Renaissance Fantasies Maria Teresa Micaela Prendergast, 1999 Explores why some early modern writers put their masculine literary authority at risk by writing from the perspective of femininity and effeminacy The text argues that such work promoted alternatives to the dominant patriarchal aesthetics by celebrating unruly female and effeminate male bodies

The Ultimate Seduction Janelle Denison, 2010-10-01 P I Noah Sommers has finally met his match He wants sexy Natalie Hastings so badly he ll do anything to have her including taking her in after a car accident leaves her with short term memory loss And protecting her when he learns she s acquired a stalker And harder still keeping his hands off her until she can remember Only he hadn t counted on Natalie making his job so difficult Natalie s world has been turned upside down Her only constant is her sexy fianc Noah And she wants him constantly Only all of a sudden he s acting noble But not for long Because Natalie s planning a seduction he ll never forget Before long Natalie has Noah right where she wants him in her bed and her heart If only Noah was the man Natalie thought he was *Horror after 9/11* Aviva Briefel, Sam J. Miller, 2012-08-24

Horror films have exploded in popularity since the tragic events of September 11 2001 many of them breaking box office records and generating broad public discourse These films have attracted A list talent and earned award nods while at the same time becoming darker more disturbing and increasingly apocalyptic Why has horror suddenly become more popular and what does this say about us What do specific horror films and trends convey about American society in the wake of events so horrific that many pundits initially predicted the death of the genre How could American audiences after tasting real horror want to consume images of violence on screen Horror after 9 11 represents the first major exploration of the horror genre through the lens of 9 11 and the subsequent transformation of American and global society Films discussed include the Twilight saga the Saw series Hostel Cloverfield 28 Days Later remakes of The Texas Chainsaw Massacre Dawn of the Dead and The Hills Have Eyes and many more The contributors analyze recent trends in the horror genre including the

rise of torture porn the big budget remakes of classic horror films the reinvention of traditional monsters such as vampires and zombies and a new awareness of visual technologies as sites of horror in themselves The essays examine the allegorical role that the horror film has held in the last ten years and the ways that it has been translating and reinterpreting the discourses and images of terror into its own cinematic language

How Reason Almost Lost Its Mind Paul Erickson, Judy L. Klein, Lorraine Daston, Rebecca Lemov, Thomas Sturm, Michael D. Gordin, 2013-11-22 In the United States at the height of the Cold War roughly between the end of World War II and the early 1980s a new project of redefining rationality commanded the attention of sharp minds powerful politicians wealthy foundations and top military brass Its home was the human sciences psychology sociology political science and economics among others and its participants enlisted in an intellectual campaign to figure out what rationality should mean and how it could be deployed How Reason Almost Lost Its Mind brings to life the people Herbert Simon Oskar Morgenstern Herman Kahn Anatol Rapoport Thomas Schelling and many others and places including the RAND Corporation the Center for Advanced Study in the Behavioral Sciences the Cowles Commission for Research and Economics and the Council on Foreign Relations that played a key role in putting forth a Cold War rationality Decision makers harnessed this picture of rationality optimizing formal algorithmic and mechanical in their quest to understand phenomena as diverse as economic transactions biological evolution political elections international relations and military strategy The authors chronicle and illuminate what it meant to be rational in the age of nuclear brinkmanship

Whose Money Is It Anyway? John F. MacArthur, 2000-06-18 Reading books on money and giving typically makes us feel worse than when we began I don't want you to feel worse I want you to feel better And the path to feeling better is understanding what the Bible really says about giving and spending This book will help you do that John MacArthur John MacArthur has written this no nonsense book to affirm Christ's teaching that it is more blessed to give than to receive In this practical easy to read book Christians can find out How to give where to give and how much to give Scriptural guidelines for acquiring money and investing it The right and wrong ways to go about giving The connection between generous giving and prosperity Why get rich quick schemes like gambling are wrong When you give as God has commanded you will find it liberating rewarding joyous and profoundly enriching John MacArthur Find out in this book how the blessings that go with giving can be yours

Bad Fathers, Wicked Stepmothers, Cannibalistic Witches, and Amorous Princes Robert White, 2025-03-10 Psychoanalysis has been interested in fairy tales and myths from the very beginning In the interpretation of dreams Freud felt he had found the royal road to the unconscious and that he could find in myths and fairy tales the same eternal truths about the unconscious The myth of Oedipus could be considered the founding myth of psychoanalysis Freud soon turned to the study of fairy tales which he thought in conjunction with German romanticism could be equated with primary process and the unconscious The fairy tale was equated with the dream This was a golden age of interest in fairy tales among the earlier Freudians In addition Freud formed an alliance with Jung who had an independent interest in myth

