Reflection On Vietnam

Jenny La Sala; Jim Markson

Reflection On Vietnam:

Reflections on the Vietnam War United States. Dept. of the Army. Center of Military History, 1979 The American Experience in Vietnam The Editors of Boston Publishing Company, 2014-11-07 The updated commemorative volume to the groundbreaking Pulitzer Prize nominated collection from Boston Publishing The American Experience in Vietnam combines the best serious historical writing about the Vietnam War with new never before published photos and perspectives for the fiftieth anniversary of the conflict *A Vietnam Experience* James B. Stockdale, 2013-09-01 The decade that followed James Stockdale's seven and a half years in a North Vietnamese prison saw his life take a number of different turns from a stay in a navy hospital in San Diego to president of a civilian college to his appointment as a senior research fellow at the Hoover Institution In this collection of essays he offers his thoughts on his imprisonment Describing the horrors of his treatment as a prisoner of war Stockdale tells how he discovered firsthand the capabilities and limitations of the human spirit in such a situation As the senior officer in confinement he had what he humbly describes as the easiest leadership job in the world to maintain the organization resistance and spirit of ten of the finest men I have ever known His reflections on his wartime prison experience and the reasons for his survival form the basis of the writings reprinted here In subject matter ranging from methods of communication in prison to military ethics to the principles of leadership the thirty four selections contained in this volume are a unique record of what Stockdale calls a melting experience a pressure packed existence that forces one to grow Retired Vice Admiral James B Stockdale a Hoover Institution fellow from 1981 to 1996 was Ross Perot's 1992 presidential running mate and a recipient of the Medal of Honor after enduring seven and a half years as a prisoner of war in North Vietnam He died in 2005 at the age of 81 **Reflections on Vietnam** R. G. Clarke, 2021-03-27 The war in Vietnam impacted more than just the lives of those who were there it toppled governments forced changes to national policy and forever altered lives But what of those who were there Reflections on Vietnam lays bare the real life experiences of some of those who were there giving insight to the effect of those experiences on those who lived through it **Triumph or Tragedy: Reflections on Vietnam** Richard N. Goodwin, 1966 **Vietnam & Beyond** Jenny La Sala; Jim Markson, 2014-09-22 Vietnam and Beyond is a collection of wartime letters written home by Jim Markson from March 1967 to March 1968 Jim carried sadness and boxed up memories from Vietnam Perhaps if it were not for the general divided and oppositional public opinion of the Vietnam War at that time the soldiers returning home might have been able to open up and begin the healing process Instead those soldiers returning from Vietnam were afraid to tell their story These fears bound each soldier to the other We are very proud to embrace all veterans and include stories of veterans of all wars including WWII Korea Vietnam Iraq and Afghanistan to show the similarities of war and the soldier from one generation to another **Triumph or tragedy: reflection on Vietnam** Richard N. Goodwin, **Reflections on the Vietnam War** Warren Hunt, 2017-12-08 An important contribution to the literature on the war Gary R Hess Emeritus Distinguished Research

Professor Bowling Green State University Author Vietnam Explaining America's Lost War In his Reflections on the Vietnam War A Fifty Year Journey Warren E Hunt chronicles his long struggle to come to grips with the meaning of the Vietnam War and how it affected him before during and after his tour in Vietnam with the U S First Infantry Division Using a stylistic mix of personal anecdote historical reflection and essay the author weaves his experience of the war into a broad context encompassing the course of his life Starting out as a naive and patriotic teenager drafted at age 19 he traces his path through military training his impressions of Vietnam and its people the absurdity of daily basecamp life and the crucible of enemy fire Returning to a nation torn apart by the war he soon realizes that even though he is no longer in the army he cannot escape the war's insane grasp Catastrophic events in Vietnam and on the home front along with the dawning awareness of suicides among his fellow veterans prompt him to seek answers to the questions that haunt his daily life Why did America go to war in Vietnam How could we lose Why did so many people have to suffer in vain His quest leads him to the unveiling of the Vietnam Veterans Memorial in Washington D C where painful memories and powerful emotions merge to initiate a healing process for the author his fellow veterans and the country at large

