**Jorge Luis Borges**

## **Seis Problemas Para Don Isidoro Parodi:**

*Seis problemas para don Isidro Parodi* H. Bustos Domecq, Jorge Luis Borges, 1964      *Seis problemas para don Isidro Parodi* Honorio Bustos Domecq, 1964      **Seis problemas para don Isidro Parodi** Jorge Luis Borges, Adolfo Bioy Casares, 1942      *Six Problems for Don Isidro Parodi* Jorge Luis Borges, Adolfo Bioy Casares, 1981

he first fruit of the collaboration of Borges and his long time friend Bioy Casares *Six Problems for Don Isidro Parodi* appeared originally under the pseudonym of H Bustos Domecq Bugsy's prose style is not quite the style of either of the collaborators but in this volume at least he never got out of hand as Borges complained he did later In the first story Parodi who is himself in jail for homicide is visited by a young man who seeks his help in solving a particularly baffling murder In the second story a killing takes place aboard an express train One of the characters is a writer named Gervasio Montenegro whom the discerning reader will identify as author of the book's expressive foreword In Tadeo Limardo's Victim a murdered man prepares for his own death Tai An's Long Search is a variation on Poe's The Purloined Letter In Free Will and the Commendatore a cuckold takes elaborate and invisible revenge

**Seis problemas para don Isidro Parodi** Jorge Luis Borges, 1982      **Six Problems for Don Isidro Parodi** Borges Jorge L., 1983      *Seven Conversations with Jorge Luis Borges* Fernando Sorrentino, 2010

These wide ranging conversations have an exceptionally open and intimate tone giving us a personal glimpse of one of the most fascinating figures in contemporary world literature Interviewer Fernando Sorrentino an Argentinian writer and anthologist is endowed with literary acumen sensitivity urbanity and an encyclopedic memory of Jorge Luis Borges work in his prologue Borges jokes that Sorrentino knows his work much better than I do Borges wanders from nostalgic reminiscence to literary criticism and from philosophical speculation to political pronouncements His thoughts on literature alone run the gamut from the Bible and Homer to Ernest Hemingway and Julio Cortázar We learn that Dante is the writer who has impressed Borges most that Borges considers Federico García Lorca to be a second rate poet and that he feels Adolfo Bioy Casares is one of the most important authors of this century Borges dwells lovingly on Buenos Aires too From the preface For seven afternoons the teller of tales preceded me opening tall doors which revealed unsuspected spiral staircases through the National Library's pleasant maze of corridors in search of a secluded little room where we would not be interrupted by the telephone The Borges who speaks to us in this book is a courteous easy going gentleman who verifies no quotations who does not look back to correct mistakes who pretends to have a poor memory he is not the terse Jorge Luis Borges of the printed page that Borges who calculates and measures each comma and each parenthesis Sorrentino and translator Clark M Zlotchew have included an appendix on the Latin American writers mentioned by Borges

*Latin American Literature in Transition 1930-1980: Volume 4* Amanda Holmes, Par Kumaraswami, 2022-12-08

*Latin American Literature in Transition 1930-1980* explores the literary landscape of the mid twentieth century and the texts that were produced during that period It takes four core areas of thematic and conceptual focus solidarity aesthetics and innovation war revolution and dictatorship metropolis

and ruins and employs them to explore the complexity heterogeneity and hybridity of form genre subject matter and discipline that characterised literature from the period In doing so it uncovers the points of transition connection contradiction and tension that shaped the work of many canonical and non canonical authors It illuminates the conversations between genres literary movements disciplines and modes of representation that underpin writing form this period Lastly by focusing on canon and beyond the volume visibilizes the aesthetics poetics politics and social projects of writing incorporating established writers but also writers whose work is yet to be examined in all its complexity

[An Introduction to Spanish-American Literature](#) Jean Franco,1994 A revised updated edition of Jean Franco s Introduction to Spanish American Literature first published in 1969

**Encyclopedia of Latin American Literature** Verity Smith,1997-03-26 A comprehensive encyclopedic guide to the authors works and topics crucial to the literature of Central and South America and the Caribbean the Encyclopedia of Latin American Literature includes over 400 entries written by experts in the field of Latin American studies Most entries are of 1500 words but the encyclopedia also includes survey articles of up to 10 000 words on the literature of individual countries of the colonial period and of ethnic minorities including the Hispanic communities in the United States Besides presenting and illuminating the traditional canon the encyclopedia also stresses the contribution made by women authors and by contemporary writers Outstanding Reference Source Outstanding Reference Book

