Sanctuary Island Lily Everett, 2025-08-22 SANCTUARY ISLAND Lily Everett When Ella's sister decides to reunite with their estranged mother Ella goes along for the ride it's always been the two Preston girls against the world But Sanctuary Island a tiny refuge for wild horses tucked off the Atlantic coast is more inviting than she ever imagined And it holds more than one last opportunity to repair their broken family if Ella can open her carefully guarded heart there is also the chance for new beginnings Grady Wilkes is a handyman who can fix anything except the scars of his own past When he accepts the task of showing Ella the simple beauties of the island that healed him he discovers a deep sense of comfort he thought he'd lost But now he must convince the woman who never intended to stay that on Sanctuary Island anything is possible forgiving past mistakes rediscovering the simple joys of life and maybe even falling in love **Sanibel Island Under Siege** Emmet Sparks, 2008 An invasion of terror for the pristine island begins when Eleanor Pippin who was collecting shells makes a discovery that changes the lives of the island residents forever *Jersey: an Isle of Romance* Blanche B. Valicek,2010-05-28 It is the fifteenth century A time when bold knights would learn that solidarity among men is the fortitude needed to destroy the evil lurking in the shadows In a land far away called Alamptria the free people of Elysium are under threat of the evil force from mount Drone home of the dark lord Makoor and his legion of vampires The former Elysian king is brutally murdered Terrible repercussions for those carrying out the assassination are ordered by the council of Confidus From the land of Petoshine the great elf wizard Grongone bestowed three claymores of extraordinary power to three powerful knights from Elysium who will shape the land and bestow freedom Time is running out and only the Seaton brothers with their claymores of power can defeat the undead The princess Melina Lumis has been fooled by the treacherous Tyrus Clore and taken to a far off land of Plaphorius where she is under preparation of willingly giving herself to the world of the undead A single seed of a vampire is planted in the city of Koriston in hopes of annihilating the human race Melina s beloved soul mate Caprius Seaton and the Elysian army must race against the sunset to save the people from the evil Tyrus Clore and his legion of doom *Adventures of a Louisiana Birder* Marybeth Lima,2019-05-08 This candid and humorous chronicle shows how one woman goes from casual observer to obsessive bird nerd as she traverses Louisiana s avian paradise In *Adventures of a Louisiana Birder* readers follow Marybeth Lima across her adopted state in search of 300 species of birds Bisected by the Mississippi flyway and home to 400 miles of coast Louisiana has a variety of habitats which serve as a beautiful backdrop to this remarkable journey In birding circles some devotees attempt what is known as a big year a bird sighting challenge to identify as many bird species as possible in a particular geographical area over the course of one year Lima s initial effort amounted to 11 626 miles in sixty one road trips to log an impressive 280 species But on a subsequent quest to exceed her record she endures elusive birds embarrassing misidentifications and hungry insects in an effort to reach her goal In the midst of these obstacles Lima celebrates the camaraderie and friendly competition among fellow birders from novices to a world renown ornithologist Requiring both mental focus and physical agility birdwatching becomes an active sport through Lima s narration She vividly conveys the elation over a rare species seen or heard and the disappointment when one is narrowly missed An appendix provides the location and date of every species she identifies Lima s personal experiences are interwoven with the excitement of tracking down one intriguing species after another She faces a near fatal burn accident to her spouse end of life care for her mother in law and Louisiana s great flood of 2016 In the midst of these situations her devotion to birding provides a much needed outlet Somewhere in the roiling confluence of birds locales and
