human condition Over four decades after its initial publication Esslin's landmark book has lost none of its freshness The questions these dramatists raise about the struggle for meaning in a purposeless world are still as incisive and necessary today as they were when Beckett's tramps first waited beneath a dying tree on a lonely country road for a mysterious benefactor who would never show Authoritative engaging and eminently readable *The Theatre of the Absurd* is nothing short of a classic vital reading for anyone with an interest in the theatre *Routledge Library Editions: Beckett*
