M. Bernstein,2015-09-14 Torture and rape are only rarely considered by moral philosophers because they are so indisputably morally atrocious acts and because their specific mode of suffering cannot be accounted for by reigning moral theories By making them pivotal to the understanding of morality in general however Jay Bernstein s intention is to throw into question the dominant schools of modern moral philosophy and to attempt to restructure moral experience and understanding on the basis of the formations of suffering they make salient Morals Bernstein argues emerge from the experience of moral injury from the sufferings of the victims of moral harm For us moderns morality at its most urgent and insistent is finally a victim morality This can sound hyperbolic but since all of us are potential victims it turns out that this perspective is readily available and intrinsic to ordinary ethical experience One of Bernstein s pivotal arguments is that trust is a form of mutual recognition that trust is the ethical substance of everyday life and that understood aright trust is structured from the perspective of a potential victim of harm rather than from the perspective of a deliberating agent This book promises to be a major contribution to moral philosophy The Trouble with Trauma JSR,2025-07-08 It s September 11th 2001 A gorgeous day in Manhattan FBI Agent Rebecca Taylor s grateful to be in the field today she s had it rough Long ago she fumbled a kidnapping case she s been stuck behind a desk ever since But yesterday another child went missing Witnesses spotted something a connection to that same botched job Becca is tasked to track down this ghost from her past facing her fears and anxiety in the scariest place imaginable This is her chance to prove she s still the best in the Big Apple So why is she so afraid Perhaps it s the way he murdered his victims Get going Becca It s a little after eight and it s a big place to search you wouldn t want to get trapped in there Not with a serial killer on the loose **Jymmy's Space Cowboy** James Earle,2021-12-02 The far flung imperial frontier is no place for greenhorns Two Toes the renegade Tigerillian war chief is off the reservation and slaughtering human settlers west of the Bloody Muddy Only a half grown boy with a heart full of