Reflections on the Vietnam War Cao Van Vien, 1980

Why Vietnam Margaret Colbert Brown, 2025-03-30 Explores the complex reasons behind the USA's involvement in Vietnam analyzing political social and military factors The reasons behind the USA's involvement in Vietnam remain a subject of extensive debate Initially America supported the French until their defeat at Dien Bien Phu which then shifted to backing the South Vietnamese government due to fears of communism spreading throughout Southeast Asia Why Vietnam delves into the myriad reasons for US involvement examining theories that date back to 1918 when Woodrow Wilson ignored Ho Chi Minh's plea for independence at the Treaty of Versailles through to Johnson's full commitment to the undeclared war which restrained the military to a defensive role in protecting South Vietnam instead of an offensive one that would send troops across the DMZ into Laos and Cambodia The questions of why the USA became involved whether their involvement was justified and if the war was ever winnable have been fiercely debated for over 50 years This book seeks to address these whys by providing a thorough examination of all contributing factors from presidential actions to foreign policy and the social and political climates of the war era

After the Storm Paul Drew, 1999 Paul Drew could never have predicted the impact that combat and the underlying mood of the nation would have on him and his fellow soldiers The social stigma still stings for most Vietnam vets who were thought of as drug addicted baby killing drones behind a war that was an embarrassing mistake and a failure This is not a combat diary but honest observations about a generation those responsible for the conduct of the war and the events that laid the groundwork for the state of the nation today a nation that still has yet to learn to hate war but respect its warriors

A Reflection on Vietnam 1966 Max Bilinski, 2015-06-01

Veterans & Reflections Of Vietnam War Emmett Akles, 2021-10-22 This book relates poignant recollections from the author's American military service in Vietnam Written in easily understandable verse are 80 emotionally moving pages of 42 separate short

reflections His descriptive verses allow us to picture the people the terrain the conditions and the politics of that time This book is written in honor of all those who served and whose lives were affected by the Vietnam War as well as those who lead the fight to create the Vietnam Memorial and to ensure that their sacrifices will never be forgotten The book a story told in verse by a then young Navy Journalist reminds us all of the unforgettable expansive granite monument saluting each of more than 58 000 brave Americans who died in a far off place 58 000 of our finest who died honoring America s commitment to protect and preserve God s gift of freedom

The Real Lessons of the Vietnam War John Norton Moore, Robert F. Turner, 2002 Twenty five years after the fall of Saigon two prominent scholars Moore and Turner who debated in the 1960s assembled a distinguished group of Vietnam experts at the University of Virginia to reexamine the conflict and search for its real lessons This resulting volume includes contributions by senior diplomats retired military officers experts on Vietnamese Communism and senior scholars of history political science and law Given the diversity of the participants the general consensus that emerges will surprise and enlighten many readers The book corrects various myths that continue to influence American thinking about Vietnam The idea that the U S military and CIA were intentionally engaged in war crimes such as the assassination of political opponents of the South Vietnamese government in the Phoenix Program is laid to rest and military legal experts address the tragic realities of My Lai and measures taken to prevent reoccurrence It is popular today to say that Vietnam could not have been won The message emerging from this new study on the contrary is that despite some horrible blunders and incompetent political leadership at the highest levels by 1973 the war had essentially been won Partisan politics and mutual mistrust in Washington kept that message from reaching the right people and a misunderstanding of public opinion prompted Congress to outlaw further U S military involvement essentially snatching defeat from the jaws of victory

The Real Lessons of the Vietnam War Reflections Twenty Five Years After the Fall of Saigon edited by John Norton Moore and Robert F Turner has a number of fine chapters The chapter Internationalist Outlook of Vietnamese Communism by Stephen J Morris is excellent The chapter Legal Issues in the U S Commitment to Vietnam A Debate by John Norton Moore is also well worth reading Dr Turner provides an excellent chapter dealing with how we turned victory into defeat Dr Gregory H Stanton is the Director of Genocide Watch and has written a staggeringly powerful chapter that should be assigned reading for all students of American history and foreign policy members of the press and those serving in both the Congress and the executive branch of government

Vietnam Journal Reflections and Personal Memories Roger Vanover, 2018-02-14 A SOLDIER S JOURNEY TO A LAND OF WAR AND THEN A TIME OF HEALING AND REFLECTION

