Same Sex Different Cultures Exploring Gay And Lesbian Lives

Abbie E. Goldberg, Katherine R. Allen

Same Sex Different Cultures Exploring Gay And Lesbian Lives:

Same Sex, Different Cultures Gilbert H. Herdt, 1997 Because homoerotic relations can be found in so many cultures Gilbert Herdt argues that we should think of these relations as part of the human condition This new cross cultural study of gays lesbians and bisexuals around the world Same Sex Different Cultures provides a unique perspective on maturing and living within societies both historical and contemporary that not only acknowledge but also incorporate same gender desires and relations Examining what it means to organize sex in a society that lacks a category for sex or to love someone of the same gender when society does not have a homosexual or gay lesbian role Herdt provides provocative new insights in our understanding of gay and lesbians lives Accurate in both its scientific conceptions and wealth of cultural and historical material examples range from the ancient Greeks and feudal China and Japan to the developing countries of Africa India Mexico Brazil and Thailand from a New Guinea society to contemporary U S culture including Native Americans For all of these peoples homoerotic relations emerge as part of culture and not separate from history or society In many of these groups loving or engaging in sexual relations is found to be the very basis of the local cultural theory of human nature and the mythological basis for the cosmos and the creation of society The mistake of modern Western culture Gilbert contends is to continue the legalization of prejudice against lesbians and gays In this light the book addresses the issue of universal versus particular practices and reveals positive role models that embrace all aspects of human sexuality Finally it offers knowledge of the existence of persons who have loved and have been intimate sexually and romantically with the same gender in other lands through divergent cultural practices and social roles The most important lesson to learn from this cross cultural and historical study of homosexuality is that there is room for many at the table of humankind **Same Sex,**

Different Cultures Gilbert H Herdt, 2018-05-15 Because homoerotic relations can be found in so many cultures Gilbert Herdt argues that we should think of these relations as part of the human condition This new cross cultural study of gays lesbians and bisexuals around the world Same Sex Different Cultures provides a unique perspective on maturing and living within societies both historical and contemporary that not only acknowledge but also incorporate same gender desires and relations Examining what it means to organize sex in a society that lacks a category for sex or to love someone of the same gender when society does not have a homosexual or gay lesbian role Herdt provides provocative new insights in our understanding of gay and lesbians lives Accurate in both its scientific conceptions and wealth of cultural and historical material examples range from the ancient Greeks and feudal China and Japan to the developing countries of Africa India Mexico Brazil and Thailand from a New Guinea society to contemporary U S culture including Native Americans For all of these peoples homoerotic relations emerge as part of culture and not separate from history or society In many of these groups loving or engaging in sexual relations is found to be the very basis of the local cultural theory of human nature and the mythological basis for the cosmos and the creation of society The mistake of modern Western culture Gilbert contends is

to continue the legalization of prejudice against lesbians and gays In this light the book addresses the issue of universal versus particular practices and reveals positive role models that embrace all aspects of human sexuality Finally it offers knowledge of the existence of persons who have loved and have been intimate sexually and romantically with the same gender in other lands through divergent cultural practices and social roles The most important lesson to learn from this cross cultural and historical study of homosexuality is that there is room for many at the table of humankind

Same Sex, Different Cultures Gilbert H Herdt, 1998-04-24 Because homoerotic relations can be found in so many cultures Gilbert Herdt argues that we should think of these relations as part of the human condition This new cross cultural study of gays lesbians and bisexuals around the world Same Sex Different Cultures provides a unique perspective on maturing and living within societies both historical and contemporary that not only acknowledge but also incorporate same gender desires and relations Examining what it means to organize sex in a society that lacks a category for sex or to love someone of the same gender when society does not have a homosexual or gay lesbian role Herdt provides provocative new insights in our understanding of gay and lesbians lives Accurate in both its scientific conceptions and wealth of cultural and historical material examples range from the ancient Greeks and feudal China and Japan to the developing countries of Africa India Mexico Brazil and Thailand from a New Guinea society to contemporary U S culture including Native Americans For all of these peoples homoerotic relations emerge as part of culture and not separate from history or society In many of these groups loving or engaging in sexual relations is found to be the very basis of the local cultural theory of human nature and the mythological basis for the cosmos and the creation of society The mistake of modern Western culture Gilbert contends is to continue the legalization of prejudice against lesbians and gays In this light the book addresses the issue of universal versus particular practices and reveals positive role models that embrace all aspects of human sexuality Finally it offers knowledge of the existence of persons who have loved and have been intimate sexually and romantically with the same gender in other lands through divergent cultural practices and social roles The most important lesson to learn from this cross cultural and historical study of homosexuality is that there is room for many at the table of humankind

