Reflections Inspirational Australian Images:

Reflections 2 Ken Duncan, 2007 The compact edition of Reflections 2 continues the pilgrimage begun in Ken Duncan's first Reflections volume taking readers on an inspirational journey of discovery through some of nature's most magnificent scenes. This time the view is expanded beyond Australia to take in spectacular shots from five continents. It is a tour of breathtaking variety from Uluru and the Whitsundays to the Serengeti, Victoria Falls, the Yorkshire Dales and the wilds of Alaska. The one great unifying factor as Ken Duncan points out in his introduction is that these locations are all part of our common heritage as inhabitants of planet Earth.

Reflections 2, 2005 Just like its predecessor Reflections 2 has been produced to the highest technical standards in a superb panoramic format. Each image is accompanied by quotes from world leaders, great thinkers and famous people that give the viewer profound insights to Ken's unique vision.

Australian Art in the National Gallery of Australia National Gallery of Australia, Anne Gray, 2002 This broad sweeping survey of the National Gallery's paintings, sculptures, drawings, prints, photographs and decorative arts and design collections features more than 400 works. Indigenous and non-Indigenous works are represented with iconic favourites such as Sidney Nolan's Ned Kelly series set alongside important but lesser known acquisitions. The works are arranged in chronological order from 1770 to 2002. Pre-colonial and Colonial through to Art Now. Insightful essays from over 50 artists, curators and scholars range from personal reflections by artists discussing their own works to more discursive or critical commentaries placing works in their historical context.
