GODSWILL ONU, **WATCH AND PRAY!** GODSWORD GODSWILL ONU, 2015-04 If you do not want to enter into temptation then watch and pray Even though your human spirit is willing and wants to please God yet the flesh is weak Watch and pray lest you will not escape what is coming upon this world Do you notice that it is necessary and needful to both watch and pray If you do one of them and leave the other one undone you are still likely to enter into temptation Therefore to pray effectively you need to watch and monitor your circumstances and environment It is like in war surveillance and information about your enemy and his plans are a major step to winning the war The reason why many Believers do not pray effectively is because they fail to know their enemies strategies or that they do not know and understand the nature of the spiritual warfare And many Christians are careless in their lives and Christian walk **The Hidden Tree** Valton

*Lord and Saviour Jesus Christ* ,1918      **A Reader in Ecclesiology** Bryan P. Stone,2016-03-16 This Reader presents a diverse and ecumenical cross section of ecclesiological statements from across the twenty centuries of the church's existence. It builds on the foundations of early Christian writings, illustrates significant medieval reformation and modern developments, and provides a representative look at the robust attention to ecclesiology that characterizes the contemporary period. This collection of readings offers an impressive overview of the multiple ways Christians have understood the church to be both the body of Christ and at the same time an imperfect social and historical institution constantly subject to change and reflective of the cultures in which it is found. This comprehensive survey of historical ecclesiologies is helpful in pointing readers to the remarkable number of images and metaphors that Christians have relied upon in describing the church and to the various tensions that have characterized reflection on the church as both united and diverse community and institution, visible and invisible, triumphant and militant, global and local, one and many. Students, clergy, and all interested in Christianity and the church will find this collection an invaluable resource.
