensive book provides an up to date review of local government in Europe Featuring an impressive range of contributors from both eastern and western Europe the book addresses three main topics territorial reforms democratic empowerment of citizens and the role of local leadership as well as new trends in local finances Acknowledging their inherent diversity the book examines the ways that local governments have responded to shared challenges such as climate change increasing populism and democratic deficit in order to identify both the variety and communalities between the country specific features In doing so it provides a rich picture of the latest trends in local government as well as pointing the way for future developments

Steps to Local Government Reform Allyn O. Lockner, 2013-03-29 Does the performance of your local government leave something to be desired Maybe you're not satisfied with the services your government provides or maybe the cost for these services is far too much If so take heart you can do something about it Steps to Local Government Reform is your step by step guide to

undertaking reform on the local level Public manager Allyn O Lockner combines years of experience in the public sector to show how you as a resident or an elected local official can work with others to successfully implement change within your community Lockner explains how to make numerous choices regarding the preparation for and the study planning marketing approval implementation and evaluation of reforms He also shows you how to share these reform results with others Using various criteria comparisons practices analyses and other studies aimed at local government performance Lockner delves into the sometimes tricky world of enacting reform He reveals how local government works and provides a map for maneuvering around bureaucratic roadblocks In addition he includes a comprehensive bibliography for research an appendix of terms commonly used in the reform process and guides to creating reform models that are likely to work With this compendium you can help resolve vital issues improve your community and live a better life

Democracy and Delivery Udesch Pillay, Richard Tomlinson, Jacques Du Toit, 2006 Democracy and Delivery Urban Policy in South Africa tells the story of urban policy and its formulation in South Africa As such it provides an important resource for present and future urban policy processes In a series of essays written by leading academics and practitioners Democracy and Delivery documents and assesses the formulation evolution and implementation of urban policy in South Africa during the first ten years of democracy The contributors describe the creation of democratic local governments from the time of the 1976 Soweto uprising and the intense township struggles of the 1980s the formulation of developmental planning and financial frameworks and the delivery of housing and services by the new democratic order They examine the policy formulation processes and what underlay these debate the role of research and the influence of international development agencies and assess successes and failures in policy implementation Looking to the future the contributors make suggestions based on experience with implementation and changing political priorities Academics students policy makers and government officials as well as an informed public will find this book an enlightening read

Local Government in Central and Eastern Europe Andrew Coulson, Adrian Campbell, 2007-08-02 Advocates of democratization in Central and Eastern Europe before 1989 placed great emphasis on community self government as the basis of civil society and democracy After the Velvet Revolutions of 1989 and the break up of the Soviet Union in 1991 the new states created an elected local government whereby cities towns and villages elected the

Measuring the Effectiveness of Regional Governing Systems David K. Hamilton, 2012-10-23 Regional governance is a topical public policy issue and is receiving increased attention from scholars government officials and civic leaders As countries continue to urbanize and centralize economic functions and population in metropolitan regions the traditional governing system is not equipped to handle policy issues that spill over local government boundaries Governments have utilized four basic approaches to address the regional governing problem consolidating governments adding a regional tier creating regional special districts and functional cooperative approaches The first two are structural approaches that require major radical changes to the governing system The latter two are governance approaches that contemplate marginal changes

to the existing governance structure and rely generally on cooperation with other governments and collaboration with the nongovernmental sector Canada and the United States have experimented with these basic forms of regional governance This book is a systematic analysis of these basic forms as they have been experienced by North American cities Utilizing cases from Canada and the United States the book provides an in depth analysis of the pros and cons of each approach to regional governance This research provides an additional perspective on Canadian and U S regional governance and adds to the knowledge of Canadian and United States governing systems This study contributes to the literature on the various approaches to regional governance as well as bringing together the most current literature on regional governance The author develops a framework of the values that a regional governing system should provide and measures to assess how well each basic approach achieves these values Based on this assessment he suggests an approach to regional governance for North American metropolitan areas that best achieves these values

A Research Agenda for Regional and Local Government Mark Callanan, John Loughlin, 2021-05-28 This insightful Research Agenda takes a thematic approach to analysing reform in regional and local government exploring central concepts such as devolution Europeanisation and globalisation Expert contributors address key trends in structural change and reorganisation subnational autonomy and decentralisation metropolitan governance and multi level governance

Comparative Studies and Regionally-Focused Cases Examining Local Governments Sadioglu, Ugur, Dede, Kadir, 2016-06-20 In the era of globalization comparative government and politics have come to the forefront due to the transformations of the social welfare state and the subsequent social economic political cultural technological and administrative changes Taking a particular look at local government systems can uncover new perspectives on issues related to globalization localization governance new democracy movements managerial reformation and privatization Comparative Studies and Regionally Focused Cases Examining Local Governments is a pivotal reference source for the latest scholarly research on the role played by local governments in overall administration types and models of government at the local level consequences of managerial reformations and new developments regarding structure process personnel and policymaking aspects of government Highlighting relevant perspectives from comparative research and case studies this book is ideally designed for students government officials politicians civil society representatives and academicians

