Pettitt,2014-12-05 The Warrior Endorsement The Warrior brought back many memories of the past in my life and some current day battles I still face As a former UFC and Pride fighter I faced many of the same ridicule and resistance from the Religious community and personal friends People would ask me daily how I could be a Christian yet get into a cage and battle The sport then still banned on Network television and the political resistance of it becoming a mainstream sport made acceptance difficult This book helps explain how God uses his followers in all areas and aspects of life not just in Church I have always thought I was used to spread the glory of Jesus and had a captive audience every time I fought It was an opportunity to spread the Love of Christ in what could be a dark place A chance to give God the glory for my victorys when the microphone was handed to me and quote a scripture verse pointing my finger at Jesus and not myself Physical Sports such as MMA are no different than going to school as a teacher Its an opportunity to give God the glory and profess your love for an awesome God The Warrior is one more way we as believers can help others have the piece that we all need I highly recommend this book to all Ron Waterman first WEC super heavyweight champion and former UFC WWE Pancrase and Pride Fighting Championship professional fighter Ron is the Author of Tapped Out by Jesus from the cage to the cross The Samurai Warrior Ben Hubbard,2014 During Japans Warring States period centuries of strife had left the country divided and leaderless Those who filled the power vacuum were the daimyo warlords who ruled over the clans and provinces of Japan Serving their daimyo the samurai were the ultimate warriors at a time when military prowess won out over hereditary power and position The nature of warfare itself changed romantic ideas of mounted duels and battlefield decorum became as rare as aristocratic samurai leaders Marching in to replace them were the common foot soldiers the ashigaru armed with pikes and matchlock rifles **I Am Samurai a Trained Warrior** Michael Crankshaw,2019-07-15 Since the early 1900s the Hunt family has been involved in the battle between the evil forces of the Left Hand Path of Buddhism and their Fuma Ninja Ryu and the righteous forces of the Right Hand path of Buddhism and their Koga Ninja Ryu It s a battle that has affected the peace of the world since ancient times and is reaching a violent end in the year 2000 It is being fought between samurai ninja

temple warrior monks and ancient warriors The three men of the Hunt family are selected by the Japanese Gods to join the fight They are trained in Japan as samurai warriors according to the ancient laws and fighting methods of the Santara Temple and the Koga Ninja Ryu It s a fight that takes the men of the Hunt family across Japan Zimbabwe and the great sands of the Kalahari Desert as their lives intertwine with forces of good and evil Live for a while in the world of the samurai warrior an exciting world of ancient legends wolves duels honour and love not known to many *A Samurai Warrior* A.
