A Place of Refuge ,2005 A Place of Refuge tackles the topical issue of asylum in the UK Against a background of ignorance racism and media bias the Christian Church is called by God to show care of the marginalized After exploring this biblical call to offer hospitality A Place of Refuge examines the claims made against refugees that they are lazy uneducated or involved in criminal activity and uses statistical evidence to show that these claims are largely unfounded It explains the legal and factual basis of the asylum system and highlights the positive contribution that refugees make to the UK It includes practical suggestions for action at a local and national level useful contacts and resources Based on up to date detailed research this study is a positive and challenging contribution to an important debate

Seeking Asylum in Israel Gilad Ben-Nun,2016-12-18 Since 2005 approximately 70 000 asylum seeking refugees from Sudan and Eritrea have entered Israel This along with the highly publicised anti African immigrant riots in Israel in 2012 and 2014 and the current global refugee crisis has meant that the issue of African migration has become increasingly controversial Here Gilad Ben Nun looks at this phenomenon in its historical and contemporary contexts and compares it to the wider debates surrounding the Palestinian refugees in the region and the concept of their right of return He argues that this newer African migration issue has forced Israel to move from conceiving of itself as an exceptional state and now has to view itself as a more normal and universal entity Ranging as far back as Israel s important role in the the ratification drafting of the 1951 Refugee Convention and drawing on a variety of methodologies and sources Ben Nun offers a wide ranging legal social and historical examination of asylum in Israel that sheds timely light onto themes of migration and identity across the Middle East This is essential reading

for legal historians and lawyers as well as scholars working on migration studies and the history and politics of the Middle East

Migrants, Refugees and Asylum Seekers' Integration in European Labour Markets Veronica Federico, Simone Baglioni, 2021-04-21 This open access book discusses how and to what extent the legal and institutional regimes and the socio cultural environments of a range of European countries the Czech Republic Denmark Finland Greece Italy Switzerland and the UK in the framework of EU laws and policies have a beneficial or negative impact on the effective capacity of these countries to integrate migrants refugees and asylum seekers into their labour markets The analysis builds on the understanding of socio cultural institutional and legal factors as barriers or enablers elements that may facilitate or obstruct the integration processes The book examines the two dimensions of integration being access to the labour market which translated into a rights language means the right to work with its corollaries recognition of qualifications vocational training etc and non discriminatory working conditions which translated into a rights language means right to both formal and substantial equality and its corollaries of benefits and duties deriving from joining the labour market It thereby offers a novel approach to labour market integration and migration asylum issues given its focus on legal aspects which includes most recent policy changes and legal decisions including litigation cases The robust evidence based and comparative research illustrated in the book provides academics and students but also practitioners and policy makers with up to date knowledge that will likely impact positively on policy changes needed to better address integration conundrums

In Camps Jana K. Lipman, 2020-06-02 Robert Ferrell Book Prize Honorable Mention 2021 Society for Historians of American Foreign Relations Book Award for Outstanding Achievement in History Honorable Mention 2022 Association for Asian American Studies After the US war in Vietnam close to 800 000 Vietnamese left the country by boat survived and sought refuge throughout Southeast Asia and the Pacific This is the story of what happened in the camps In Camps raises key questions that remain all too relevant today Who is a refugee Who determines this status And how does it change over time From Guam to Malaysia and the Philippines to Hong Kong In Camps is the first major work on Vietnamese refugee policy to pay close attention to host territories and to explore Vietnamese activism in the camps and the diaspora This book explains how Vietnamese were transformed from de facto refugees to individual asylum seekers to repatriates Ambitiously covering people on the ground local governments teachers and corrections officers as well as powerful players such as the UN High Commissioner for Refugees and the US government Jana Lipman shows that the local politics of first asylum sites often drove international refugee policy Unsettling most accounts of Southeast Asian migration to the US In Camps instead emphasizes the contingencies inherent in refugee policy and experiences

Asylum-Seeking, Migration and Church Revd Dr Susanna Snyder, 2012-11-01 Asylum Seeking Migration and Church addresses one of the most pressing issues confronting contemporary society How are we to engage with migrants Drawing on studies of church engagement with asylum seekers in the UK and critical immigration and refugee issues in North America Snyder presents an extended theological reflection on both the issue of asylum seeking and the fears of established populations surrounding immigration This book outlines ways in which churches are currently supporting asylum seekers encouraging closer engagement with people seen as other and more thoughtful responses to newcomers Creatively exploring biblical and theological traditions surrounding the stranger Snyder argues that as well as practising a vision of inclusive community churches would do well to engage with established population fears Trends in global migration and the dynamics of fear and hostility surrounding immigration are critically and creatively explored throughout the book Inviting more complex nuanced responses to asylum seekers and immigrants this book offers invaluable insights to those interested in Christian ethics practical theology social work mission and faith and social action as well as those working in the field of migration

Gendering the International Asylum and Refugee Debate J. Freedman, 2015-06-23 This revised and updated 2nd edition of Freedman s hard hitting study aims to remedy the current lack of gender specific analyses of asylum and refugee issues It provides a comprehensive

account of the situation of women in global forced migration and explains the ways in which women's experiences are shaped by gendered relations and structures