Jung maintained the centrality of inherited psychic structures which he called archetypes. Consequently the Jungians have remained much more interested in myth and fairy tale than the Freudians. While fairy tales have remained popular in current culture in fictional retellings, movies, cartoons and opera, there has been no modern extended psychoanalytic interpretation of fairy tales. Psychoanalytic theory has broadened considerably in the last decades to include ideas about gender, sexuality, race, social conflict and disorganized personality, rather than the traditional Freudian focus on Oedipal development. This new book aims to add meaning that captures the deeper traumatic nature of human life. The author examines the multiple variations of myths and tales both within a nationality and across nationalities. The literary version that has become canon was the one version of the tale that was written down. By looking at the variations we can get a better sense of the multiple meanings possible. The other road to meaning is modern rewriting of the tales which, when well done, adds to new layers to the tales. The book also looks at examples of fantasy, a more modern novelistic treatment of fairy tale themes.

Modernism, Romance and the Fin de Siècle Nicholas Daly, 2000-02-10 In *Modernism, Romance and the Fin de Siècle* Nicholas Daly explores the popular fiction of the romance revival of the late Victorian and Edwardian years, focusing on the work of such authors as Bram Stoker, H. Rider Haggard and Arthur Conan Doyle. Rather than treating these stories as Victorian Gothic, Daly locates them as part of a popular modernism. Drawing on work in cultural studies, this book argues that the vampires, mummies and treasure hunts of these adventure narratives provided a form of narrative theory of cultural change at a time when Britain was trying to accommodate the new imperialism, the rise of professionalism and the expansion of consumerist culture. Daly's wide-ranging study argues that the presence of a genre such as romance within modernism should force a questioning of the usual distinction between high and popular culture.

Romance Cooking Lonnie Lynch, 2009-03 *Romance Cooking: Unlocking the Secrets of Seducing Mars or Venus*. Finally one of the most exciting cookbooks you will ever own. Not only does it contain many secrets of seduction, the recipes are exotic and divinely delicious. Your lover will think you are a cooking god or goddess who has arrived to mysteriously give them a tantalizing gourmet feast. Everybody wants someone who can step outside of his or her box and is daring enough to take him or her on. They want someone who can take them in, tease, intrigue, entice and make them experience new thoughts and feelings they'd never experienced before or thought they'd never experience. Are you bored with the usual dinner and movie date routine? In this book I'll talk about creatively unlocking the secrets of seducing Mars or Venus with *Romance Cooking* as a means to enhance your life and relationships. What this universal secret tells you about your own life is that the thoughts you think, feelings you feel, words you say and actions you take all consist of energy that attracts to it more of its own kind. *Secrets, Romance, Mystery, Hope, Faith*

The Representation of Masochism and Queer Desire in Film and Literature B. Mennel, 2016-04-30 Defining masochism as literary perversion, this book probes the productivity of masochistic aesthetics in the literature of Leopold von Sacher-Masoch and contemporary queer films, analysing radical accounts of desire, gender and sexuality.

What Does It Mean to 'Make'

Love? Gérard Pommier, 2024-10-25 *What Does It Mean to Make Love* shows how the choice of gender does not conform to anatomy and is based on an often unrecognised psychic bisexuality Everyone chooses a gender by repressing another gender which becomes the site of both an attraction and a conflict a war of the sexes the contingencies of which animate desire Gérard Pommier explores phantasy desire and perversion and their role in sexual machinery before considering the question of orgasm Pommier's work demonstrates that the analysis of orgasm brings out a political dimension and that aspects of both social and personal life are illuminated by the study of how we think consciously and unconsciously about orgasm and the role we ascribe to it This book makes valuable contributions to the study of sexuality and will be of interest to all psychoanalysts and students of psychoanalysis as well as those in the fields of gender studies anthropology and psychology

Cinema and the Second Sex Carrie Tarr, Brigitte Rollet, 2016-10-06 Women's filmmaking in France has been a source of both delight and despair On the one hand the numbers are impressive over 250 feature length films were made by over 100 women directors in France in the 1980s and 1990s On the other hand despite the heritage of French feminism French women directors characteristically disclaim their gender as a significant factor in their filmmaking This incisive study provides an informative critical guide to this major body of work exploring the boundaries between personal films intimate psychological dramas relating to key stages in life and genre films which demonstrate women's ability to appropriate and rework popular genres It analyzes the effects of postfeminism women's desire to enter the mainstream and the impact of a new generation of filmmakers enabling readers to take stock of the wealth and diversity of women's contribution to French cinema during the 1980s and 1990s

