American Cowboy ,2004-05 Published for devotees of the cowboy and the West American Cowboy covers all aspects of the Western lifestyle delivering the best in entertainment personalities travel rodeo action human interest art poetry fashion food horsemanship history and every other facet of Western culture With stunning photography and you are there reportage American Cowboy immerses readers in the cowboy life and the magic that is the great American West **Japanese**

Communication Senko K. Maynard,1997-06-01 In an accessible and original study of the Japanese language in relation to Japanese society and culture Senko Maynard characterizes the ways of communicating in Japanese and explores Japanese language associated modes of thinking and feeling Japanese Communication Language and Thought in Context opens with a comparison of basic American and Japanese values via cultural icons the cowboy and the samurai before leading the reader to the key concept in her study rationality Writing for those who have a basic knowledge of Japanese language and culture Maynard examines topics such as masculine and feminine speech swearing expressions of ridicule and conflict adverbs of emotional attitude and the eloquence of silence Maynard provides a refreshing and entertaining perspective for interpreting contemporary Japan sometimes in contrast to the United States **Tales of R. L. Culkin** R.L. Culkin,2017-02-09 This is a book of short stories that are mostly based on sci fi but it also contains a mix of different views on space death and love

Cowboys and Samurai Minoru Yanagihashi,2025-03-26 Myths exist in every society They can be used for positive purposes such as solidifying national identity ensuring political stability and promoting national pride On the other hand they can be used for nefarious purposes such as justifying expansionism at the expense of other nations When we examine the myths surrounding the cowboys and the samurai we learn how the myths originated and how they evolved over the years Comparing the myths with realities we learn about the conditions and the circumstances involved and we gain an understanding of what the real cowboy and samurai were really like When you hear the names John Wayne and Roy Rogers what image of the cowboy do you have What image of the samurai do you take away when you read the book Shogun or see the movie or the TV series of the same title These questions are poised and discussed in this book The book ends with a discussion of the roles played by the cowboy and samurai myths in contemporary America and Japan *The Oxford Handbook of American Folklore and Folklife Studies* Simon J. Bronner,2019 The Oxford Handbook of American Folklore and Folklife Studies surveys the materials approaches concepts and applications of the field to provide a sweeping guide to American folklore and folklife culture history and society Forty three comprehensive and diverse chapters explore the extraordinary richness of the American social and cultural fabric offering a valuable resource not only for scholars and students of American studies but also for the global study of tradition folk arts and cultural practice *Flashing Steel, 25th Anniversary Edition* Masayuki Shimabukuro,Leonard J. Pellman,2020-10-06 An updated edition of the classic guide on the techniques philosophy and applications of iaijutsu the art of self defense with the Japanese sword The 25th anniversary

edition of the best selling guide to iaijutsu or iaido expands on the previous two editions and includes Deeper guidance on fundamentals preparation etiquette progression sword nomenclature More practices and techniques including 55 ways to deploy a samurai sword in self defense Additional solo and partner exercises to develop timing distance control focus etc Information on defense and attack scenarios with wider applications to other martial arts Overview of philosophical tenants that inform the warrior s life Expanded history of iaijutsu and a biography tribute of Masayuki Shimabukuro Updated guidelines for promotions and tournaments Organized into 23 chapters with black and white photographs throughout Flashing Steel is an essential resource for understanding the philosophy and practice of the Japanese sword arts

Transnationalism and Imperialism Hervé Mayer,David Roche,2022-04-05 While Western films can be seen as a mode of American exceptionalism they have also become a global genre Around the world Westerns exemplify colonial cinema driven by the exploration of racial and gender hierarchies and the progress and violence shaped by imperialism Transnationalism and Imperialism Endurance of the Global Western Film traces the Western from the silent era to present day as the genre has circulated the world Contributors examine the reception and production of American Westerns outside the US alongside the transnational aspects of American productions and they consider the work of minority directors who use the genre to interrogate a visual history of oppression By viewing Western films through a transnational lens and focusing on the reinterpretations appropriations and parallel developments of the genre outside the US editors Herv Mayer and David Roche contribute to a growing body of literature that debunks the pervasive correlation between the genre and American identity Perfect for media studies and political science Transnationalism and Imperialism reveals that Western films are more than cowboys they are a critical intersection where issues of power and coloniality are negotiated Settler Attachments and Asian Diasporic Film Beenash Jafri,2025-03-04 A cinematic study of Asian Indigenous relationality Settler Attachments and Asian Diasporic Film is an interdisciplinary examination of the stubborn attachment of Asian diasporas to settler colonial ideals and of the decolonial possibilities Asian diasporic films imagine Beenash Jafri uniquely addresses the complexities of Asian Indigenous relationality through film and visual media urging film scholars to approach their subjects with an eye to the entanglements of race diaspora and Indigeneity Highlighting how Asian diasporic attachments to settler colonialism are structural she explores how they are manifested through melancholic yearning within the figure of the Asian cowboy in films such as Cowgirl and Wild West and through the aesthetic and representational politics of body and land in experimental films by Shani Mootoo and Vivek Shraya While recognizing the pervasive violence of settler colonialism Jafri maintains a hopeful outlook showcasing how Asian diasporic filmmakers persistently work toward decolonial worldmaking This emerging vision can be seen in the radical friendship between Ali Kazimi and Onondaga artist Jeffrey Thomas in Kazimi s film Shooting Indians in the queer relational survivance depicted in films such as This Place and Scarborough and in the sensory disruptions of Jin me Yoon s interactive art project Untunnelling Vision From film and media studies to diaspora studies and