Towards a Refugee Oriented Right of Asylum Professor Laura Westra, Professor Satvinder S Juss, Professor Tullio Scovazzi, 2015-07-28 This volume explores the factors that give rise to the number of people seeking asylum and examines the barriers they continue to face The authors explore the causality that generates displacement discuss how migrants are received and the problems they face on arrival and conclude by confronting the fate and status of asylum seekers after arrival The authors propose ways of approaching the situation beyond the present language and the limited interpretations of the Convention on the Status of Refugees

Refugees and Asylum-seekers in Ireland Paul Cullen, 2000 The explosion over the past few years of the number of people seeking asylum in Ireland as a result of the booming Celtic Tiger economy has focused attention for the first time on a wide range of debates the need for political asylum and Ireland's international role how to deal with this new phenomenon domestically Ireland as a country of immigration as well as emigration and the adequacy or otherwise of public policy in dealing with the problem Refugees and Asylum Seekers in Ireland looks at the history of immigration and refugees in Ireland in the twentieth century and the background to the recent increase in asylum seekers The book looks to the future assessing political options and considers the implications for the future of Irish society

Young Refugees and Asylum Seekers Declan Henry, 2025-02-28 There are many misconceptions about young refugees and asylum seekers in Britain Declan Henry dispels the myths and gives a compassionate and empathetic view of the daily struggles they face including discrimination racism and poverty This book explores the reasons why they came to the UK and the safeguarding issues involved the services they receive and the gaps and inequalities in the system as a whole The injustice of long Home Office delays in the processing of applications and appeal processes are outlined and as it is becoming more difficult for many young people to get Leave to Remain the impact on their lives in terms of accommodation education and planning for the future are explored The author also looks at the emotional and mental health needs of young people including those with undiagnosed learning needs and difficulties Ultimately the book paints a graphic picture of what life is like in Britain for young people cut off from their country of their origin and families and how they are expected to make a new life in Britain with limited resources There are works of non fiction that are not only timely but also extremely important Young Refugees And Asylum Seekers by author Declan Henry is one of them The refugee crisis and the plight of children and young adults is brought into sharp focus in this powerful challenging and well written book With precision this author highlights both the lack of resources and unfair treatment of those who enter a new country without a caregiver as well as the monumental efforts of good people who work within a challenging system to exact change while practicing kindness The importance of seeing children as children first is at the core of this valuable book And we are reminded that the way we treat the most vulnerable is a testament to who we are fundamentally as human beings and a society I highly recommend this book to anyone who wants to better understand the

refugee crisis and to those in search of an opportunity to make a difference Nancy Richardson Fischer author of *When Elephants Fly The Speed of Falling Objects* **Adjudicating Refugee and Asylum Status** Benjamin N. Lawrance, Galya Ruffer, 2015-02-26 In this book legal biomedical psychosocial and social science scholars and practitioners offer the first comparative account of the increasing dependence on expertise in the asylum and refugee status determination process This volume presents a comprehensive study of the relevance of experts as mediators of culture who are called upon to corroborate substantiate credibility and serve as translators in the face of confusing legal standards that require proof of new forms and reasons for persecution around the globe The authors provide insights into the evidentiary burdens on asylum seekers and the expanding role of expertise in the forms of country conditions reports biomedical and psychiatric evaluations and the emerging field of forensic linguistic analysis in response to emerging forms of persecution such as gender based or sexuality based persecution Migrants, Refugees, and Asylum Seekers in Latin America Raanan Rein, Stefan Rinke, David M.K. Sheinin, 2020-06-08 Scholarship on ethnicity in modern Latin America has traditionally understood the region's various societies as fusions of people of European indigenous and or African descent These are often deployed as stable categories with European or white as a monolith against which studies of indigeneity or blackness are set The role of post independence immigration from eastern and western Europe as well as from Asia Africa and Latin American countries in constructing the national ethnic landscape remains understudied The contributors of this volume focus their attention on Jewish Arab non Latin European Asian and Latin American immigrants and their experiences in their new homes Rejecting exceptionalist and homogenizing tendencies within immigration history contributors advocate instead an approach that emphasizes the locally and nationally embedded nature of ethnic identification Asylum-Seeking Journeys in Asia Terence Chun Tat Shum, 2019-02-14 This book looks in detail at the journeys to asylum in Asia which are largely neglected in the media and academic analyses despite Asia becoming the most essential region for asylum receiving refugees from both within and outside of the continent Treating asylum seeking journeys as a transnational space the author investigates the actual asylum seeking process from homelands to either Hong Kong or Bangkok Today refugees undertake multiple long and life threatening journeys before arriving in receiving societies from the moment of arrival in Hong Kong or Bangkok they face a wide array of challenges An ethnographic account of how refugees navigate and negotiate their journeys to asylum this book highlights the social political economic and psychological processes involved in becoming and being a refugee This encompasses not only the physical movement of refugees but also their embodiments and emotional encounters The author offers a micro level analysis of asylum seeking journeys from the aspiration to flee to migration preparation to border crossing to homemaking in prolonged displacement All of these stages reveal how these journeys create ever evolving realities with new constellations of options and constraints By focusing on refugees understanding perception of and interaction with the people environments and situations around them this book illustrates how refugee life plans are shaped

and reshaped by the embodied experience of their journeys and how their ideas of home have changed over time Asylum seeking Journeys in Asia will appeal to scholars and students in the fields of migration and refugee studies diaspora studies globalisation and Asian studies It will also be of interest to policymakers and humanitarian workers involved in providing services and assistance to the global refugee population
