Reform Judaism In America A Biographical Dictionary And Sourcebook:

Reform Judaism in America Kerry Olitzky, Lance J. Sussman, Malcolm H. Stern, 1993-03-17 This valuable reference extensively documents the lives and careers of the most influential leaders of Reform Judaism in America The editors have assembled concise but informative biographical profiles of approximately 170 people The work spans the period from the beginning of the Reform movement in 1824 through the 1976 Centenary Perspective The individuals profiled were selected because of their impact on Reform Judaism at a national level Included are the principal architects of reform national organizational leaders distinguished rabbis and academicians outstanding cantors volunteer lay activists and women The work begins with an essay on the history of Reform Judaism in America A biographical dictionary follows Each entry in the dictionary assesses the career and contributions of a particular leader and closes with a short bibliography of works by and about that individual The dictionary is followed by a set of essays that overview the history of associations related to Reform Judaism A section of appendices lists the principal figures affiliated with these organizations An extensive bibliography of primary and secondary sources concludes the work making it an indispensable reference tool *The American Synagogue* Kerry Olitzky, Marc Raphael, 1996-06-18 The institution of the American synagogue has played a significant role in the history of American Judaism which remains an incomplete history if it is limited to the lives of individuals and events This work helps complete the history as it is the first reference book to document the historical development of many individual synagogues in the United States and Canada It includes over 350 entries of synagogues from among the four main movements each of which have made an impact on the Jewish community either locally or beyond It is an essential tool for researchers scholars and students as well as anyone interested in the historical aspects of American Judaism An essay on the historical development of the American Synagogue by Frances Weinman Schwartz introduces the volume Entries are arranged alphabetically by city within each state Synagogue descriptions include the date of the congregation s founding the reason for its founding and its congregational mission the history of buildings and neighborhood its local or national historical impact its significance in the movement to which it belongs major episodes in the congregation s history as well as details about the service of its rabbis A brief bibliography follows each entry and a general bibliography and index complete the volume *Orthodox Judaism in America* Marc Raphael, Moshe Sherman, 1996-05-14 The last in a series of three volumes edited by Marc Lee Raphael surveying some of the major rabbinic and lay personalities who have shaped Judaism in America for the past two centuries this work focuses on Orthodox Judaism Along with a basic description of the achievements of some of the most notable leaders a bibliography of their writings and sources for further study is included as well as an essay on Orthodox rabbinic organizations and a survey of American Orthodox periodicals Of interest to scholars students and lay persons alike this volume will inform readers about the earliest communities of Jews who settled in America as they developed the institutions of Orthodox Jewish life and set a public standard of compliance with Jewish law These early

American Jews followed a Spanish Dutch version of Sephardic customs and rites Their synagogues used traditional prayer books promoted the celebration of Jewish holidays established mikvahs acquired Passover provisions and arranged for cemetery land and burial services While many of these Sephardic immigrants did not maintain halakha in their daily regimen as did their European counterparts they set a public standard of compliance with Jewish law thus honoring Jewish tradition Further immigration of thousands of Jews from Western and Central Europe in the middle of the 19th century brought a world of traditional piety and extensive Jewish learning to America exemplified by Rabbi Abraham Rice who served in Baltimore and Yissachar Dov Bernard Illovy who served communities from Philadelphia to New Orleans Such men marked the beginning of a learned and scholarly rabbinate in America This volume provides valuable biographical insights regarding some of the most notable religious leaders in American Orthodoxy Judaism in America Marc Lee Raphael,2005-12-20

