**Awaken the Inner Shaman** José Luis Stevens, Ph.D., 2014-03-01 Within you is a greater wiser self that is not bound by your fears worries or perceived limitations Dr Jos Luis Stevens calls this the Inner Shaman the part of you that connects directly to the true source of the universe The shamans of every tradition know that the physical world we can see and touch is a mere shadow of the true spirit world writes Dr Stevens With *Awaken the Inner Shaman* he presents a direct and practical guide for opening our eyes to the greater wisdom and knowing within and stepping into the power and responsibility we possess to shape and serve our world In this rousing and provocative book he invites readers to discover What is the Inner Shaman How an understanding of our deeper spiritual potential shows up in every mystical and scientific tradition Seeing through the heart why the heart offers us the most immediate path for accessing the Inner Shaman Illuminating the Inner Shaman through spirituality quantum physics medical science and experiential knowing The Inner Shaman in action how to stop living from the egoic mind and put your true essence in charge Eight tools to strengthen your connection to the Inner Shaman and much more Humanity has become enthralled by the Siren s song of technological progress which has lured us away from the spiritual source that truly sustains us In *Awaken the Inner Shaman* Dr Jos Stevens challenges us to reclaim our lost power to heal see truly and fulfill our purpose in life As Dr Stevens writes The Inner Shaman suppressed and ignored for centuries can be discovered in the most obvious place possible within your own heart *Reflections* Peter James

Ford, 2024-03-27 Peter James Ford *The Unlikely Messenger* is a unique individual with a broad understanding of life from having lived life from many lifestyles Peter experienced the good the bad the ugly and then an awakening and redemption His younger years found him struggling with alcoholism and the drugs of the sixties with having learning disabilities including attention deficit disorder and growing up in a violent environment Peter turned to physical training and motorcycles and found much satisfaction in both At an early age Peter crawled into the 12 step recovery program a broken man This was the beginning of Peter s spiritual journey Over the years Peter attained the promises of the program and began living a great life Many years later Peter was initiated into a yogic path that had begun thousands of years ago by an ancient lineage of Masters Peter did not realize that his profound spiritual experience at that time was actually a powerful Kundalini Awakening within him Shortly after his awakening these mystic tales of past lives and powerful wisdom truths began flowing Peter has just completed his seventh book about his life adventures and spiritual journey Peter hopes people find something useful in his writings or at least that they will bring a smile to your face when thinking about Peter this *Unlikely Messenger*

*Don't Bug Me; I'm Reading* Bill York,2012-05 My cathedral is in an isolated wilderness away from contemporary blight After several years of marriage my wife describes me as odd I prefer eccentric She calls me a cheapskate I am frugal I also choose to be different we put way too much emphasis on the words Hall of Fame legend glamour champion celebrity and famous I may admire but never idolize Heroes aren't on golf courses nor in stadiums but in the uniforms of our firefighters military and police officers There are no idols in my life Stars are to be revered only in the night sky not in Hollywood Rather than sit in a night club involved in inane conversations I would rather see hummingbirds performing aerobatics canoe a rogue river watch a moose cavorting with her calf in a turbulent stream see the Aurora Borealis fire streamers of color across a darkening sky study undulating lines of snow geese buffeted by lofty winds honking their way to their mysterious destinations There are yet unseen wonders in nature My adventurous nature was established when I lived for a month on a Chipewyan reservation in Manitoba hunting seal and bear from a dog sled using harpoons and bow and arrows living the way of their ancestors Frogs in a well have a limited view of the limitless sky Beyond every horizon there is a horizon I have canoed the Mackenzie River in Canada's Northwest Territory the Churchill in Manitoba Fraser River in British Columbia the Deschutes in Oregon and the Wolverine in Nunavut I lust to explore each wilderness on earth where overpopulation has not contaminated the environment Time away from the fallacies of civilization is regenerative

*How the Great Spirit Shaped My Life* Tommy S W Wong,2022-10-14 In spirituality there is a theory that a Great Spirit hovers around us It sees what we are doing It guides us and protects us It also creates opportunities for us to meet the right people and participate in the right events so that we grow spiritually Is this theory true I don't know I'm an ordinary human being without any spiritual power