Lesbian and Gay Studies Theo Sandfort, 2000-07-28 This timely book seeks to demonstrate the coherence of lesbian and gay studies It introduces the reader to the principal inter disciplinary approaches in the field and critically assesses their strengths and weaknesses whilst asking What is lesbian and gay studies When did it emerge And what are its achievements and research agenda The gay and lesbian movement has emerged as a major political and cultural force It poses a series of far reaching questions about the organization of identity the operation of power and the limits of tolerance Lesbian and Gay Studies has emerged as a vital and enriching field It offers challenges to more traditional disciplines and requires new forms of thought about the connections between acad

Gay Men's Relationships Across the Life Course P. Robinson, 2013-06-11 This book examines the life stories of a diverse sample of gay men from nine major international cities Through their relationship

stories old established patterns of gay life are compared with new emerging patterns of fatherhood friendship and parenting

Dignity, Dogmatism, and Same-Sex Relationships Gilbert Rossing, 2009-01-01 In response to the current culture wars over same sex marriage hate crime legislation and the legalization of gay rights *Dignity Dogmatism and Same Sex Relationships* provides a thorough argument for an ethics of intimacy in same sex relations based equally on science and the Bible After a rigorous interrogation of modern definitions of sexual identity and the usage of biblical passages in support of cultural biases the book redefines the notion of intimacy to include the physical emotional mental social and spiritual dimensions that compose human relationships It thus approaches homosexuality from a whole person perspective and attempts to create understanding rather than foment divisiveness This more comprehensive definition of intimacy allows for a compassionate reading of Scripture in ongoing conversations about the nature of homosexuality and the full inclusion of gay lesbian bi sexual and transgender persons in society It also encourages religious communities to do for same sex couples what they already do for heterosexual couples provide the information counsel and encouragement necessary to foster healthy sexual practices meaningful interpersonal relationships and a cohesive sense of community

Gay and Lesbian Aging Gilbert Herdt, Brian De Vries, 2003-11-17 The year 2003 marks the 30th anniversary of the landmark declassification of homosexuality as a disease by the American Psychiatric Association a watershed in the lives of gays and lesbians in the United States For the first time in history a generation of self identified lesbians gay men bisexuals and transgender individuals are approaching retirement This volume brings to the forefront important issues concerning the health mental health and concomitant special social service needs of this population and emphasizes the need for more research on aging sexual minorities Based on empirical and qualitative research methods chapters focus on the myriad issues of aging for lesbians and gay men including Social and Cultural Considerations about HIV Among Midlife and Older Gay Men Psychological Well Being in Midlife Older Gay Men Well Being Among Middle Aged and Older Single Gay Men Lesbian Friendships at and Beyond Midlife Contributors include Judith Barker Jacqueline Weinstock Bertram Cohler and Doug Kimmel among others

Sexualities in Context Rebecca Plante, 2014-11-13 Written in an accessible and clear manner *Sexualities in Context* presents focused overviews and explorations of some of the most timely issues in the social construction of sex This brief text is the only book of its kind to address sexualities from a social perspective Plante s analysis of the context of sexuality sexual behaviors and identities is both intelligent and readable With contemporary topics such as hooking up sexual fantasies and bisexualities along with examples of how to apply critical thinking students are empowered to think outside their comfort zones and encouraged to explore the topic of sex in a new context

LGBT-Parent Families Abbie E. Goldberg, Katherine R. Allen, 2012-10-11 *LGBT Parent Families* is the first handbook to provide a comprehensive examination of this underserved area Reflecting the nature of this issue the volume is notably interdisciplinary with contributions from scholars in psychology sociology human development family studies gender studies sexuality studies legal