*Disoriented Disciplines* Rosario Hubert,2023-12-15 An urgent call to think on the edges surfaces and turns of the literary artifact when it crosses cultural boundaries In the absence of specialized programs of study abstract discussions of China in Latin America took shape in contingent critical infrastructures built at the crossroads of the literary market cultural diplomacy and commerce As Rosario Hubert reveals modernism flourishes comparatively in contexts where cultural criticism is a creative and cosmopolitan practice *Disoriented Disciplines* China Latin America and the Shape of World Literature understands translation as a material act of transfer decentering the authority of the text and connecting seemingly untranslatable cultural traditions In this book chinoiserie coolie testimonies Maoist prints visual poetry and Cold War memoirs compose a massive archive of primary sources that cannot be read or deciphered with the conventional tools of literary criticism As Hubert demonstrates even canonical Latin American authors including Jorge Luis Borges Octavio Paz and Haroldo de Campos write about China from the edges of philology mediating the concrete as well as the sensorial Advocating for indiscipline as a core method of comparative literary studies *Disoriented Disciplines* challenges us to interrogate the traditional contours of the archives and approaches that define the geopolitics of knowledge

[Latin American Mystery Writers](#) Darrell B. Lockhart,2004-03-30 Latin America has a rich literary tradition that is receiving growing amounts of attention The body of Latin American mystery writing is especially vast and diverse Because it is part of Latin American popular culture it also reflects many of the social and cultural concerns of that region This reference provides an overview of mystery fiction of Latin America While many of the authors profiled have received critical attention others have been

relatively neglected Included are alphabetically arranged entries on 54 writers most of whom are from Argentina Mexico and Cuba Every effort has been made to include balanced coverage of the few female mystery writers Each entry is written by an expert contributor and includes a brief biography a critical discussion of the writer s works and primary and secondary bibliographies The volume closes with a general bibliography of anthologies and criticism The Literature of Spain and Latin America Britannica Educational Publishing,2010-04-01 From the whimsical idealism of Miguel de Cervantes Don Quixote to the magical realism of Gabriel Garc a M rquez s 100 Years of Solitude Spanish language literature has substantially enriched the global literary canon This volume examines the vibrant prose and dynamic range of both Spanish and Latin American authors whose narratives are informed as much by their imaginations as the turbulent histories of these native lands Influenced by a plethora of diverse cultures these tales truly tell a global story *Encyclopedia of Twentieth-Century Latin American and Caribbean Literature, 1900-2003* Daniel Balderston,Mike Gonzalez,2004-02-12 The Encyclopedia of Twentieth Century Latin American and Caribbean Literature 1900 2003 draws together entries on all aspects of literature including authors critics major works magazines genres schools and movements in these regions from the beginning of the twentieth century to the present day With more than 200 entries written by a team of international contributors this Encyclopedia successfully covers the popular to the esoteric The Encyclopedia is an invaluable reference resource for those studying Latin American and or Caribbean literature as well as being of huge interest to those following Spanish or Portuguese language courses A History of Argentine Literature Alejandra Laera,Mónica Szurmuk,2024-05-16 Argentine Literature continues to figure prominently in academic programs in the English speaking world and it has an increasing presence in English translation in international prizes and trade journals A History of Argentine Literature proposes a major reimagining of Argentine literature attentive to production in indigenous and migration languages and to current debates in Literary Studies Panoramic in scope and incisive in its in depth studies of authors works and theoretical problems this volume builds on available scholarship on canonical works but opens up the field to include a more diverse rendering as well as engaging with the full spectrum of textual interventions from travel writing to drama from popular gauchesca to celebrated avant guard works Working at the crossroads of disciplines languages and critical traditions this book accounts for the wealth of Argentine cultural production and maps the rich diverse and often overlooked history of Argentine literature **Borges and the Literary Marketplace** Nora C. Benedict,2021-01-01 A fascinating history of Jorge Luis Borges s efforts to revolutionize and revitalize literature in Latin America Nora Benedict s illuminating book is an essential contribution to the understanding of Borges relationship to the written word The portrait of Borges as writer and reader is now made complete with Benedict s exploration of Borges as editor Alberto Manguel director Center for Research into the History of Reading Jorge Luis Borges 1899 1986 stands out as one of the most widely regarded and inventive authors in world literature Yet the details of his employment history throughout the early part of the twentieth century which

