Reflections On Slovak History:

Reflections on Slovak History Stanislav J. Kirschbaum, Anne C. R. Roman, 1987 **A History of Slovakia** Stanislav J. Kirschbaum, 2016-05-10 This classic book offers the most comprehensive and up to date history of Slovakia from its establishment on the Danubian Plain to the present While paying tribute to Slovakia's resilience and struggle for survival it describes contributions to European civilization in the Middle Ages the development of Slovak consciousness in response to Magyarization its struggle for autonomy in Czechoslovakia after the Treaty of Versailles its resistance as the first Slovak Republic to a Nazi controlled Europe its reaction to Communism and the path that led to the creation of the second Slovak Republic Now fully updated to the present day the book examines the vagaries of Slovak post Communist politics that led to Slovakia's membership in NATO and the European Union **Illustrated Slovak History** Anton Špiesz, Dušan Čaplovič, Ladislaus J. Bolchazy, 2006 Little contemporary scholarship on Slovak history exists in English This title fills an important gap in historiography about events throughout Central Europe over the last fourteen centuries It presents the history of Slovakia in terms of the latest scholarship and in the context of on going historical debate about Slovak history and its presentation in post socialist world Extensive footnotes by scholars 350 color illustrations Index Bibliography Foreword and Epilogue **The History of the Czech Republic and Slovakia** William Mahoney, 2011-02-18 This survey of Czech and Slovak history traces the development of two neighboring peoples through the creation of a common Czechoslovakian state in 1918 to the founding of the independent Czech and Slovak Republics in 1993 and beyond The History of the Czech Republic and Slovakia charts historical developments in the two nations to the opening decade of the 21st century The book begins with an overview of the geography climate people economy and government of both the Czech and Slovak republics Subsequent chapters offer a chronologically organized survey of historical events trends ideas and people Starting with the early Slavic settlements around the 5th century AD the book explores Czech and Slovak history through the Middle Ages the Renaissance and Early Modern eras the Enlightenment and the age of nationalism and revolution Chapters on the 20th century include discussion of the World Wars the interwar Czechoslovak state the Communist decades the Prague Spring and the Velvet Revolution of 1989 The story is brought up to date with insights into developments in the independent Czech and Slovak republics since 1993 1948 and 1968 - Dramatic Milestones in Czech and Slovak History Laura Cashman, 2013-09-13 This volume has been published to coincide with the anniversaries of two significant milestones in Czech and Slovak history the establishment of communist rule in 1948 and the Prague Spring of 1968 and in anticipation of the 20th anniversary of the 1989 Velvet Revolution Given the ultimate failure of the communist system these events and their legacy for Czech and Slovak society and politics merit continued study particularly given the wealth of new data made available when state and Party archives were finally opened in the 1990s The essays in this volume by witnesses historians and social scientists from the Czech Republic and Slovakia the USA UK and Australia offer a reappraisal of those turbulent

events They present new and original research based on information from archives which were not opened until after 1990 and which is not yet available to audiences who do not speak Czech or Slovak This volume will therefore be of interest to both specialists and general readers who are curious to learn more about these events This book was published as a special issue of Europe Asia Studies

The Slovak Question Michael R. Cude, 2022-06-07 The so called Slovak question asked what place Slovaks held or should have held in the former state of Czechoslovakia Formed in 1918 at the end of World War I from the remains of the Hungarian Empire and reformed after ceasing to exist during World War II the country would eventually split into the Czech Republic and Slovakia after the Velvet Divorce in 1993 In the meantime the minority Slovaks often clashed with the majority Czechs over their role in the nation The Slovak Question examines this debate from a transatlantic perspective Explored through the relationship between Slovaks Americans of Slovak heritage and United States and Czechoslovakian policymakers it shows how Slovak national activism in America helped the Slovaks establish a sense of independent identity and national political assertion after World War I It also shows how Slovak American leaders influenced US policy by conceptualizing the United States and Slovakia as natural allies due to their connections through immigration This process played a critical role in undermining attempts to establish a united Czechoslovakian identity and instead caused a divide between the two groups which was exploited by Nazi Germany and then by other actors during the Cold War and proved ultimately to be insurmountable

