The Problem of Free Will in David Foster Wallace Paolo Pitari, 2024-06-27 This book argues that David Foster Wallace failed to provide a response to the existential predicament of our time Wallace wanted to confront despair through art but he remained trapped and his entrapment originates in the existentialist contradiction the impossibility of affirming the meaningfulness of life and an ethics of compassion while believing in free will To substantiate this thesis the analysis reads Wallace in conversation with the existentialist philosophers and writers who influenced him S ren Kierkegaard Fyodor Dostoevsky Martin Heidegger Jean Paul Sartre Albert Camus and Ludwig Wittgenstein It compares his non fiction with the sociologies of Christopher Lasch Zygmunt Bauman Ulrich Beck and Elisabeth Beck Gernsheim and Anthony Giddens And it finds inspiration in Giacomo Leopardi Friedrich Nietzsche and Emanuele Severino to conclude that the philosophy which pervades Wallace s works entails despair and represents the essence of our civilization s interpretation of the world **The**

THE LOSS OF FAITH Richard Gary Hallmark,2025-08-13 The death of a child is devastating as those parents who have experienced such a loss can attest With dreams and hopes replaced with pain and anguish and happiness vanquished by heartache such a loss is the start of a journey no parent wants to make In *The Loss Of Faith* Richard Hallmark endures such a journey A journey where his faith trust and belief in God are tested challenged and all but destroyed almost from the moment of his child s death A journey where he asks the unanswerable seeks the unknowable and wrestles with the unwinnable A journey that begins the day his child died and continues until the day God restores him Yet in *The Loss Of Faith* is where Richard Hallmark comes to know that truly God loves him and has not abandoned him and that it is during the journey where God teaches restoration occurs lessons are learned and changes are made Richard Hallmark invites you to accompany him through *The Loss of Faith* as God leads you together But this is not a pleasant nor a happy journey It is a raw and brutal journey One of thoughts observations and prayers to God that are personal unrefined and sometimes severe A journey where nothing is held back and no apologies are made for not doing so as Richard searches for God *Gospel Herald* ,1928
