Secrets of the Light Flora Paul, 2001-08 *Secrets of the Light* Provides the Bible student with fresh insight into the many levels of truth encoded in the Bible Provides the Biblical scholar with an abundance of references on Bible interpretation Provides everyone with an understanding of how light has been used in the Bible as a metaphor to pass wisdom down through generations who have often not understood its deeper meaning In *Secrets of the Light* author Flora E Paul first relates how her own evolution of religious understanding brought greater personal peace and fulfillment She then explores the meaning she has discovered hidden in plain sight within the symbolism used by the Bible She explains how the same profound truths are being provided to us through many different sources *Secrets of the Light* also provides an introduction to Theosophy an ancient blending of science and religion that gained wide attention early this century as the controversial Madame Blavatsky promoted it around the world As one of few books examining Theosophy that is not published by the Theosophical Society it speaks truthfully about differing biblical interpretations within the movement and how they compare with both modern scientific fact and mainstream Christian teachings *The Gift from God - Revelations - Extasium - Secret of the Apocalypse* Alain Gabriel, 2020-01-21 A stunning Discovery bearing Hope and Happiness through its Beauty The most extraordinary masterpiece as transmitted in the book of Revelation by God Himself *Secret Trails and Buried Treasure* Savta Chapman, 2015-07-27 Within every human spirit there exists a special place a place where the hopes and dreams of the imagination soar unchained from the slavery of logic and the tangible physical world A place where the supernatural culture of Heaven s Kingdom is the fullest reality For some visiting this unique place is a frivolous waste of time a mental blowing of dust bunnies For others this place becomes the mountain meadow within the soul the sweeping expanse of rugged peaks wildflowers and fragrant grasses where steams of pure glacial water tumble and crash in prismatic waterfalls where the spirit runs free dancing in worship and joy It is a place where the impossible flourishes where dreams survive the inferno of reality to become the miraculous wonders that draw us forward into the Father s presence It is a spiritual journey for the spiritual pilgrim it is the place where the supernatural is the expected reality It is a place where hardships devastations sorrow pain and peril pass through the savage cleansing fire to be transformed into a rare and priceless masterpiece of exquisite beauty If you are this kind of pilgrim on a spiritual journey come along on the secret trails to discover buried treasure in Heavens Kingdom on the earth This Book 2 is a continuation of Book 1 of the Midwife s Heritage series and continues the exciting adventure that just happens to occur in the lives of two midwives These true stories will hopefully stir up curiosity expand your vision and wonder and awaken a hunger for the things unseen that can impact the birth of each new spirit vessel exponentially It is His story written through the lives of His people This is the Midwife s Heritage one that brings Glory to God our Father and brings us closer to the Father that is our God **The Key to the Secret, Part 2: The Nexus ,**

A Search in Secret Egypt Paul Brunton, 2015-11-24 In this book philosopher Paul Brunton 1898 1981 encounters the

mysteries and magic of Egypt in the 1930s including an eerie yet illuminating night spent alone inside the Great Pyramid. Alongside his explorations of ancient Egypt's monuments and gods, Brunton encounters a variety of occultists, fakirs, and dervishes and even manages to become initiated into the deadly art of snake charming. His frank interviews with Muslim leaders remain relevant today, and his description of the Hajj reflects the beauty and inspiring faith of Mohammad's true followers. Brunton's journey to discover the furthest reaches of what the mind and body are capable of, and to distinguish various forms of yoga and magic from true spirituality, lead him to the myth of Osiris and to the mystery that is the Sphinx itself. In the end, Brunton turns his attention to his own spiritual path, connecting all of his experiences into a single discovery: that we are more than the body and that the freedom of our spirit can be experienced here and now. This new edition has been updated to incorporate Brunton's final revisions and includes an introduction by the Paul Brunton Philosophic Foundation. Paul Brunton was a great original and got to a place of personal evolution that illumines the pathways of a future humanity. Jean Houston, author of *A Passion for the Possible* and *A Mythic Life*. Any serious man or woman in search of spiritual ideas will find a surprising challenge and an authentic source of inspiration and intellectual nourishment in the writings of Paul Brunton. Jacob Needleman, author of *What is God*. [They Found the Secret](#) V. Raymond Edman, 2018-07-10. Explore the lives of twenty Christian figures whose powerful testimonies and lives of service will inspire you to embrace Christ as the secret to abundant living. Written by V. Raymond Edman, who is best remembered as the fourth president of Wheaton College in Illinois and as the writer of many devotional books. *They Found the Secret* shares the failures, hardships, yearnings, accomplishments, and ultimate hope and faith of twenty well-known and little-known Christians. There are those of yesteryear like John Bunyan and of more recent years like Richard C. Halverson and William P. Nicholson. There are clergymen like A. J. Gordon and laymen like Dwight L. Moody. Some are well-known like Charles G. Finney and Oswald Chambers, while others may be little-known or even quite forgotten like J. A. Wood. There are mystics like Andrew Murray and practical men like Charles G. Trumbull and Robert E. Nicholas. There are women as well as men: Frances Ridley Havergal of England, Amy Carmichael of India, and Eugenia Price of contemporary America. The details of each of their experiences are quite different, yet as you listen to their stories and watch their lives, you will see a pattern that reveals their secret: Out of discouragement and defeat, they have come into victory. Out of weakness and weariness, they have been made strong. Out of ineffectiveness and apparent uselessness, they have become efficient and enthusiastic. Their collective testimony to the reality of the joy and power of the Spirit-filled life is unanimous. Their lives and work have shaped the Christian faith and paved the way for those who have come after them. And from their stories, you too can find the path to deeper faith and a more vital relationship with God. **The Secrets to Maintaining Your Deliverance** Alexander Pagani, 2024-10. Soon after however a new sect known as Christians seized on John's text as a weapon against heresy and infidels of all kinds Jews even Christians who dissented from their increasingly rigid doctrines and hierarchies In a time when global religious violence surges Revelations explores how often those in power throughout history have sought to force God's enemies to submit or be killed It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent violence and division in the world's religions and to appreciate the lasting appeal of this extraordinary text