Historical Dictionary of Slovakia Stanislav J. Kirschbaum, 2013-11-14 On the stroke of midnight on 1 January 2013 the inhabitants of Slovakia celebrated a major milestone in their history two decades of democratic government and personal freedom This is so far the longest period of such rule in their history This anniversary surpasses by a few months their only previous generation long experience namely in the First Czecho Slovak Republic 1918 1938 The difference of course is that the Slovaks no longer share a state with another nation but run their own affairs Slovakia is now an accepted and recognized member in the family of nations whose athletes artists and other notable personalities are acknowledged around the world It is a member of international organization s and multilateral institutions and participates in efforts to maintain peace and enhance prosperity around the world The third edition of Historical Dictionary of Slovakia provides a thorough update of the many accomplishments that Slovakia has achieved This is done through a chronology an introductory essay and an extensive bibliography The cross referenced dictionary section has over 1000 entries on significant persons places and events political parties and institutions literature music and the arts This book is an excellent resource for students researchers and anyone wanting to know more about Slovakia

Handbook of Polish, Czech, and Slovak Holocaust Fiction Elisa-Maria Hiemer, Jiří Holý, Agata Firlej, Hana Nichtburgerová, 2021-06-21 The Handbook of Polish Czech and Slovak Holocaust Fiction aims to increase the visibility and show the versatility of works from East Central European countries It is the first encyclopedic work to bridge the gap between the literary production of countries that are considered to be main sites of the Holocaust and their recognition in international academic and public

discourse It contains over 100 entries offering not only facts about the content and motifs but also pointing out the characteristic fictional features of each work and its meaning for academic discourse and wider reception in the country of origin and abroad The publication will appeal to the academic and broader public interested in the representation of the Holocaust anti-Semitism and World War II in literature and the arts Besides prose it also considers poetry and theatrical plays from 1943 through 2018 An introduction to the historical events and cultural developments in Poland Czechoslovakia Czech and Slovak Republic and their impact on the artistic output helps to contextualise the motif changes and fictional strategies that authors have been applying for decades The publication is the result of long term scholarly cooperation of specialists from four countries and several dozen academic centres

The Czech And Slovak Republics

Carol Leff, 2018-02-15 This clear objective introduction to the politics of Czechoslovakia and the successor Czech and Slovak Republics provides a comprehensive analysis of Czechoslovakia in the postcommunist period Carol Leff builds a framework for understanding the dynamics of the triple transition democratization marketization and a national transformation that has reconfigured the dynamic between state and nation She shows how the interaction of these three transformational agendas has shaped Czechoslovakia's development ultimately culminating in the paradoxical disintegration of a state that most of its citizens wished to preserve The book offers a valuable case study of a country coming back to Europe but it also provides an opportunity for analyzing the influence of communism on what had been a significant interwar European state The book's strong comparative element will make it invaluable as well for those seeking to understand contemporary Central and Eastern Europe

Slovakia in History Mikuláš Teich, Dušan Kováč, Martin D. Brown, 2011-02-03 Until the dissolution of Czechoslovakia Slovakia's identity seemed inextricably linked with that of the former state This book explores the key moments and themes in the history of Slovakia from the Duchy of Nitra's ninth century origins to the establishment of independent Slovakia at midnight 1992 3 Leading scholars chart the gradual ethnic awakening of the Slovaks during the Reformation and Counter Reformation and examine how Slovak national identity took shape with the codification of standard literary Slovak in 1843 and the subsequent development of the Slovak national movement They show how after a thousand years of Magyar-Slovak coexistence Slovakia became part of the new Czechoslovak state from 1918 39 and shed new light on its role as a Nazi client state as well as on the postwar developments leading up to full statehood in the aftermath of the collapse of communism in 1989 There is no comparable book in English on the subject