critical ethnic studies Indigenous studies to queer theory Settler Attachments and Asian Diasporic Film provides a critical framework for engaging cinematic media to understand and imagine beyond the entrenched settler colonial dynamics within Asian diasporic communities Retail e book files for this title are screen reader friendly with images accompanied by short alt text and or extended descriptions

Japan at War Louis G. Perez,2013-01-08 This compelling reference focuses on the events individuals organizations and ideas that shaped Japanese warfare from early times to the present day Japan s military prowess is legendary From the early samurai code of morals to the 20th century battles in the Pacific theater this island nation has a long history of duty honor and valor in warfare This fascinating reference explores the relationship between military values and Japanese society and traces the evolution of war in this country from 700 CE to modern times In Japan at War An Encyclopedia author Louis G Perez examines the people and ideas that led Japan into or out of war analyzes the outcomes of battles and presents theoretical alternatives to the strategic choices made during the conflicts The book contains contributions from scholars in a wide range of disciplines including history political science anthropology sociology language literature poetry and psychology and the content features internal rebellions and revolutions as well as wars with other countries and kingdoms Entries are listed alphabetically and extensively cross referenced to help readers quickly locate topics of interest

Flashing Steel, Second Edition Masayuki Shimabukuro,Leonard Pellman,2007 Iaijutsu is the art of samurai swordsmanship in self defence Iaijutsu is distinguished from kenjutsu the samurai sword employed in attack by the fact that the practitioner begins each technique with the sword sheathed This book refers to the art of iaijutsu in order to emphasize how Eishin Ryu Iaijutsu is among the various schools of iaijutsu

The Twenty-First-Century Western Douglas Brode,Shea T. Brode,2019-12-12 Focusing on twenty first century

Western films including all major releases since the turn of the century the essays in this volume cover a broad range of aesthetic and thematic aspects explored in these films including gender and race As diverse contributors focus on the individual subgenres of the traditional Western the gunfighter the Cavalry vs Native American conflict the role of women in Westerns etc they share an understanding of the twenty first century Western may be understood as a genre in itself They argue that the films discussed here reimagine certain aspects of the more conventional Western and often reverse the ideology contained within them while employing certain forms and clichés that have become synonymous internationally with Westerns The result is a contemporary sensibility that might be referred to as the postmodern Western

Lead Poisoning: The Pencil Art of Geof Darrow Geof Darrow, 2017-07-25 Geof Darrow's slick precise inks and stunning detail have amazed comics fans for decades from his early work with Moebius to *Hardboiled* his first collaboration with Frank Miller to the overwhelming excess of his current series *Shaolin Cowboy* Now Darrow provides incredible insight into his process by sharing the pencil drawings behind his meticulous inks in a huge hardcover collection Featuring the pencils behind well known covers and never before seen drawings alike *Lead Poisoning* is a behind the scenes look that reveals perfectionism at its best showing how clean and perfect the initial drawings can be as well as the bizarre alterations that appear to happen on the fly

An Ocean Apart Stephen D. Cohen, 1998-01-30 Closing a critical gap in the literature examining the strained relationship between the U S and Japan this book synthesizes the economic political historical and cultural factors that have led these two nations both practitioners of capitalism along quite different paths in search of different goals Taking an objective multidisciplinary approach the author argues that there is no single explanation for Japan's domestic economic or foreign trade successes Rather his analysis points to a systemic mismatch that has been misdiagnosed and treated with inadequate corrective measures This systemic mismatch in the corporate strategy economic policies and attitudes of the U S and Japan created and is perpetuating three decades of bilateral economic frictions and disequilibria As long as both the U S and Japan deal more with symptoms than causes bilateral problems will persist This book's unique analysis will encourage a better understanding on both sides of the Pacific of what has happened is happening and will continue to happen if corporate executives and policymakers in the two countries do not better realize the extent of their differences and adopt better corrective measures