Jews have been a religious and cultural presence in America since the colonial era and the community of Jews in the United States today some six million people continues to make a significant contribution to the American religious landscape Emphasizing developments in American Judaism in the last quarter century among active participants in Jewish worship this book provides both a look back into the 350 year history of Judaic life and a well crafted portrait of a multifaceted tradition today Combining extensive research into synagogue archival records and secondary sources as well as interviews and observations of worship services at more than a hundred Jewish congregations across the country Raphael s study distinguishes itself as both a history of the Judaic tradition and a witness to the vitality and variety of contemporary American Judaic life Beginning with a chapter on beliefs festivals and life cycle events both traditional and non traditional and an explanation of the enormous variation in practice Raphael then explores Jewish history in America from the arrival of the first Jews to the present highlighting the emergence and development of the four branches Orthodox Conservative Reconstructionist and Reform After documenting the considerable variety among the branches the book addresses issues of some controversy notably spirituality conversion homosexuality Jewish education synagogue architecture and the relationship to Israel Raphael turns next to a discussion of eight American Jews whose thoughts and or activities made a huge impact on American Judaism The final chapter focuses on the return to tradition in every branch of Judaism and examines prospects for the future **American Reform Judaism** Dana Evan Kaplan,2003-04-29 The only comprehensive and up to date look at Reform Judaism this book analyzes the forces currently challenging the Reform movement now the largest Jewish denomination in the United States To distinguish itself from Orthodox and Conservative Judaism the Reform movement tries to be an egalitarian open and innovative version of the faith true to the spirit of the tradition but nonetheless fully compatible with modern secular life Promoting itself in this way Reform Judaism has been tremendously successful in recruiting a variety of people intermarried families feminists gays and lesbians and interracial families among others who resist more traditional forms of worship As an unintended result of this success the movement now struggles with an identity

crisis brought on by its liberal theology which teaches that each Jew is free to practice Judaism more or less as he or she pleases In the absence of the authority that comes from a theology based on a commanding all powerful God can Reform Judaism continue to thrive Can it be broadly inclusive and still be uniquely and authentically Jewish Taking this question as his point of departure Dana Evan Kaplan provides a broad overview of the American Reform movement and its history theology and politics He then takes a hard look at the challenges the movement faces as it attempts to reinvent itself in the new millennium In so doing Kaplan gives the reader a sense of where Reform Judaism has come from where it stands on the major issues and where it may be going Addressing the issues that have confronted the movement including the ordination of women acceptance of homosexuality the problem of assimilation the question of rabbinic officiation at intermarriages the struggle for acceptance in Israel and Jewish education and others Kaplan sheds light on the connection between Reform ideology and cultural realities He unflinchingly yet optimistically assesses the movement's future and cautions that stormy weather may be ahead

Encyclopedia of American Jewish History Stephen H. Norwood, Eunice G. Pollack, 2007-08-28
Written by the most prominent scholars in American Jewish history this encyclopedia illuminates the varied experiences of America's Jews and their impact on American society and culture over three and a half centuries American Jews have profoundly shaped and been shaped by American culture Yet American history texts have largely ignored the Jewish experience The Encyclopedia of American Jewish History corrects that omission In essays and short entries written by 125 of the world's leading scholars of American Jewish history and culture this encyclopedia explores both religious and secular aspects of American Jewish life It examines the European background and immigration of American Jews and their impact on the professions and academic disciplines mass culture and the arts literature and theater and labor and radical movements It explores Zionism antisemitism responses to the Holocaust the branches of Judaism and Jews relations with other groups including Christians Muslims and African Americans The encyclopedia covers the Jewish press and education Jewish organizations and Jews participation in America's wars In two comprehensive volumes Encyclopedia of American Jewish History makes 350 years of American Jewish experience accessible to scholars all levels of students and the reading public

