**Royal Air Force march past** Walford Davies,1983      Musical Colours Ian Pearson,Jack Kopstein,2022-01-31 On the cover of the 1970 record THE VANISHING REGIMENTS Colonel CH Jaeger OBE made an interesting observation Be it true or not that old soldiers never die but only fade away it is absolutely certain that the music connected with soldiering never does in fact Many famous Regiments in the last few years have passed off the scene others have been amalgamated Much of the music of former Regiments is still in use though the names of the Regiments concerned have vanished perhaps forever Regimental colours are the symbolic spirit of the regiment their marches are the musical spirit Their histories are sometimes older than the regiments themselves and very much guarded and cherished by them When you hear a regimental band play a march why that march This book is an attempt to cover the fascinating histories of military marches how and why regiments adopted them even those that have faded into history It will appeal to those interested in Regimental Marches of Canadian and United Kingdom Armed Forces Over 500 marches are covered with many band photos from across the centuries Also included are narratives of the composers Victoria Cross musicians and even words to many marches So get out the records crank up the volume and listen to the bands play their MUSICAL COLOURS while reading all bout them      **Royal Air Force**