No Kids or Dogs Allowed Jane Gentry, 2012-07-16 What's a Daughter To Do Cara Fairchild thought her mother needed a man And since Elizabeth was so young and beautiful Cara knew that any man in his right mind would be happy to have her So how in the world had her mother settled on Steve Riker father of Melody Cara's archenemy Melody Riker felt her father had been alone too long What he needed was the love of a good woman And since her father was young attractive and successful any woman in her right mind would be thrilled to have him Unfortunately the one woman able to capture his fancy was Elizabeth Fairchild mother of her nemesis Cara Fairchild

Rethinking Race in Modern Argentina Paulina Alberto, Eduardo Elena, 2016-03-21 This book reconsiders the relationship between race and nation in Argentina during the twentieth and twenty first centuries and places Argentina firmly in dialog with the literature on race and nation in Latin America from where it has long been excluded or marginalized for being a white European exception in a mixed race region The contributors based both in North America and Argentina hail from the fields of history anthropology and literary and cultural studies Their essays collectively destabilize widespread certainties about Argentina showing that whiteness in that country has more in common with practices and ideologies of Mestizaje and racial democracy elsewhere in the region than has typically been acknowledged The essays also situate Argentina within the well established literature on race nation and whiteness in world regions beyond Latin America particularly other European settler societies The collection thus

contributes to rethinking race for other global contexts as well **Gender and Action Films 1980-2000** Steven Gerrard, Renée Middlemost, 2022-11-24 Gender and Action Films 1980 2000 offers insights into the intertwined concepts of gender and action and how their portrayal developed in the Action Movie genre during the final two decades of the twentieth century A necessity for academics students and lovers of film and media and those interested in gender studies *Classics: A Very Short Introduction* Mary Beard, John Henderson, 2000-02-24 Explores the relationship between the contemporary world and the ancient one **Classics** Mary Beard, John Henderson, 2000-02-24 This Very Short Introduction to Classics links a haunting temple on a lonely mountainside to the glory of ancient Greece and the grandeur of Rome and to Classics within modern culture from Jefferson and Byron to Asterix and Ben Hur We are all Classicists we come into touch with the Classics daily in our culture politics medicine architecture language and literature What are the true roots of these influences however and how do our interpretations of these aspects of the Classics differ from their original reception This introduction to the Classics begins with a visit to the British Museum to view the frieze which once decorated the Apollo Temple at Bassae Through these sculptures John Henderson and Mary Beard prompt us to consider the significance of Classics as a means of discovery and enquiry its value in terms of literature philosophy and culture and its importance as a source of imagery ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Women's Growth In Connection Judith V. Jordan, Alexandra G. Kaplan, Irene P. Stiver, Janet L. Surrey, Jean Baker Miller, 1991-04-19 Overly emotional hysterical dependent frivolous fickle Why have women been so consistently defined as deficient in maturity self mastery and independence according to the models of human development inspired by male culture The authors of WOMEN S GROWTH IN CONNECTION a sampling of the influential working papers from the Stone Center Wellesley College have sought to answer this question by studying developmental theory and reformulating it to reflect women s experience more accurately These papers about women s ways of being in the world frame an innovative relational perspective on women s psychological development The authors clinicians clinical supervisors and teachers have been searching for therapeutic models that take into account women s meaning systems values and organization of experiences all of which often revolves around relationships rather than the self By offering a new perspective on women s development WOMEN S GROWTH IN CONNECTION stands at the forefront of the ongoing feminist movement to examine and reshape psychological theory and practice The authors offer this volume as an invitation to the reader to join in the building of new models of women s development **Didn't I Warn You** Amber Bardan, 2016-04-18 In this alpha driven romance perfect for fans of Vi Keeland and S L Jennings the price of one woman s passion is everything she holds dear Not everything dangerous is bad From the moment Angelina laid eyes on him she fell into a fantasy Mysterious foreign gorgeous Haithem offered her

what she needed most a chance to feel again But Haithem is much more than he appears to be He lives in a world of danger where everything comes at a price For Angelina that price is her future He s ensured the life she s left behind is in tatters Made her family believe she s dead He talks about protecting her about keeping her safe but she can t distinguish his truth from his lies She can t separate her pleasure from his betrayal Haithem warned her He told her he d make her heart race her body come alive and her most primal needs rush to the surface His for the taking He didn t say she d come to love the devil who s destroying her even as he keeps her prisoner This book is approximately 74 000 words