The A to Z of Sacred Music Joseph P. Swain, 2010-04-09 Nearly all religious traditions have reserved a special place for sacred music Whether it is music accompanying a ritual or purely for devotional purposes music composed for entire congregations or for the trained soloist or music set to holy words or purely instrumental in some form or another music is present In fact in some traditions the relation between the music and the ritual is so intimate that to distinguish between them would be inaccurate The A to Z of Sacred Music covers the most important aspects of the sacred music of Buddhism Christianity Confucianism Hinduism Islam Judaism and other smaller religious groups It provides useful information on all the significant traditions of this music through the use of a chronology an introductory essay a bibliography appendixes and hundreds of cross referenced dictionary entries on major types of music composers key religious figures specialized positions

genres of composition technical terms instruments fundamental documents and sources significant places and important musical compositions *A Bibliography of Jewish Education in the United States* Norman Drachler,1996 This book contains entries from thousands of publications whether in English Hebrew Yiddish and German books research reports educational and general periodicals synagogue histories conference proceedings bibliographies and encyclopedias on all aspects of Jewish education from pre school through secondary education **The Blackwell Companion to Judaism** Jacob Neusner,Alan Avery-Peck,2008-04-15 This Companion explores the history doctrines divisions and contemporary condition of Judaism Surveys those issues most relevant to Judaic life today ethics feminism politics and constructive theology Explores the definition of Judaism and its formative history Makes sense of the diverse data of an ancient and enduring faith

Historical Dictionary of Sacred Music Joseph P. Swain,2016-10-11 Sacred music is a universal phenomenon of humanity Where there is faith there is music to express it Every major religious tradition and most minor ones have music and have it in abundance and variety There is music to accompany ritual and music purely for devotion music for large congregations and music for trained soloists music that sets holy words and music without words at all In some traditions Islamic and many Native American to name just two the relation between music and religious ritual is so intimate that it is inaccurate to speak of the music accompanying the ritual Rather to perform the ritual is to sing and to sing the ritual is to perform it This second edition of Historical Dictionary of Sacred Music contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 800 cross referenced entries on major types of music composers key religious figures specialized positions genres of composition technical terms instruments fundamental documents and sources significant places and important musical compositions This book is an excellent access point for students researchers and anyone wanting to know more about sacred music **The Rabbi's Wife** Shuly Rubin Schwartz,2007-09-01 2006

National Jewish Book Award Modern Jewish Thought Long the object of curiosity admiration and gossip rabbis wives have rarely been viewed seriously as American Jewish religious and communal leaders We know a great deal about the important role played by rabbis in building American Jewish life in this country but not much about the role that their wives played The Rabbi s Wife redresses that imbalance by highlighting the unique contributions of rebbetzins to the development of American Jewry Tracing the careers of rebbetzins from the beginning of the twentieth century until the present Shuly Rubin Schwartz chronicles the evolution of the role from a few individual rabbis wives who emerged as leaders to a cohort who worked together on behalf of American Judaism The Rabbi s Wife reveals the ways these women succeeded in both building crucial leadership roles for themselves and becoming an important force in shaping Jewish life in America **Conservative Judaism in America** Pamela S. Nadell,Marc Raphael,1988-09-16 Pamela Nadell s biographical dictionary and sourcebook is a landmark contribution to American Jewish and religious history For the first time a great American Jewish religious movement is portrayed with amplitude authority and personality In the most revolutionary era in two millenia of Jewish

history this surely is an important volume Moses Rischin Professor of History San Francisco State University Conservative Judaism in America A Biographical Dictionary and Sourcebook is the first extensive effort to document the lives and careers of the most important leaders in Conservatism's first century and to provide a brief history of the movement and its central institutions It includes essays on the history of the movement and on the evolution of its major institutions The Jewish Theological Seminary of America The Rabbinical Assembly and The United Synagogue of America It also contains 135 biographical entries on the leading figures of Conservative Judaism appendices and a complete bibliography on sources of study

Age in America Corinne T. Field, Nicholas L. Syrett, 2015-05-22 Eighteen Twenty one Sixty five In America today we recognize these numbers as key transitions in our lives precise moments when our rights and opportunities change when we become eligible to cast a vote buy a drink or enroll in Medicare This volume brings together scholars of childhood adulthood and old age to explore how and why particular ages have come to define the rights and obligations of American citizens Since the founding of the nation Americans have relied on chronological age to determine matters as diverse as who can marry work be enslaved drive a car or qualify for a pension Contributors to this volume explore what meanings people in the past ascribed to specific ages and whether or not earlier Americans believed the same things about particular ages as we do The means by which Americans imposed chronological boundaries upon the variable process of growing up and growing old offers a paradigmatic example of how people construct cultural meaning and social hierarchy from embodied experience Further chronological age always intersects with other socially constructed categories such as gender race and sexuality Ranging from the seventeenth century to the present taking up a variety of distinct subcultures from frontier children and antebellum slaves to twentieth century Latinas Age in America makes a powerful case that age has always been a key index of citizenship