foreground his efforts to develop a worldly reading public have received scant critical attention From librarian and cataloguer to editor and publisher this writer emerges as entrenched in the physical minutiae and social implications of the international book world Drawing on years of archival research coupled with bibliographical analysis Nora C Benedict explains how Borges's more general involvement in the publishing industry influenced not only his formation as a writer but also global book markets and reading practices in world literature In this way she tells the story of Borges's profound efforts to revolutionize and revitalize literature in Latin America through his various jobs in the publishing industry Latin American Writers on Gay and Lesbian Themes David William Foster, 1994-11-07 Gay and lesbian themes in Latin American literature have been largely ignored This reference fills this gap by providing more than a hundred alphabetically arranged entries for Latin American authors who have treated gay or lesbian material in their works Each entry explores the significance of gay and lesbian themes in a particular author's writings and closes with a bibliography of primary and secondary sources The figures included have a professed gay identity or have written on gay or lesbian themes in either a positive or negative way or have authored works in which a gay sensibility can be identified The volume pays particular attention to the difficulty of ascribing North American critical perspectives to Latin American authors and studies these authors within the larger context of Latin American culture The book includes entries for men and women and for authors from Latin American countries as well as Latino writers from the United States The entries are written by roughly 60 expert contributors from Latin America the U S and Europe

**Borges's Creative Infidelities** Leah Leone Anderson, 2024-05-16 Using comparative analyses of source and target texts Leone Anderson examines Jorge Luis Borges's residual presence in his Spanish language translations of works by James Joyce Virginia Woolf and William Faulkner Argentine writer and critic Jorge Luis Borges did not see translation as an inferior form of artistic production to be defined primarily in terms of loss or unfaithfulness but rather as a vast and rich source for literary innovation and aesthetic inquiry Borges's Creative Infidelities Translating Joyce Woolf and Faulkner explores what this view may have implied for his translations of Anglophone Modernist fiction the last two pages of James Joyce's *Ulysses* Virginia Woolf's *A Room of One's Own* and Orlando and William Faulkner's *If I Forget Thee Jerusalem* The Wild Palms Through full length manual comparisons of the English and Spanish texts this book reveals the ways Borges inscribed his tastes values and judgments both about the individual works and about Modernist literature in general onto his translations and how in doing so he altered the identities of their characters the ethical and rhetorical positioning of their narrators their plots and even their genres This book is driven by storytelling the stories of each text's origin and reception in English of how they ended up in Borges's hands and of his translation processes of how through his translations the texts' narratives were made to tell new stories and of the extraordinary legacies of Borges's Spanish translations of Joyce Woolf and Faulkner

*Contemporary Hispanic Crime Fiction* G. Close, 2016-04-30 This study examines representations of the cityscape and of a so called new urban violence in both detective centered and detectiveless

crime fiction produced in Spanish America and Spain during recent decades It documents the emergence and permutations of this production as an index not only of local perceptions of contemporary urban experience and of a contemporary urban ecology of fear but also as a transnational index of the globalization of literary forms and markets It centers on the inscription of urban space in novels set in the metropolitan centers of the Hispanic World Mexico City Bogota Buenos Aires and Barcelona

**Burning Down the House** Laura Cristina Fernández, Amadeo Gandolfo, Pablo Turnes, 2022-12-30 Burning Down the House explores the political economic and cultural landscape of 21st century Latin America through comics It examines works from Argentina Brazil Bolivia Chile Uruguay Per Colombia Mexico and Spain and the resurgence of comics in recent decades spurred by the ubiquity of the Internet and reminiscent of the complex political experiences and realities of the region The volume analyses experimentations in themes and formats and how Latin American comics have become deeply plural in its inspirations subjects drawing styles and political concerns while also underlining the hybrid and diverse cultures they represent It examines the representative and historical images in a state of emergency and political upheaval decolonial perspectives and social struggles linked to ethnic and sexual minorities It looks at how Latin American comics are made right now from a diverse and autochthonous Latin American perspective With a wide array of illustrations this book in the Global Perspectives in Comics Studies series will be an important resource for scholars and researchers of comic studies Latin American studies cultural studies English literature political history and post colonial studies