The Second Tier of Local Government in Europe Hubert Heinelt, Xavier Bertrana, 2012-03-29 This book takes a comparative approach to local government across 14 European countries looking at processes of decentralisation regionalisation and reforms of local government Examining second levels of government such as UK Counties French D partements Italian and Spanish Provinces and German Landkreise this book reveals both the specific characteristics of particular countries and also similarities across Europe As the first book focussing on the second level of local governments this monograph combines comparative analysis of institutional trends and reforms of local government with examination of country specific features to provide an original and insightful evaluation of European

governance Organised along common thematic lines leading experts in their field outline the historical development of local government and analyse recent or current reform debates The book argues democratic quality and effectiveness of this territorial level of government is in the focus of on going debates about the rescaling of statehood and a shift from government to governance The Second Tier of Local Government in Europe will be of interest to students and scholars studying local government public administration and multi level governance

Constitutional Principles of Local Self-Government in Europe Giovanni Boggero,2017-09-25 In Constitutional Principles of Local Self Government in Europe Giovanni Boggero offers a meticulous account of the defining features of European constitutional local government law using both an international and comparative law perspective The book argues that differences between local government systems in Europe typical examples of internal affairs of a State can be smoothed away by construing a consistent system of constitutional principles to be coherently applied at domestic level across the whole European legal space This system can be best grasped by looking at the European Charter of Local Self Government which embodies a concept of self government rooted in common legal traditions and at its subsequent practice within the Council of Europe

Connections Jean Hillier,Jonathan Metzger,2017-05-15 The professional practice as well as the academic discipline of planning has been fundamentally re invented all over the world in recent decades In this astonishing transition the thinking and scholarship of Patsy Healey appears as a constantly recurring influence and inspiration around the globe The purpose of this book is to present discuss and celebrate Healey s seminal contributions to the development of the theory and practice of spatial planning The volume contains a selection of 13 less readily available but nevertheless key texts by Healey which have been selected to represent the trajectory of Patsy s work across the several decades of her research career 12 original chapters by a wide range of invited contributors take the ideas in the reprinted papers as points of departure for their own work tracing out their continuing relevance for contemporary and future directions in planning scholarship In doing so these chapters tease out the themes and interests in Healey s work which are still highly relevant to the planning project The title Connections symbolises relationality possibly the most outstanding element linking Patsy s ideas The book showcases the wide international influence of Patsy s work and celebrates the whole trajectory of work to show how many of her ideas on for instance the role of theory in planning processes of change networking as a mode of governance how ideas spread and ways of thinking planning democratically were ahead of their time and are still of importance

Planning Across Borders in a Climate of Change Wendy Steele,Tooran Alizadeh,Leila Eslami-Andargoli,Silvia Serrao-Neumann,2020-03-25 The fixity or mobility of borders are key themes within the border studies literature and have useful critical application to urban and environmental planning through theory pedagogy and practice This offers potential for transformative change through the processes of re bordering and re orienting established boundary demarcations in ways that support and promote sustainability in a climate of change Planning Across Borders in a Climate of Change draws on a range of diverse case studies

from Australasia North and South America Europe Africa the Middle East and Asia and offers the application of border theory concepts and principles to planning as a critical lens It applies this lens to a range of international case studies in key areas such as climate change adaptation food security spatial planning critical infrastructure and urban ecology This collection fills an important gap in the border studies literature bringing climate change considerations to bear on planning It should be of interest to students scholars and professionals in the field of urban and environmental planning climate change adaptation border studies urban studies human and political geography environmental studies and development Cities, State and Globalisation Tassilo Herrschel, 2014-01-03 This book investigates the ways in which city regions view themselves as single entities how they are governed what is meant by governance why the question of city regional governance matters and the extent to which the balance between internal and external factors is important for finding governance solutions Examples from North America and Europe are compared and contrasted to gain a better understanding of what matters on the ground to people and policy makers when seeking answers to the challenges of a globalised rapidly changing world In order to analyse the conditions involved in making local decisions the author looks at the impact of established policy making practices socio economic patterns among the population existing views of the local and the regional and their respective roles among the electorate and policy makers and the scope for building city regional governance under given statutory and fiscal provisions The complex interaction of these factors is shown to produce place specific forms and modi operandi for governing city regions as local regional constructs This book will be of interest to urban and regional policy makers and scholars working in the fields of economic geography and political geography **Metropolitan Governing** Eran Razin, Patrick J. Smith, Universitah ha-'Ivrit bi-Yerushalayim. Halbert Centre for Canadian Studies, Israel Association for Canadian Studies, 2006-12-04 Metropolitan reforms have been implemented in Canada at a scale and frequency greater than anywhere else in the democratic world The cross national case studies provide a perspective on the role of different political systems and political cultures in determining the metropolitan governance agenda and the reforms undertaken revealing considerable similarities in the agenda and diversity in responses Territorial Choice H. Baldersheim, L. Rose, 2010-07-07 This book presents the experiences of eleven European countries in the field of territorial reforms Based on case studies that outline the basic features of the politics of territorial choice in the respective countries the focus is on national policies politics and cleavages the strategies employed and the outcomes of the reforms

The Engaging Realm of E-book Books: A Thorough Guide Unveiling the Pros of E-book Books: A Realm of Ease and Versatility

Redrawing Local Government Boundaries An International Study Of Politics Procedures And Decisions

Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Redrawing Local Government Boundaries An International Study Of Politics

Procedures And Decisions free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Redrawing Local Government Boundaries An International Study Of Politics Procedures And Decisions free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Redrawing Local Government Boundaries An International Study Of Politics Procedures And Decisions free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Redrawing Local Government Boundaries An International Study Of Politics Procedures And Decisions. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Redrawing Local Government Boundaries An International Study Of Politics Procedures And Decisions any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Redrawing Local Government Boundaries An International Study Of Politics Procedures And Decisions Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading

preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
