*The Corporate Security Professional's Handbook on Terrorism* Edward Halibozeck,Andy

Jones, Gerald L. Kovacich, 2007-08-28 The Corporate Security Professional's Handbook on Terrorism is a professional reference that clarifies the difference between terrorism against corporations and their assets versus terrorism against government assets. It addresses the existing misconceptions regarding how terrorism does or does not affect corporations and provides security professionals and business executives with a better understanding of how terrorism may impact them. Consisting of three sections, Section I provides an explanation of what terrorism is, its history, who engages in it, and why. Section II focuses on helping the security professional develop and implement an effective anti-terrorism program in order to better protect the employees and assets of the corporation. Section III discusses the future as it relates to the likelihood of having to deal with terrorism. The book provides the reader with a practitioner's guide augmented by a historical assessment of terrorism and its impact to corporations, enabling them to immediately put in place useful security processes and methods to protect their corporate interests against potential acts of terror. This guide is an essential tool for preparing security professionals and company executives to operate in an increasingly hostile global business environment. Features case studies involving acts of terror perpetrated against corporate interests. Provides coverage of the growing business practice of outsourcing security. Remains practical and straightforward in offering strategies on physically securing premises, determining risk, protecting employees, and implementing emergency planning.

*Civil RICO Practice Manual* Paul A. Batista, 2007-01-01 Civil RICO Practice Manual Third Edition serves as the single most comprehensive resource to which attorneys for plaintiffs and defendants, judges, professors, and students turn for information encompassing the full array of issues relating to RICO. An analytic and practical resource of high value to any attorney practicing in this area, Civil RICO Practice Manual provides comprehensive coverage of the Act and its various judicial interpretations while at the same time taking the litigator through all aspects of RICO-based litigation, from the complaint through trial and appeal. This unique resource also supplies the forms and models you need to practice confidently and efficiently every step of the way. Only Civil RICO Practice Manual helps you determine whether there is a successful RICO claim. Provides model complaints and other forms you need to prosecute or defend a claim. Keeps you completely current with the latest applications or bases for civil RICO claims, including copyright infringement. Delivers the latest case law and analysis on RICO, including U.S. Supreme Court cases. Facilitates your understanding of special issues unique to civil RICO, including the Person Enterprise standard, which holds persons employed by the enterprise responsible for damages caused by prohibited RICO activities. This new Third Edition of Civil RICO Practice Manual adds an important dimension: a meaningful discussion of the criminal uses and scope of RICO. The language of the RICO statute applies equally to civil cases and criminal indictments. As a result, U.S. Supreme Court and appellate decisions rendered in criminal RICO cases almost invariably have meaning for civil racketeering litigation. Civil RICO Practice Manual Third Edition provides civil practitioners the insight you need regarding the criminal elements of a RICO claim. This powerful resource offers an entire new chapter on criminal RICO claims. A new