studies social work and anthropology Additionally scholarship from regions beyond the U S including England Australia Canada and South Africa is presented In addition to gender and sexuality all contributors address issues of social class race and ethnicity in their chapters Sexuality and the Stories of Indigenous People Jessica Hutchings, Clive Aspin, 2007 First person accounts of Takat pui men and women which include poetry prose and deeply personal narratives **The Handbook of Lesbian, Gay, Bisexual, and Transgender Public Health** Michael Shankle, 2013-04-03 Get the comprehensive resource for LGBT public health issues Public health services for sexual minorities have suffered from practitioners lack of knowledge about sexual or gender orientation specific health concerns and inherent system homophobia and heterosexism The Handbook of Lesbian Gay Bisexual and Transgender Public Health A Practitioner s Guide to Service provides a unique focus on LGBT public health offering positive direction for practitioners looking for guidance in methods to ensure a healthy community for all while taking into consideration the special needs of sexual minorities Ignorance and fear by both practitioners and LGBT clients leads to less than optimum public health services The Handbook of Lesbian Gay Bisexual and Transgender Public Health extensively discusses these issues clearly working to foster cultural competency among public health professionals This book lays the groundwork for better understanding of LGBT health issues and their relationship to overall public health then delves into the research on how incorporating LGBT cultural competency can improve academic institutions and continuing education programs The problem of providing health care access and the health issues burdening each segment of the LGBT community are discussed in detail all with a focus on providing effective solutions to tough challenges Clear strategies are also presented for improving city county state and national public health infrastructures and policies The issue of productive and safe work environments in business and the private sector for LGBT individuals is addressed along with a close look at the advantages and pitfalls of media and Internet resources Many chapters are illustrated with tables and diagrams each chapter is exhaustively referenced includes useful lists of selected resources and asks questions to spark thought on the issues as they pertain to the reader s circumstances The Handbook of Lesbian Gay Bisexual and Transgender Public Health discusses the inequities in health care for LGBT people overt prejudice discrimination disdain or outright denial of services assumption by health professionals of risk factors based on sexual or gender orientation rather than individual behaviors and health history unwitting expression of biases of many public health practitioners the effect of social stigma on public health care services LGBT cultural competency framework for institutions of higher learning and professional organizations LGBT awareness sensitivity and competency training sexually transmitted diseases reproductive cancers intimate partner violence noncommunicable diseases among gay and bisexual men down low behavior avowed straight men with spouses having sex with other men as public health issue AIDS related malignancies transsexuals and transphobia hormonal therapy sex reassignment surgery SRS mental health needs of transsexuals cross dressers and intersex individuals barriers to health care access insurance systems confidentiality of medical records substance use health

care issues for LGBT youth and young adults health care needs of LGBT elders recommendations for improvement of health and welfare services The Handbook of Lesbian Gay Bisexual and Transgender Public Health is a one of a kind resource for LGBT public health issues essential for public health professionals practitioners health services professionals substance abuse counselors disease intervention specialists public health advisors community health service administrators community based agencies and community health nurses Educators in community health

The Kaleidoscope of Gender Joan Z. Spade, Catherine G. Valentine, 2008 This integrated comprehensive text provides an introduction to the sociology of gender It creatively and clearly explains what gender is and is not and what it means to say that gender is socially constructed

The Globalization of Sexuality Jon Binnie, 2004-04-07 Lively and engaging the themes of the chapters are well chosen and cover areas in which several key debates have taken place Nina Wakeford University of Surrey What are the relations between homosexuality globalization and social theory Why has the debate on globalization paid so little attention to questions of sexuality This timely and stimulating book explores the relationships between the national state globalization and sexual dissidence The book focuses on several key test issues to exploit and develop analysis queer mobility migration and tourism the economics of queer globalization queer politics of post colonialism the spatial politics of AIDS queer cosmopolitanism nationhood and sexual citizenship The book regains an important human dimension that has been conspicuously neglected in the wider debate on globalization

Handbook of Sociology and Human Rights David L. Brunsma, Keri E. Lyall Smith, Brian K Gran, 2015-10-23 Long the province of international law human rights now enjoys a renaissance of studies and new perspectives from the social sciences This landmark book is the first to synthesize and comprehensively evaluate this body of work It fosters an interdisciplinary international and critical engagement both in the social study of human rights and the establishment of a human rights approach throughout the field of sociology Sociological perspectives bring new questions to the interdisciplinary study of human rights as amply illustrated in this book The Handbook is indispensable to any interdisciplinary collection on human rights or on sociology This text Brings new perspectives to the study of human rights in an interdisciplinary fashion Offers state of the art summaries critical discussions of established human rights paradigms and a host of new insights and further research directions Fosters a comprehensive human rights approach to sociology topically representing all 45 sections of the American Sociological Association