However by looking at the events that happened in my present incarnation for the past 70 years I believe that there were many occasions in which the Great Spirit was active in my life In this book in nine chapters I share the people and events which I believe the Great Spirit has used to shape my life and moved me in directions which I had never dreamt of The chapters are 1 On my parents 2 On my studies 3 On my working life as an engineer and on my wife 4 On my working life as an academic 5 On my sporting achievements 6 On my working life as an editor and a consultant 7 On my working life as an author and a speaker 8 On my life mission and other life stories and 9 On the Great Spirit After living this life for seven decades and believing that it has been shaped by the Great Spirit I like to say that it s been a truly blessed life a life that is filled with meaning and fulfilment I hope this sharing enables you to be more aware of the Great Spirit in your life and you too will see your life as blessed meaningful and fulfilling May the Great Spirit be with you     The Spiritual Legacy of the American Indian Joseph Epes Brown,2007-02-22 This book offers fascinating insights into the world of the pre reservation Indians It is a collection of classic essays that examines the universal characteristics of American Indian culture and tradition This new edition also offers a personal view of Dr Brown s life and research through his private correspondence from his time on the reservation and sheds insights into his relationship with old time Indian leaders including the legendary Sioux Medicine Man Black Elk     The Ancient Religion of the Delaware Indians and Observations and Reflections Richard Calmit Adams,1904     *Path of the Sacred Pipe* Jay Cleve,2012-11-27 In these days of global crisis thoughtful seekers increasingly turn to Native Americans for healing wisdom The Sacred Pipe is the medicine says Jay Cleve in this informative and practical guide to a key practice of Native American spirituality The Hopi and other ancient cultures predicted our present age as one of transition into a New World The galactic alignment ending the Mayan calendar on December 21 2012 occurs only every 26 000 years and is thought to be a critical time for raising consciousness to align with the radical expansion of Earth energies Cleve shows how the Pipe can facilitate transformation on both the personal and planetary levels He explains its use in rituals such as the sweat lodge the vision quest and the sun dance and in relation to the Medicine Wheel He also provides practical information on obtaining and caring for a Pipe and on preparing for and performing the Pipe ceremony     *Beyond Ayahuasca* Roman Hanis,2025-05-13 Traditional Ando Amazonian medicine man takes readers through the three main pillars of Amazonian indigenous teachings and through a deeper place of transformation and healing with insights and step by step guidance Beyond Ayahuasca empowers readers to transform their very relationship to themselves and the entire universe through a series of tools and practices questions for self inquiry and guided contemplation reminders of the power to stay real and accountable throughout the innate spiritual journey and information about the evolutionary science of humanity This will aid in recognizing patterns in their life both beneficial and malefic as well as provide the awareness training tools to help transform one s life This book offers a unique guide to Ayahuasca ceremonial traditions allowing the reader to have a direct firsthand experience of going through a shamanic rite of passage and apprenticeship and realizing one s fullest potential to

live a life free of suffering For the past two decades I have incessantly studied and consulted with elders native guides ethnobotanists anthropologists and archaeologists of the Peruvian Amazon and the Andes The lessons revealed to me through these encounters and those discovered through personal practice have been pieced together thread by thread to recreate a spiritual discipline of a forgotten and highly advanced civilization Many elders I met referred to their ancestral wisdom as the evolutionary science of humanity At the heart of this book is the indigenous evolutionary science of what it means to be human Letters of Helena Roerich. 1935-1939. **Teaching Spirits** Joseph Epes Brown, 2010-03-12 Teaching Spirits offers a thematic approach to Native American religious traditions Through years of living with and learning about Native traditions across the continent Joseph Epes Brown learned firsthand of the great diversity of the North American Indian cultures Yet within this great multiplicity he also noticed certain common themes that resonate within many Native traditions These themes include a shared sense of time as cyclical rather than linear a belief that landscapes are inhabited by spirits a rich oral tradition visual arts that emphasize the process of creation a reciprocal relationship with the natural world and the rituals that tie these themes together Brown illustrates each of these themes with in depth explorations of specific native cultures including Lakota Navajo Apache Koyukon and Ojibwe Brown was one of the first scholars to recognize that Native religions rather than being relics of the past are vital traditions that tribal members shape and adapt to meet both timeless and contemporary needs Teaching Spirits reflects this view using examples from the present as well as the past For instance when writing about Plains rituals he describes not only building an impromptu sweat lodge in a Denver hotel room with Black Elk in the 1940s but also the struggles of present day Crow tribal members to balance Sun Dances and vision quests with nine to five jobs In this groundbreaking work Brown suggests that Native American traditions demonstrate how all components of a culture can be interconnected how the presence of the sacred can permeate all lifeways to such a degree that what we call religion is integrated into all of life s activities Throughout the book Brown draws on his extensive personal experience with Black Elk

who came to symbolize for many the richness of the imperiled native cultures This volume brings to life the themes that resonate at the heart of Native American religious traditions

**Living with Animals** Michael Pomedli,2014-02-24 Within nineteenth century Ojibwe Chippewa medicine societies and in communities at large animals are realities and symbols that demonstrate cultural principles of North American Ojibwe nations Living with Animals presents over 100 images from oral and written sources including birch bark scrolls rock art stories games and dreams in which animals appear as kindred beings spirit powers healers and protectors Michael Pomedli shows that the principles at play in these sources are not merely evidence of cultural values but also unique standards brought to treaty signings by Ojibwe leaders In addition these principles are norms against which North American treaty interpretations should be reframed The author provides an important foundation for ongoing treaty negotiations and for what contemporary Ojibwe cultural figures corroborate as ways of leading a good integrated life