Defining the Sovereign Community Nadya Nedelsky, 2012-02-28 Though they shared a state for most of the twentieth century when the Czechs and Slovaks split in 1993 they founded their new states on different definitions of sovereignty The Czech Constitution employs a civic model founding the state in the name of the citizens of the Czech Republic while the Slovak Constitution uses the more exclusive ethnic model and speaks in the voice of the Slovak Nation Defining the Sovereign Community asks two central questions First why did the two states define sovereignty so differently Second what impact have these choices had on

individual and minority rights and participation in the two states Nadya Nedelsky examines how the Czechs and Slovaks understood nationhood over the course of a century and a half and finds that their views have been remarkably resilient over time These enduring perspectives on nationhood shaped how the two states defined sovereignty after the Velvet Revolution which in turn strongly affected the status of the Hungarian minority in Slovakia and the Roma minority in the Czech Republic Neither state has secured civic equality but the nature of the discrimination against minorities differs Using the civic definition of sovereignty offers stronger support for civil and minority rights than an ethnic model does Nedelsky's conclusions challenge much analysis of the region which tends to explain ethnic politics by focusing on postcommunist factors especially the role of opportunistic political leaders *Defining the Sovereign Community* instead examines the undervalued historical roots of political culture and the role of current constitutional definitions of sovereignty Looking ahead Nedelsky offers crucial evidence that nationalism may remain strong in Slovakia and the Czech Republic even in the face of democratization and EU integration and is an important threat to both

Czechoslovakia 1918–88 H. Gordon Skilling, 1991-08-05 The book examines the history of Czechoslovakia in the seventy years since its founding by T G Masaryk It analyses the profound changes which took place during the First Republic the Nazi occupation postwar liberation and communist rule including both the Stalinist years the Prague Spring of 1968 and the subsequent period of normalization to 1988

Beyond Violence Anna Cichopek-Gajraj, 2014-06-19 A unique perspective that goes beyond violence to compare the daily experiences of Holocaust survivors returning to Poland and Slovakia

The Ghosts of Europe Anna Porter, 2011-01-18 In 1989 Adam Michnik said that Central Europe came as a messenger not only of freedom and tolerance but also of hatred and intolerance It is here in Central Europe that the last two wars began Nearing the twentieth anniversary of Communism's collapse acclaimed author Anna Porter traveled to Poland the Czech Republic Slovakia and Hungary to discover whether and how democracy has taken root in these former Iron Curtain countries The former borderlands of the long defunct Hapsburg Empire and the more recently dispersed Soviet Empire have attempted to invent their own forms of democracy and capitalism However disturbing signs of old attitudes have returned bringing into question Central Europe's ability to reform its elites and to effectively control public demonstrations of hatred the rise of racial tensions and the emergence of fascist parties Porter interviewed the young and the old the winners and the losers in this grand European transformation Porter walks Wenceslas Square with those who suffered the violence of the state police and helped to organize the 89 revolution She meets with revolutionary leaders such as Vclav Havel and Adam Michnik as well as custodians of the new regimes among them Radek Sikorski Michael Koc b and Ferenc Gyurcs ny She takes us to Poland's Institute of National Remembrance and Budapest's House of Terror Museum fascinating if controversial attempts to reckon with dark periods of history She interviews the wealthiest man in Hungary the general who ordered martial law in Poland attends an ultraright rally and visits a Gypsy village where a newly burgeoning yet all too familiar racism has destroyed a

family Gradually a portrait emerges of a Europe struggling under the weight of history and memory its peoples divided over half forgotten events old ethnic rivalries borders drawn and redrawn ghosts that had lurked unacknowledged under Communism s force fed stories of peaceful coexistence and a common front toward the Western enemy Now Central European rhetoric veers between historical reckoning revisionism and the politics of retribution Penetrating fascinating and powerfully observed *The Ghosts of Europe* illuminates themes of tyranny nationalism racism and denial in nations with a tumultuous history and a future very much in the balance

A History of Slovak Economic Thought Julius Horváth, 2021-12-29 Slovakia has a rich and complex history but until now there has not been a comprehensive analysis of the nation s economic thought This volume expertly fills this gap and traces the development of Slovak economic thought from the sixteenth century to the present day Identifying key themes moments and thinkers the chapters in this work consider the evolution of Slovak economic ideas and explores the nation s place alongside other schools of thought Significant coverage is given to the economists Gregorius Berzeviczy and Imrich Karva as well as landmark periods such as the creation of Czechoslovakia the World Wars the Socialist regime and post Communist Slovakia This book is of interest to advanced students and researchers of the history of economic thought economic history and political economy as well as those with a specific interest in the history of Slovakia