Cultural Anthropology JoAnn Jacoby, Josephine Kibbee, 2007-05-30 The latest edition of a major literature guide provides citations and informative annotations on a wide range of reference sources including manuals bibliographies indexes databases literature surveys and reviews dissertations book reviews conference proceedings awards and employment and grant sources The organization closely follows that of the 1st edition with some much needed additions relating to online resources and new areas of interest within the field such as forensic anthropology environmental anthropology and Lesbian Bisexual Gay and Transgendered Anthropology Separate sections focus on individual subfields as well as emerging concerns such as ethical issues in cultural heritage preservation

For academic and research library collections as well as faculty members in anthropology area studies and intercultural studies

Queer Identities / Political Realities Bruce Drushel, Kathleen German, 2009-01-23 *Queer Identities Political Realities* examines the intersection of political leadership media coverage and sexual identity with particular emphasis on the negotiation of meaning between public behavior and private behavior in the United States Centering on cases that illuminate key issues each chapter questions assumptions about media coverage and extends current theoretical understanding Each chapter focuses on a specific case within the broader conceptual fabric of queer theory media theory or rhetorical criticism Varied methodological approaches allow us to gauge public discourse of multifaceted controversies that involve same sex behavior History reveals frequent occasions when private sexual behaviors surface to attract public interest While the prejudices and discrimination against same sex partnerships whether casual or permanent remain entrenched in United States culture there have been occasions when the public discussion is riveted on instances This book argues that public interest changes when the partners in such relationships are of the same sex The extraordinary public prejudice against same sex unions and public censure has been well documented in other research reports and continues to receive attention in other scholarly publications This book will examine the unique intersection of political leadership media coverage and same sex behavior

God vs. Gay? Jay Michaelson, 2012-05-08 A passionate argument for LGBTQ equality within religious communities a book for our times and a book for the ages *EDGE* The myth that the Bible forbids homosexuality the myth of God versus Gay is behind some of the most divisive and painful conflicts of our day In this provocative and game changing book scholar and activist Jay Michaelson shows that the Bible does not prohibit same sex intimacy but does quite the opposite In fact the vast majority of the Bible's teachings support the full equality and dignity of LGBTQ people from the first flaw it finds in creation It is not good for a person to be alone to the way religious communities grow through reflection and conscience Michaelson argues passionately for equality not despite religion but because of it With close readings of the Hebrew Bible and New Testament the latest data on the science of sexual orientation and a sympathetic accessible and ecumenical approach to religious faith Michaelson makes the case that sexual diversity is part of the beauty of nature The recognition of same sex families will strengthen not threaten the values religious people hold dear Whatever your views on religion and sexual diversity *God vs Gay* is a plea for a more compassionate informed conversation and a first step toward creating one

Regulating Sex Elizabeth Bernstein, Laurie Schaffner, 2005-01-05 *Regulating Sex* is an anthology that presents debates over the role of the state in constructing and controlling erotic practice intimacy and identity The purpose of this edited volume is to address sexual dilemmas in law and the state in substantive areas such as same sex domestic partnerships sexual economies and childhood sexuality via a series of spirited dialogues between socio legal scholars from diverse disciplinary national and political perspectives

The Michigan Womyn's Music Festival Laurie J. Kendall, Ph. D. Laurie J. Kendall, 2008 This book is a five year ethnographic study of the lesbian culture built at the Michigan Womyn's Music

Festival The study explores the construction of an Amazon consciousness and its manifestation in symbol myth and ritual performance at the Festival It also explores the ways womyn build homes families and sacred traditions during the Festival

Equality for Same-Sex Couples Yuval Merin, 2010-02-15 During the past three decades nations all over the world have been debating whether to allow same sex couples to marry or at least grant these couples various rights associated with marriage In *Equality for Same Sex Couples* Yuval Merin presents the first comparative study of the legal regulation of same sex partnerships worldwide as well as a unique survey of the status of same sex couples in Europe Merin begins by providing a historical overview of the transformation of marriage from antiquity to the present He then identifies and critically compares four principal models for the legal regulation and recognition of same sex partnerships civil marriage registered partnership domestic partnership and cohabitation Merin concludes that all of the models except civil marriage discriminate against gays and lesbians just as the separate but equal doctrine discriminated against African Americans thus so called alternatives to marriage even if they provide the same rights and benefits as marriage are inherently unequal and therefore unconstitutional
