Reframing the Body N. Watson, S. Cunningham-Burley, 2001-08-08 There has been a notable upsurge of interest in the body both in terms of empirical and theoretical study and debate Contributions to this book move these debates forward by considering a range of bodies as active in their own construction in social and economic processes Authors consider the body as a site of agency resistance and compromise and reflect upon the reluctance of sociology to engage with the body and notions of embodiment

Everyday Embodiment Julia Coffey, 2021-05-12 This book offers an innovative conceptual and methodological approach to one of the most significant health and wellbeing challenges for contemporary youth body image The social and cultural dimensions shaping body ideals and young people's body image concerns have not been adequately explored in the current landscape of social media and youth body cultures The author provides a sociological reframing of body image foregrounding the social and cultural dimensions which are critical in shaping young people's everyday bodily experiences Chapters explore the significance of gender and wellbeing norms and the ways that circumstances of hardship and inequality are significant in mediating body concerns In this the book complicates simplistic understandings of body image instead showing the complex processes by which body concerns are formed through the circumstances of embodied experience The book advocates for the non individual dimensions of body concerns the social and cultural conditions of young people's lives to be foregrounded in strategies aimed at addressing this complex youth wellbeing issue This text will be of interest to scholars in gender studies youth studies and feminist sociology

This Is Body Grief Jayne Mattingly, 2025-03-18 We all need an opportunity to sit gently and thoughtfully with our grief Consider this book your invitation Rachel Cargle author of A Renaissance of Her Own A guide to living and making peace with your ever changing body Have you ever felt like your body has failed you Maybe you're not as quick or as strong as you used to be or an illness has wrecked your sense of self or no matter what diet you follow you still feel uncomfortable in your own skin So you go to war with your body for what it can no longer do when the truth is our bodies are always on our side In This Is Body Grief disability advocate and recovery expert Jayne Mattingly lays out a groundbreaking approach to mourning and accepting one's ever changing body Like all grief she says Body Grief cannot be overcome but felt in all its complexity Dismantling the narrative that your body is against you she presents new ways to cope with your body's fluctuating abilities with self compassion and grace Along the way she walks you through the seven stages of Body Grief from dismissal shock and self blame to hopelessness and hope and eventual body trust offering wisdom for how to make space for each difficult emotion as it arises Sharing stories from everyday people in the throes of Body Grief as well as her own journey as a newly disabled

woman from the first of many harrowing hospital visits that resulted in her own life altering diagnosis to having to use a rollator on her wedding day because she could no longer walk safely on her own to accepting the need for a hysterectomy in her early 30s Mattingly shows that although healing isn't a linear journey it begins when we trust and work in tandem with our bodies
