Seeking The Spirit:

Seeking Spirit Beyond the Bottle Helen Sherry, 2004-06-29 We live in an addictive society in which compulsiveness has become an art form and most people have dependencies of some sort This book was written to help all dependent people learn ways to follow a spiritual path even if their dependencies might be one of those potentially less severe than alcoholism or drug addiction such as workaholism materialism excessive anxiety or relationship difficulties To quote from the author People these days talk seriously of addictions to television the Internet or to acquiring material possessions These are usually self involved occupations It s as though humanity knows somehow that joy is their natural state but they lack the ability to open enough to experience it They are seeking comfort and joy in all the wrong places This memoir tells the story of three generations afflicted with alcoholism and its effects on family and friends It chronicles the author s growing up with an alcoholic mother in the middle of the twentieth century and her own later development of the same illness despite her strong commitment to avoid this It describes the methods she has used to remain in recovery over twenty seven years and includes information learned from her twenty plus years of working as an addictions counselor and from her ongoing relationships with an alcoholic spouse and an emotionally disabled son This book speaks to issues of import to much of humanity such as abandonment the need for safety and security in an insecure world the need to give control back to a spiritual source the need for forgiveness of self and others and the primary need to find Spirit within and not without To quote again from Ms Sherry s words I no longer think of God as dwelling in heaven wherever that might be As a child heaven seemed to be a place above the sky However even though I now know more of the facts about our Universe I still can t identify a place called heaven Today I also acknowledge the fact that our Universe may not be the only one that exists Consequently I think of Spirit as being a power that exists not only beyond the Universe but at the same time exists and resides in us all The author clearly and humanly identifies the eclectic combination of spiritual tools she had put in place in her life Her message will speak to those with addictions but also to those who simply wish to avoid dependencies and to change grow and evolve *The Atman Project* Ken Wilber, 1996-03-01 Wilber traces human development from infancy into adulthood and beyond into those states described by mystics and spiritual adepts The spiritual evolution of such extraordinary individuals as the Buddha and Jesus hints at the direction human beings will take in their continuing growth toward transcendence Seeking the Spirit Joseph F. McConkie, 1988 Seeking the Spirit With Ankita Sharma, 2018-09-13 Seeking the Spirit Within will allow you to view life from a bigger picture and encourage you to follow a spiritual path as the spirit within us awaits to connect with God The Spirit with Our Spirit Witness Lee, 2025-03-14 The revelation of the Spirit in the Bible points to God s desire to be received experienced and enjoyed by man The revelation of the human spirit in the Bible points to the unique means whereby man can know and experience God God is Spirit so that man can contact and receive Him and man has a human spirit in order to contact and contain God Through faith in Christ our human spirit is born of the Holy Spirit we are joined to the Lord as one

spirit and the Spirit witnesses with our spirit that we are the children of God In *The Spirit with Our Spirit* Witness Lee presents a deep enlightening yet wonderfully practical view of the believers experience of God in the New Testament By presenting a complete scriptural view of both the divine Spirit and the human spirit Lee shows that genuine spiritual experience is not a matter of outward behavior or conformity to a set of rules and regulations Rather genuine spirituality comes from knowing the Spirit who is with our human spirit God s desire to be received and enjoyed by His people can be realized only to the extent that we learn to walk according to the Spirit in our spirit *The Spirit with Our Spirit* is an invaluable guide in this learning process

Search for Wisdom and Spirit Anne E. Carr, 1988 Though not a systematic theologian Thomas Merton spent a lifetime writing in an immensely appealing way about the monastic tradition and mystical theology One of the fundamental questions he examined was that of the self for Merton the recovery of the true self is the liberation of the image of God in us This study explores that process in the context of a few of Merton's works showing his own development from pious hostility to the world to a more humbling acceptance of humanity The first full length appraisal of Merton as theologian this is well written but contains a few too many abstract phrases something Merton in his best work eschewed [How to Spot the Spirit's Work in Your Life](#) David S.