The Cambridge Companion to American Judaism Dana Evan Kaplan, 2005-08-08 This volume provides readers with a comprehensive introduction to the most important and interesting historical and contemporary facets of Judaism in America Written by twenty four leading scholars from the fields of religious studies American history and literature philosophy art history sociology and musicology the book adopts an inclusive perspective on Jewish religious experience Three initial chapters cover the development of Judaism in America from 1654 when Sephardic Jews first landed in New Amsterdam until today Subsequent chapters include cutting edge scholarship and original ideas while remaining accessible at an introductory level A secondary goal of this volume is to help its readers better understand the more abstract term of religion in a Jewish context The Cambridge Companion to American Judaism will be of interest not only to scholars but also to all readers interested in social and intellectual trends in the modern world

A Place of Our Own Michael M. Lorge, Gary Phillip Zola, 2006-10-15 This is a collection of seven essays which commemorate the 50th anniversary of the founding of the first Reform Jewish educational camp in the US The text covers topics related to both the Reform Judaism movement and the development of the Reform Jewish camping system in the US

Insecure Prosperity Ewa

Morawska,2021-04-13 This captivating story of the Jewish community in Johnstown Pennsylvania reveals a pattern of adaptation to American life surprisingly different from that followed by Jewish immigrants to metropolitan areas Although four fifths of Jewish immigrants did settle in major cities another fifth created small town communities like the one described here by Ewa Morawska Rather than climbing up the mainstream education and occupational success ladder the Jewish Johnstownians created in the local economy a tightly knit ethnic entrepreneurial niche and pursued within it their main life goals achieving a satisfactory standard of living against the recurrent slumps in local mills and coal mines and enjoying the company of their fellow congregants Rather than secularizing and diversifying their communal life as did Jewish immigrants to larger cities they devoted their energies to creating and maintaining an inclusive multipurpose religious congregation Morawska begins with an extensive examination of Jewish life in the Eastern European regions from which most of Johnstown s immigrants came tracing features of culture and social relations that they brought with them to America After detailing the process by which migration from Eastern Europe occurred Morawska takes up the social organization of Johnstown the place of Jews in that social order the transformation of Jewish social life in the city and relations between Jews and non Jews The resulting work will appeal simultaneously to students of American history of American social life of immigration and of Jewish experience as well as to the general reader interested in any of these topics PORTRAIT OF A REFORM RABBI:

CONTINUITY AND CHANGE Rabbi Lance J. Sussman Ph.D.,2024-09-11 I am a Jew because I believe that Judaism understands that between mercy and justice there is a path of righteousness I am a Jew because I believe the saving of a life is an urgent mitzvah I am a Jew because I believe Judaism believes that education is an urgent mitzvah I am a Jew because Judaism rejects the belief that it is superior to other traditions and makes its claim on me only because it is already mine I am a Jew because in Judaism all of God s children are equally God s children and every life is sacred I am a Jew because Judaism believes that existence is not an accident and has meaning I am a Jew because Judaism recognizes holiness in everything beautiful kind and just in this world I am a Jew because Judaism is my spiritual home and from my home I can share in the beauty and delights of all creation I am a Jew because Judaism believes in personal responsibility forgiveness and hope I am a Jew because Judaism values my humanity above my ethnicity and enables me to become a better person by becoming a better Jew I am a Jew because Judaism recognizes that the world is not complete and that all of us have deep responsibilities in completing it and thereby complete ourselves as human beings and as Jews Rabbi Lance J Sussman Ph D *Preaching*