The Warrior's Camera Stephen Prince, 1999-11-14 The Japanese film director Akira Kurosawa who died at the age of 88 has been internationally acclaimed as a giant of world cinema *Rashomon* which won both the Venice Film Festival's grand prize and an Academy Award for best foreign language film helped ignite Western interest in the Japanese cinema *Seven Samurai* and *Yojimbo* remain enormously popular both in Japan and abroad In this newly revised and expanded edition of his study of Kurosawa's films Stephen Prince provides two new chapters that examine Kurosawa's remaining films placing him in the context of cinema history Prince also discusses how Kurosawa furnished a template for some well known Hollywood directors including Martin Scorsese Steven Spielberg and George Lucas Providing a new and

comprehensive look at this master filmmaker *The Warrior's Camera* probes the complex visual structure of Kurosawa's work. The book shows how Kurosawa attempted to symbolize on film a course of national development for post-war Japan and it traces the ways that he tied his social visions to a dynamic system of visual and narrative forms. The author analyzes Kurosawa's entire career and places the films in context by drawing on the director's autobiography, a fascinating work that presents Kurosawa as a Kurosawa character and the story of his life as the kind of spiritual odyssey witnessed so often in his films. After examining the development of Kurosawa's visual style in his early work *The Warrior's Camera* explains how he used this style in subsequent films to forge a politically committed model of filmmaking. It then demonstrates how the collapse of Kurosawa's efforts to participate as a filmmaker in the tasks of social reconstruction led to the very different cinematic style evident in his most recent films, works of pessimism that view the world as resistant to change.

Animation: A World History Giannalberto Bendazzi, 2015-11-06 A continuation of 1994's groundbreaking *Cartoons*. Giannalberto Bendazzi's *Animation: A World History* is the largest, deepest, most comprehensive text of its kind based on the idea that animation is an art form that deserves its own place in scholarship. Bendazzi delves beyond just Disney, offering readers glimpses into the animation of Russia, Africa, Latin America, and other often neglected areas, and introducing over fifty previously undiscovered artists. Full of first-hand, never-before-investigated and elsewhere unavailable information, *Animation: A World History* encompasses the history of animation production on every continent over the span of three centuries. Volume III catches you up to speed on the state of animation from 1991 to present. Although characterized by such trends as economic globalization, the expansion of television series, emerging markets in countries like China and India, and the consolidation of elitist auteur animation, the story of contemporary animation is still open to interpretation. With an abundance of first-hand research and topics ranging from Nickelodeon and Pixar to modern Estonian animation, this book is the most complete record of modern animation on the market and is essential reading for all serious students of animation history.

Key Features: Over 200 high-quality headshots and film stills to add visual reference to your research. Detailed information on hundreds of never-before-researched animators and films. Coverage of animation from more than 90 countries and every major region of the world. Chronological and geographical organization for quick access to the information you're looking for.

Culture Meets Culture in the Movies David H. Budd, 2010-07-27 This is an examination of the interactions between people of different cultures as portrayed in relatively modern, commonly available American and European films. The cinema is a desirable medium through which to show cultural differences because it vividly portrays settings, actions, and emotions, all of which greatly influence viewers' perceptions. Films showing relations of the United States north and south, Japan, China, India, Asia, and Africa meeting the West, the clash between American Indians and white settlers, various other intercultural contrasts, multicultural voices in film, and the connection between popular film and intercultural studies, all are examined in this work. Each chapter concludes with a filmography.

Teeth - The Epic Novel With Bite Timothy James Dean, 2009-10-25 Vol. 1 The

South Pacific Trilogy Move over Moby Dick Jaws and Jurassic here comes the Father Teeth is a definite 5 star Timothy may be the next Michael Crichton Teeth ranks among my very favorite books of all time Teeth is a masterpiece of true Samurai spirit Teeth isn't just about a battle between man and Mother Nature It's a love story a thriller a mystery **New York City SHSAT Prep 2017-2018** Kaplan Test Prep, 2017-08-01 Kaplan's New York City SHSAT Prep 2017 2018 provides the most up to date content to help you succeed on the new Specialized High Schools Admissions Test SHSAT The exam is changing for the first time in 20 years and Kaplan's realistic practice answer explanations and expert review will help you face the SHSAT with confidence when the new test takes effect in October The Best Review The most up to date information about the content format and timing of the new SHSAT Two full length practice tests with detailed answer explanations for each question More than 400 realistic practice questions that cover every concept tested Proven score raising strategies with emphasis on improving math and verbal skills Expert Guidance Kaplan's expert psychometricians make sure our practice questions and study materials are true to the test We invented test prep Kaplan www.kaptest.com has been helping students for almost 80 years and more than 95% of our students get into their top choice schools Our proven strategies have helped legions of students achieve their dreams Our guide to the redesigned SHSAT can help eighth and ninth grade NYC students gain admission to a specialized high school such as Stuyvesant High School Bronx High School of Science Brooklyn Technical High School Brooklyn Latin School High School for Math Science and Engineering at City College High School of American Studies at Lehman College Queens High School for the Sciences at York College or Staten Island Technical High School The previous edition of this book was titled New York City SHSAT 2017 **THE WILLFUL WIFE** Suzanne Simms, 2011-07-15 THE MAN Rugged private investigator Mathis Hazard THE MISSION Pose as the estranged spouse of beautiful hotel owner Desiree Stratford for investigative purposes only of course POSSIBLE COMPLICATION Inability to keep his mind not to mention his hands off said Desiree As soon as the once reluctant detective Mathis Hazard got a look at lovely Desiree Stratford he suddenly became a lot more eager to get to the bottom of all the weird goings on at her hotel And what better way to proceed than to pretend to be Desiree's husband Yes he knew what a tough job it would be it would probably take twenty four hour a day one on one surveillance But hey a man had to do what a man had to do
