The Dark Legend Steven Leone,2017-09-25 With no memory of his past life a teenage Len awakens in a dangerous military prison His only allies are nine others like him called prototypes by their captors who are after an ancient relic Little do they know that a more ancient force of pure evil is also after that relic And they re willing to kill for it Caught up in between the chaos Len and his new friends must race against both sides to get the relic back first and stop the rise of the Dark Legend Whether fighting hordes of wolves kidnapping the governor with a psychopath or unraveling the mystery of who they really are the young prototypes have much to endure There s just one slight problem Len is a complete idiot

Ride for Vengeance J.R. Roberts, *William Henry Jackson's Lens* Tim McNeese,2023-06-15 William Henry Jackson was an explorer photographer and artist He is also one of those most often overlooked figures of the American West His larger claim to fame involves his repeated forays into the western lands of nineteenth century America as a photographer Jackson s life spanned multiple incarnations of the American West In a sense he played a singular role in revealing the West to eastern Americans While others opened the frontier with the axe and the rifle Jackson did so with his collection of cameras He dispelled the geological myths through a lens no one could deny or match His wet plate collodion prints not only helped to reframe the nation s image of the West but they also enticed businessmen investors scientists and even tourists to venture into the western regions of the United States Prior to Jackson s widely circulated photographs the American West was little understood and unmapped mysterious lands that required a camera and a cameraman to reveal their secrets and ultimately provide the first photographic record of such exotic destinations as Yellowstone Mesa Verde and the Rocky Mountains Jackson s story was long and his life full as he lived to the enviable age of 99 This biography presents the good bad and ugly of Jackson s life both personal and professional through the use primary source materials including Jackson s autobiographies letters and government reports on the Hayden Surveys *California. Court of Appeal (2nd Appellate District). Records and Briefs* California (State)., *Interrogating America through Theatre and Performance W.*

Perspectives on Transforming Higher Education and the LGBTQIA Student Experience Herridge, Andrew,Prieto, Kaity,2024-01-19 Today s institutions of higher education must continuously adapt to meet the evolving needs and expectations of each new generation of students A significant and growing presence within academia is the LGBTQIA community LGBTQIA individuals are now four times more likely to attend higher education institutions away from home However a substantial proportion of these students remain unseen with more than half avoiding exposure of their identity to faculty and staff and in some cases even to their peers Perspectives on Transforming Higher Education and the LGBTQIA Student Experience is a comprehensive academic exploration of the intricate world of LGBTQIA students in higher education This book sheds light on the multifaceted challenges and complexities that LGBTQIA students face transcending the boundaries of sexual orientation gender identity race ethnicity ability and socio economic class This book is a seminal work designed to enlighten and inform students faculty student affairs practitioners higher education administrators and policymakers and is structured to provide a holistic understanding this book encompasses critical themes including LGBTQIA student identity development the intersectionality of identity LGBTQIA student experiences within the campus climate and the impact of laws and policies on their lives This book also explores a diverse range of topics spotlighting often under researched and underrepresented communities and experiences

Surface Modification of Polymeric Biomaterials Buddy D. Ratner,David G. Castner,2013-06-29 Applications of synthetic materials in medicine date back over 4000 year2 The Egyptians used linen as sutures In the Roman Empire gold was used in dentistry Perhaps even earlier ivory and bone may have been used in the body by practitioners of the healing arts The historical origins of modern biomaterials science are also hard to precisely trace but many of the ideas that define biomaterials as we know them today evolved in the late 1950s and early 1960s Surface modification technology has played a prominent role in biomaterials science and has paralleled the evolution of the modern field In a symposium organized by the Artificial Heart Program of the NIH National Heart Institute and the Artificial Kidney program of the NIH National Institute of Arthritis and Metabolic Diseases held in Atlantic City New Jersey in 1968 there were already a number of presentations on surface modification Surface characterization at that time included scanning electron microscopy ellipsometry contact angle methods and infrared internal reflection methods

The Crack in the Lens Darlene A. Cypser,2011-03-14 If someone had asked Sherlock Holmes later in the year there is little doubt that he would have said his life began that spring day in 1871 when he met Violet Rushdale upon the moors and ended in the winter some months distant His mother would have disputed the former claim and many both friend and foe would come to deny the latter Yet what happened that year nearly cost him his life and his sanity and strongly influenced the man he was to become

It is well known that the toughest steel that makes the sharpest swords must be plunged into the fire then beaten and reshaped So it is as well with the best and wisest of men **Clint** Donna Bergman,2014-04-12 Who is he The man found lying injured beneath a tree in rural Montana had no identification and remembered nothing Dubbed Clint by a nurse he becomes trapped in a surreal world of total amnesia unexplained anger and troubling reactions to the color red State Trooper Sergeant Sam Frazor is determined to uncover the identity of the mystery man he rescued but every source comes up negative Kathy Morrison works for Sam Intelligent and attractive she could have had many suitors but keeps all comers at arms length Kathy and Clint s worlds entwine when she is pulled into the investigation Mutual attraction stirs Then things take a deadly turn as a trooper is murdered for not revealing Clint s whereabouts Who is after the man without memories Tangled together in a deadly game of cat and mouse with an unknown enemy Clint is desperate to protect Kathy and get answers If only he could remember If only he had some clue as to who was out to get him and anyone that stood in their way
