Samuel Becketts Real Silence:

Samuel Beckett's Real Silence Helene Louise Baldwin, 1981 Exploring the Christian symbolism throughout a major portion of Beckett's mature work particularly *Molloy* *Malone Dies* *The Unnamable* *Watt* *Not I* *The Lost Ones* and *Waiting for Godot* this book argues that Beckett is a writer of deep religious concern not in the orthodox sense but in a sense fully as time honored The path to direct experience of Absolute or Unconditional Being is traced through the classic stages of the quest detachment darkness silence trance illumination and revelation with examples from both the content and structure of the works A final chapter distinguishes among the several ironic tones that Beckett employs to reveal the profound reverence that is so often misread as cynicism It is fitting that an author so frequently discussed in religious terms his 1969 Nobel award cited him for singing the *dies irae* of the human race should finally be read as a religious writer Samuel Beckett's writing with its rich dark ambiguity has been widely acknowledged for its brilliance but variously interpreted in its meaning Nearly all critics recognize the religious allusions and symbols present throughout the Beckettian oeuvre but few have attempted to come to terms with them preferring to regard these recurring themes and images as atheistic irony This book addresses that deficiency by arguing that Beckett's major works may be seen as a cumulative metaphor for the mystic quest specifically the negative way of renunciation that stands in contrast to the affirmative orthodoxy of T S Eliot for example Dr Baldwin accomplishes this task by citing the many echoes within Beckett's prose of the great Christian mystics of history Augustine Pascal Langland Dante many of whom are clearly the sources drawn upon in Beckett's non stop allusiveness and by demonstrating Beckett's parallels with modern Christian mystics especially Simone Weil whose themes in *Waiting for God* are hauntingly evoked in *Waiting for Godot* and much of the rest of the Beckettian canon

philosophical political and psychoanalytic criticism feminist and gender studies semiotics and reception theory *Samuel Beckett* Rolf Breuer, 2005 Am Karfreitag des Jahres 1906 wurde in Foxrock südlich von Dublin Samuel Barclay Beckett geboren am 13. 4. 2006 jährt sich der Geburtstag eines der bedeutendsten Schriftsteller des 20. Jahrhunderts also zum hundertsten Mal. Seinen Ausgangspunkt hatte der Ruhm des englisch und französisch schreibenden Nobelpreisträgers aber in Deutschland so dass es vielleicht auch nicht verwundert wenn die erste thematisch systematische Einführung in sein Werk nun in einem deutschen Verlag erscheint. Bislang unveröffentlichte Photographien von Wilhelm Pabst der den Dichter in den sechziger Jahren bei der Regiearbeit in Deutschland begleitete ergänzen das Buch des Anglisten Rolf Breuer der als einer der besten Beckett Kenner weltweit gilt. *Infrathin* Marjorie Perloff, 2021-09-03 Esteemed literary critic Marjorie Perloff reconsiders the nature of the poetic examining its visual grammatical and sound components. The *infrathin* was Marcel Duchamp's playful name for the most minute shade of difference that between the report of a gunshot and the appearance of the bullet hole or between two objects in a series made from the same mold. Eat is not the same thing as ate. The poetic Marjorie Perloff suggests can best be understood as the language of *infrathin*. For in poetry whether in verse or prose words and phrases that are seemingly unrelated in ordinary discourse are realigned by means of sound visual layout etymology grammar and construction so as to make it new. In her revisionist micropoetics Perloff draws primarily on major modernist poets from Stein and Yeats to Beckett suggesting that the usual emphasis on what this or that poem is about does not do justice to its *infrathin* possibilities. From Goethe's eight line *Wanderer's Night Song* to Eliot's *Four Quartets* to the minimalist lyric of Rae Armantrout *Infrathin* is designed to challenge our current habits of reading and to answer the central question: what is it that makes poetry poetry. **Britannica Book of the Year** Franklin Henry Hooper, Walter Yust, 1985 **Subject Guide to Books in Print**, 1997 Samuel Beckett and Recent Irish Fiction David McKinney, 2024-12-27 This volume considers Samuel Beckett's fiction and drama as major aesthetic and thematic influences on the work of Irish authors Eimear McBride Keith Ridgway Emma Donoghue and Kevin Barry in the post crash period of 2009-2015. Through cross comparisons between the aesthetics and form of Beckett's *Trilogy* *Mercier and Camier* *Footfalls* and *Not I* and those of a range of post crash Irish novels including *Beatlebone* Hawthorn and *Child Room* and *A Girl Is A Half Formed Thing* this book establishes Beckett's continuing influence on Irish fiction. With particular reference to these newer authors treatment of scarcity trauma indeterminism gender and sexuality and confinement in the context of major societal changes and traumas in Irish society since 2009 topics include the imposition of austerity collapse of faith in institutions and the increasing recognition of LGBTQIA and reproductive rights. Routledge Library Editions: Beckett Various, 2022-07-30 This collection of five previously out of print titles examines Samuel Beckett's works and their impact on the theatre and on people who came into creative contact with his ideas. His plays are assessed as are his works for film and television. A titan of original thinking these books by leading Beckett scholars analyse how his creative vision was expressed and how it revolutionised not just the world

of theatre but also of the wider world of the arts Beckett's Art of Salvage Julie Bates, 2017-04-19 This innovative exploration of the recurring use of particular objects in Samuel Beckett's work is the first study of the material imagination of any single modern author Across five decades of aesthetic and formal experimentation in fiction drama poetry and film Beckett made substantial use of only fourteen objects well worn not only where they appear within his works but also in terms of their recurrence throughout his creative corpus In this volume Bates offers a striking reappraisal of Beckett's writing with a focus on the changing functions and impact of this set of objects and charts chronologically and across media the pattern of Beckett's distinctive authorial procedure The volume's identification of the creative praxis that emerges as an art of salvage offers an integrated way of understanding Beckett's writing opens up new approaches to his work and offers a fresh assessment of his importance and relevance today *Modern Drama Scholarship and Criticism 1981-1990* Charles A. Carpenter, 1997 A selective list of publications for the period offering some 25 200 entries no annotations arranged by nationality and linguistic groups Most entries concern literary currents in drama since the last third of the 19th century playwrights who lived at least part of their lives in the 20th century noted directors and performance theory For students and scholars of modern dramatic literature While annual supplements of recent publications appear in the journal *Modern Drama* new compilers took a publication date of 1991 as their starting point for listings leaving some 2 000 items collected after 1992 appearing only in this volume Annotation copyrighted by Book News Inc Portland OR