Eugenics Christine Rosen,2004-03-04 With our success in mapping the human genome the possibility of altering our genetic futures has given rise to difficult ethical questions Although opponents of genetic manipulation frequently raise the specter of eugenics our contemporary debates about bioethics often take place in a historical vacuum In fact American religious leaders raised similarly challenging ethical questions in the first half of the twentieth century *Preaching Eugenics* tells how Protestant Catholic and Jewish leaders confronted and in many cases enthusiastically embraced eugenics a movement that

embodied progressive attitudes about modern science at the time Christine Rosen argues that religious leaders pursued eugenics precisely when they moved away from traditional religious tenets The liberals and modernists those who challenged their churches to embrace modernity became the eugenics movement's most enthusiastic supporters Their participation played an important part in the success of the American eugenics movement In the early twentieth century leaders of churches and synagogues were forced to defend their faiths on many fronts They faced new challenges from scientists and intellectuals they struggled to adapt to the dramatic social changes wrought by immigration and urbanization and they were often internally divided by doctrinal controversies among modernists liberals and fundamentalists Rosen draws on previously unexplored archival material from the records of the American Eugenics Society religious and scientific books and periodicals of the day and the personal papers of religious leaders such as Rev John Haynes Holmes Rev Harry Emerson Fosdick Rev John M Cooper Rev John A Ryan and biologists Charles Davenport and Ellsworth Huntington to produce an intellectual history of these figures that is both lively and illuminating The story of how religious leaders confronted one of the era's newest sciences eugenics sheds important new light on a time much like our own when religion and science are engaged in critical and sometimes bitter dialogue

Reform Judaism in America Kerry Olitzky, Lance J. Sussman, Malcolm H. Stern, 1993-03-17 This valuable reference extensively documents the lives and careers of the most influential leaders of Reform Judaism in America The editors have assembled concise but informative biographical profiles of approximately 170 people The work spans the period from the beginning of the Reform movement in 1824 through the 1976 Centenary Perspective The individuals profiled were selected because of their impact on Reform Judaism at a national level Included are the principal architects of reform national organizational leaders distinguished rabbis and academicians outstanding cantors volunteer lay activists and women The work begins with an essay on the history of Reform Judaism in America A biographical dictionary follows Each entry in the dictionary assesses the career and contributions of a particular leader and closes with a short bibliography of works by and about that individual The dictionary is followed by a set of essays that overview the history of associations related to Reform Judaism A section of appendices lists the principal figures affiliated with these organizations An extensive bibliography of primary and secondary sources concludes the work making it an indispensable reference tool

Cleveland Jews and the Making of a Midwestern Community Sean Martin, John J. Grabowski, 2020-02-28 The robust Jewish community of Cleveland Ohio is the largest Midwestern Jewish community with about 80 000 Jewish residents Historically it has been one of the largest hubs of American Jewish life outside of the East Coast Yet there is a critical gap in the literature relating to Jewish Cleveland its suburbs and the Midwestern Jewish experience Cleveland's Jews in the Urban Midwest remedies this gap and adds to an emerging subfield in American Jewish history that moves away from the East Coast to explore Jewish life across the United States in cities including Chicago and Detroit and across regions like the West Coast Cleveland's Jews in the Urban Midwest features ten diverse studies from

prominent international scholars addressing a wide range of subjects and ultimately enhancing our understanding of regional urban and Jewish American history Focusing on the twentieth century specifically the historians included in this collection address critical questions about Jewish Cleveland in the history of the United States Essays investigate Jewish philanthropy comics gender religious identity and education from the perspectives of both Reform and Orthodox Jewish communities participation in social service organizations and the Soviet Jewish movement among other subjects and reveal the different roles these subjects play in shaping Jewish communities over time Uniquely this is a work of regional history that engages fully in parallel conversations in Jewish history and urban history making the volume a key addition to these three dynamic fields Provided by publisher
