Lighthouses and Lifesaving on Washington's Outer Coast William S. Hanable, Washington's storm ridden outer coast stretches from Cape Disappointment at the mouth of the Columbia River to Cape Flattery at the entrance to the Strait of Juan de Fuca a distance of about 150 miles. Historians have labeled these waters the Graveyard of the Pacific and the Unforgiving Coast. Despite their hazards sea routes to and from the coast have been busy. Maritime fur traders and explorers, warships, Gold Rush shipping, passenger vessels, lumber carriers, break bulk freighters, container ships, and tankers have plied these waters. Concurrently, fisheries developed along the coast, adding to the number of vessels at risk. To assist mariners sailing these waters, the United States built its first lighthouse on the Washington coast at Cape Disappointment in 1856. Additional lighthouses, lightships, and lifesaving stations soon followed. With more than 180 images from archives throughout the Pacific Northwest, this collection documents their history.

**Turbulent Sons of Freedom** Christopher S. Wren, 2019-05-21. The myth and the reality of Ethan Allen and the much loved Green Mountain Boys of Vermont: a surprising and interesting new account, useful, informative, reexamination of an often misunderstood aspect of the American Revolution. Booklist. In the highly recommended Library Journal. Those Turbulent Sons of Freedom: Wren overturns the myth of Ethan Allen as a legendary hero of the American Revolution and a patriotic son of Vermont and offers a different portrait of Allen and his Green Mountain Boys. They were ruffians who joined the rush for cheap land on the northern frontier of the colonies in the years before the American Revolution. Allen did not serve in the Continental Army but he raced Benedict Arnold for the famous seizure of Britain's Fort Ticonderoga. Allen and Arnold loathed each other. General George Washington, leery of Allen, refused to give him troops. In a botched attempt to capture Montreal against specific orders of the commanding American general, Allen was captured in 1775 and shipped to England to be hanged. Freed in 1778, he spent the rest of his time negotiating with the British but failing to bring Vermont back under British rule. A worthy addition to the canon of works written about this fractious period in this country's history. Addison County Independent. This is a groundbreaking account of an important and little known front of the Revolutionary War of
