Prejudice, Stigma, Privilege, and Oppression Lorraine T. Benuto, Melanie P. Duckworth, Akihiko Masuda, William O'Donohue, 2020-05-11 This book addresses the ways in which clinical psychologists ought to conceptualize and respond to the prejudice and oppression that their clients experience Thus the link between prejudice and oppression to psychopathology is explored Basic scientific information about prejudice is reviewed and the current status of the major minority groups is explored Chapters examine the role of prejudice and oppression in institutional structures such as the Diagnostic and Statistical Manual of Mental Disorders and professional organizations The discussion addresses ways to assess these phenomena in individual cases and how to intervene in psychotherapy The book ventures to evaluate the status of the profession of psychology with respect to prejudice stigmatization and oppression by critically examining evidence that the profession has responded adequately to these social problems These issues are hard to talk about and are not well talked about in the field This book is a push in the right direction

The Cambridge Handbook of

Applied School Psychology Frank C. Worrell, Tammy L. Hughes, Dante D. Dixon, 2020-09-17 Practice books are often simple how to lists or straightforward recipes and the practitioner still does not know why the activity is related to the outcome they seek. In essence they lose how the specifics of the practice are related to the theory of change or the theory of how the problem developed in the first place. This leads to practitioners potentially removing crucial elements of best practice procedures when making modifications to tackle new or different problems in an unfamiliar context. By understanding the theoretical underpinnings practitioners can better plan for adjustments because they know how the outcomes they seek are informed by the theory. Engagingly written and perfect for day to day use this book translates state of the art research and interdisciplinary theory into practical recommendations for those working with children and adolescents.