Central and South-Eastern Europe 2004 Europa Publications, 2003 Comprises a general survey of the region country surveys political profiles of the region and information on international and regional organizations and research institutes

Oral History and the Holocaust in Slovakia Monika Vrzgulová, 2024-12-18 Nearly thirty years ago Monika Vrzgulová took part in the very first oral history research project aimed at Holocaust survivors in Slovakia That project transformed her professional as well as her personal life The Holocaust as a scholarly subject and the oral history method have stayed with her to this day This book summarizes her findings and the experience she has acquired researching Holocaust memory combining memory studies oral history autoethnography and reflexive writing methods It presents data from two international research projects which took part in Slovakia too and are available to experts and the public online The insights gained from this research are contextualised with the social situation in a country that is trying to come to terms with its past after the fall of Communism

Vanished History Tomas Sniegón, 2014-05-01 Bohemia and Moravia today part of the Czech Republic was the first territory with a majority of non German speakers occupied by Hitler s Third Reich on the eve of the World War II Tens of thousands of Jewish inhabitants in the so called Protectorate of Bohemia and Moravia soon felt the tragic consequences of Nazi racial politics Not all Czechs however remained passive bystanders during the genocide After the destruction of Czechoslovakia in 1938-39 Slovakia became a formally independent but fully subordinate satellite of Germany Despite the fact it was not occupied until 1944 Slovakia paid Germany to deport its own Jewish citizens to extermination camps About 270 000 out of the 360 000 Czech and Slovak casualties of World War II were victims of the Holocaust Despite these statistics the Holocaust vanished almost

entirely from post war Czechoslovak and later Czech and Slovak historical cultures The communist dictatorship carried the main responsibility for this disappearance yet the situation has not changed much since the fall of the communist regime The main questions of this study are how and why the Holocaust was excluded from the Czech and Slovak history

Transforming National Holidays Ljiljana Ćarić, Karen Gammelgaard, Kjetil Rå Hauge, 2012 How do people construct collective identity during profound societal transformations This volume examines the discursive construction of identity related to important national holidays in nine countries of Central Europe and the Balkans Bosnia Herzegovina Bulgaria Croatia the Czech Republic Macedonia Montenegro Poland Serbia and Slovakia The chapters focus on the decades during which these countries moved from communism towards democracy and a market economy This transition saw revivals of national values and a new significance of regional and transnational ties entangled with negotiations of national identity that have been particularly lively in discourse concerning national holidays The chapters apply discourse analysis in addition to approaches from history sociology political science and anthropology All of the analyses make use of empirical material in the Slavic languages including newspaper articles interviews and other media contributions sermons addresses and speeches by members of the political elite

The A to Z of Slovakia Stanislav J. Kirschbaum, 2010-05-10 The A to Z of Slovakia offers an up to date series of cross referenced dictionary entries on Slovak political social and economic development since the creation of the second Slovak Republic in 1993 until its admission into the European Union in 2004 It includes all of the political actors the presidents prime ministers and party leaders and many leading academics and cultural personalities including those from the national minorities It also contains entries on the various institutions of the Slovak Republic like the judiciary the armed forces the media and parliamentary committees as well as entries that explain Slovakia's position and role in international organizations like NATO and the European Union The historical survey explains how Slovakia in its post Communist transformation was almost excluded but in the end became a full member of these two institutions

Reflections On Slovak History Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Reflections On Slovak History PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing

financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Reflections On Slovak History PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Reflections On Slovak History free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Reflections On Slovak History Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Reflections On Slovak History is one of the best book in our library for free trial. We provide copy of Reflections On Slovak History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Reflections On Slovak History. Where to download Reflections On Slovak History online for free? Are you looking for Reflections On Slovak History PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you

receive whatever you purchase. An alternate way to get ideas is always to check another Reflections On Slovak History. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Reflections On Slovak History are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Reflections On Slovak History. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Reflections On Slovak History To get started finding Reflections On Slovak History, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Reflections On Slovak History So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Reflections On Slovak History. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Reflections On Slovak History, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Reflections On Slovak History is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Reflections On Slovak History is universally compatible with any devices to read.