Vietnam Reflexes and Reflections Anthony F. Janson, National Vietnam Veterans Art Museum, 1998-10 The long overlooked art of Vietnam War veterans offers a unique perspective on a momentous event in American history Nearly 200 works in a wide ranges of mediums are highlighted from the extraordinary collection at the National Vietnam Veterans Art Museum in Chicago 307 illustrations 123 in color

The

Vietnam War Experience Paul M Ryan,2020-09-09 The intent of this book is first to provide insights into the Vietnam war and second to express the effects of that war on both the veteran and society Serving in a war zone necessarily affects the psyche sometimes producing symptoms of mental illness It also affects the veteran morally emotionally and too often physically The stories are meant to elucidate the psychological and other effects that war inflicts Often an affected veteran may not realize psychiatric symptoms or their cause Veterans who read this work will recall their military service and also gain some insight into symptoms that they may have experienced or continue to experience as a result of their service The stories are a mix of fact and fiction Some stories are based on the author s experience in Vietnam and on his experience in representing disabled veterans and others with claims for disability benefits Some stories or parts of stories are based on reports of fellow soldiers or on impressions of what likely occurred the product of fact and the author s imagination The poems were written during time served in Vietnam They reflect thoughts that most GIs had at one time or another Hopefully this book will help veterans cope with illnesses and disabilities that were occasioned by their time in the military It is hoped that society will learn how to relate with courtesy and respect to those who now serve or have served our nation in its various wars

Perfume Dreams Andrew Lam,2019-05-03 Much will be made and rightly so of the eloquent commentary Lam s essays provide on Vietnam and the Vietnamese a fascinating and important book Robert Olen Butler Pulitzer Prize winning author A PEN American Beyond Margins Award winner In his long overdue first collection of essays noted journalist and NPR commentator Andrew Lam explores his lifelong struggle for identity as a Viet Kieu or a Vietnamese national living abroad At age eleven Lam the son of a South Vietnamese general came to California on the eve of the fall of Saigon to communist forces He traded his Vietnamese name for a more American one and immersed himself in the allure of the American dream something not clearly defined for him or his family Reflecting on the meanings of the Vietnam War to the Vietnamese people themselves particularly to those in exile Lam picks with searing honesty at the roots of his doubleness and his parents longing for a homeland that no longer exists Lam shatters the assumptions of readers who have encountered the Vietnam experience only through American pop culture He writes with the delicacy and intensity of a poet Los Angeles Times Book Review Andrew Lam writes with the honesty of a true journalist and the feeling of a born storyteller On his many journeys between Vietnam and the U S he sees first hand the global consequences of war Perfume Dreams is a meaningful book for our times Maxine Hong Kingston national bestselling author of The Woman Warrior Lam s insights into Asian American life are reflected in candid witty anecdotes that reveal much about the difficulties of living in two cultures Audrey Magazine

More Than a Memory Victor R. Volkman,2008-01-01 Featuring the work of 15 Viet Nam War veteran writers this anthology of poems stories and essays looks through the lens of past and present perspectives and defines how modern warfare affects the lives of those who lived it and their families

Reflections of a Warrior Elwood J.C. Kureth,2007-11-01 Reflections of a Warrior is a Medal of Honor winner s true story a Green Beret s six deadly years in the killing fields of

Vietnam PFC Franklin Miller arrived in Vietnam in March 1966 and saw his first combat in a Reconnaissance Platoon. So began an odyssey that would make him into one of the most feared and respected men in the Special Forces elite who made their own rules in the chaos of war. In the exclusive world of the Military Assistance Command Vietnam Studies and Observation Group, Miller ran missions deep into enemy territory to gather intelligence, snatch prisoners, and to kill. Leading small bands of battle-hardened Montagnard and Meo tribesmen, he was fierce and fearless, fighting army policy to stay in combat for six tours. On a top secret mission in 1970, Miller and a handful of men all critically injured held off the NVA in an incredible Alamo-like stand for which he was awarded the Congressional Medal of Honor. When his time in Southeast Asia ended, he had also received the Silver Star, two Bronze Stars, an Air Medal, and six Purple Hearts. This is his incredible story.
