Reflections on the Gospel of John Johannes Lauten, 2022-03-24

The Gospel of John occupies a special place among the four Gospels. Not only is it precise in its historical details and its descriptions of the events of Jesus' life and work, lending support to its claim of being an eye witness account, but it also offers a deep insight into the person of Jesus Christ through his questions, statements, and other utterances. In this perceptive book, Christian Community priest Johannes Lauten reflects upon the many layers of meaning in John's Gospel. He explores some of the less well known figures surrounding Christ, examines recurring words and phrases such as the Son of Man and the seven I am statements, and illuminates themes like knowledge, faith, the workings of grace, and Christ's path to the Cross. Lauten also considers the origins of the gospel and questions the accepted notion that it was written by John the son of Zebedee and the brother of James. He suggests that the account of the raising of Lazarus, a story not recorded in the other gospels, holds the key to the true identity of the disciple whom Jesus loved. His thought-provoking book will be of interest to biblical scholars and those wishing to gain a deeper insight into the central meaning of Christianity.

The Challenge of the Gospel Joseph A. Slattery, 2004. The Gospels call us to pattern our lives after that of Jesus and by bringing God's love to the world to transform it into His Kingdom. The challenge of the Gospels is to resist the temptation to do evil and to employ all our energies in doing good, to take up our cross each day and follow Jesus. Each Sunday, one or another aspect of that challenge is placed before us in these brief reflections on the Gospels for Cycle A of the liturgical readings.

The Gospels Henry Augustus Boardman, 1855. [Journeying with Luke](#) James Woodward, Paula Gooder, Mark Pryce, 2015-09-11. Journeying with Luke is the first of four volumes that offer brief and accessible guides to the Gospels for learning and reflection. Following the Revised Common Lectionary, each chapter corresponds to a season of the liturgical year and the Gospel passages read during that season. The reader will find an introduction to the biblical text that looks at historical and literary themes, imaginative new ways to encounter the text in preaching and study, including poetry and reflections on the text's meaning for contemporary Christian life. Each chapter ends with an action item, questions for reflection, and a prayer. Perfect for sermon preparation, devotion, or group study, this resource will serve as an indispensable guide to the journey of encountering Jesus in the Gospel of Luke.

Reflections on the Gospels Vance Havner, 2004-01-01. Vance Havner's *Reflections on the Gospels* was rescued by Michael Catt from a collection of newspaper columns and compiled for the first time into book form. The result is a wonderful devotional volume that gives a unique insight into God's Word through the eyes of this great preacher.

Jesus, the Divine Physician Christoph Schönborn, Christoph von Schönborn, 2008. Cardinal Schönborn, the well-known Archbishop of Vienna, Austria, and renowned spiritual writer and teacher, presents this third book in his series of meditations on the Gospels, seeking to help the reader to have a deep personal encounter with Jesus Christ as seen in the Sacred Scriptures. His first two books focused on the Gospels of Matthew and Mark, and this new book covers Luke.

The Gospels of the Weekday Lectionary John F. Craghan, 2010-10-01 Seize the text John Craghan tells readers in his introduction to this volume Though he states the seemingly obvious it is imperative to read the biblical texts in order to begin to mine their depths his commentary on the gospels of the weekday Lectionary helps readers do just that Volumes have been written about the gospels of the Sunday Lectionary but there are few resources that give the weekday gospels their due Craghan fills that gap by drawing out the features of each evangelist and providing accessible commentaries and reflections for the gospels during the week Used as a guide for homilists or as a means for personal meditation on the readings these observations will help readers to seize the text to understand the gospels and their relevance for daily life

My Words Will Not Pass Away Martin Hogan, 2021-09-01

Heaven and earth will pass away but my words will not pass away Luke 21 33 At the weekday Eucharist we read from sections of all four gospels in the course of the liturgical year The reflections in this book are based predominantly on the gospel readings for the weekdays of the coming liturgical year 2021 22 with occasional references to the first reading They follow the sequence of the weeks of the calendar year beginning on the 29th November Monday of the first week of Advent In the course of the liturgical year the gospel readings present us with a significant selection of the words and deeds of Jesus from all four gospels In and through these gospel readings we encounter the living word of the risen Lord to his church There is rich fare here to nourish our faith life and to help us to grow in our knowledge and love of the Lord These short reflections attempt to listen to the Scripture passages on their own terms while showing how they can continue to speak to our church and our world today Many people feel drawn to basing their prayer on the Scriptures in particular the gospels It is hoped that these reflections will serve as a help to prayer for people of faith They may also be of service to priests who seek to offer

a short reflection on the gospel reading of the day to their parishioners In parishes where from time to time there is a Liturgy of the Word in place of Mass the Minister of the Word might read the corresponding reflection after the gospel reading On most week days the same readings are proclaimed in the church throughout the world in the setting of the Eucharist To read and reflect upon the readings for the weekdays of the liturgical year is to go on a spiritual journey with the universal church

A Poor Man Called Jesus José Cárdenas Pallares,1986 In this moving exegesis of the gospel of Mark Mexican theologian and biblical scholar Jos C rdenas Pallares explores the disquieting message of Jesus Christ effectively demonstrating how Jesus identification with poor and outcast persons lepers women cripples tax collectors was seen as subversive by political and religious authorities The author unravels the liberative dimension of Jesus words and miracles and traces the response of Jesus detractors from mere indignation to spirited agitation for his death Engagingly written and cogently argued this study is a valuable tool for students and scholars interested in Jesus emancipatory proclamation for the poor of both the first and twentieth centuries Back cover

10 Minutes: Gospel Reflections For Minds & Hearts Peter Malone,2021-10 10 Minutes is a fresh way to approach the study of the Bible Take 10 minutes it suggests to read a chapter in the book that will introduce a Bible story that will lead to another 10 minutes of reflection prayer and sharing The approach is described as writing your own Gospel inviting us to recall our own versions of the life and teachings of Jesus those favourite passages that have shaped our personal and group identities as disciples within the community called the church The approach acknowledges that this process probably reflects how the original stories were remembered shared modified and finally written down in the four Gospels in our New Testament It is also an approach that in our times recognises the effect of film stage and television on how those ancient messages have been shaped and recalled The reflections in 10 Minutes will move our hearts and minds to learn anew the revelation of what our God is like through the life of Jesus and the teaching of the Gospel
