Selected and New Poems Jim Harrison, 1982-08 *Conversations with Jim Harrison, Revised and Updated* Robert DeMott, 2018-12-18 *Conversations with Jim Harrison Revised and Updated* offers a judicious selection of interviews spanning the writing career of Jim Harrison 1937-2016 from its beginnings in the 1960s to the last interview he gave weeks before his death in March 2016 Harrison labeled himself and lived as a quadra schizoid writer He worked in fiction poetry nonfiction and screenwriting and he published more than forty books that attracted an international following These interviews supply a lively narrative of his progress as a major contemporary American author This collection showcases Harrison's pet peeves his candor and humility his sense of humor and his patience He does not shy from his authorial obsessions especially his efforts to hone the novella for which he is considered a contemporary master or the frequency with which he defied polite narrative conventions and created memorable resolute female characters Each conversation attests to the depth and range of Harrison's considerable intellectual and political preoccupations his fierce social and ecological conscience his aesthetic beliefs and his stylistic orientations in poetry and prose

[Mile Marker Zero](#) William McKeen, 2011-10-04 True stories of writers and pirates painters and potheads guitar pickers and drug merchants in Key West in the 1970s For Hemingway and Fitzgerald there was Paris in the twenties For others later there was Greenwich Village Big Sur and Woodstock But for an even later generation one defined by the likes of Jimmy Buffett Tom McGuane and Hunter S Thompson there was another moveable feast Key West Florida The small town on the two by four mile island has long been an artistic haven a wild refuge for people of all persuasions and the inspirational home for a league of great American writers Some of the artists went there to be literary he men Some went to re create themselves Others just went to disappear and succeeded No matter what inspired the trip Key West in the seventies was the right place at the right time where and when an astonishing collection of artists wove a web of creative inspiration Mile Marker Zero tells the story of how these writers and artists found their identities in Key West and maintained their friendships over the decades despite oceans of booze and boatloads of pot through serial marriages and sexual escapades in that dangerous paradise Unlike the Lost Generation of Paris in the twenties we have a generation that invented reinvented and found itself at the unending cocktail party at the end and the beginning of America's highway

mysterious inquiry Here Harrison forthright testy funny and profoundly discerning a gruff romantic and a sage realist tells tales about himself from his dangerous obsession with Federico Garcia Lorca to how he touched a bear's head reflects on his dance with the trickster age and shares magnetizing visions of dogs horses birds and rivers Oscillating between drenching experience and intellectual musings Harrison celebrates movement as the pulse of life and art which scrubs the soul fresh

Booklist Harrison has written a nearly pitch perfect book of poems shining with the elemental force of Neruda's Odes or Matisse's paper cutouts In Songs of Unreason his finest book of verse Harrison has stripped his voice to the bare essentials to what must be said and only what must be said The Wichita Eagle Songs of Unreason Harrison's latest collection of poetry is a wonderful defense of the possibilities of living His are hard won lines but never bitter just broken in and thankful for the chance to have seen it all The Industrial Worker Book Review Unlike many contemporary poets Harrison is philosophical but his philosophy is nature based and idiosyncratic Much that you see isn't with your eyes Throughout the body are eyes As in all good poetry Harrison's lines linger to be ruminated upon a third or fourth time with each new reading revealing more substance and raising more questions Library Journal It wouldn't be a Harrison collection without the poet novelist and food critic's reverence for rivers dogs and women his poems stun us simply with the richness of the clarity detail and the immediacy of Harrison's voice Publishers Weekly Jim Harrison's compelling and provocative Songs of Unreason explores what it means to inhabit the world in atavistic primitive and totemistic ways This can be disturbing to the learned Harrison admits Using interconnected suites brief lyrics and rollicking narratives Harrison's passions and concerns creeks thickets time's effervescence familial love emerge by turns painful and celebratory localized and exiled Letters to Yesenin Jim Harrison, 2013-05-04 The way Harrison has embedded his entire vision of our predicament implicitly in the particulars of two poetic lives his own and Yesenin's is what makes the poem not only his best but one of the best in the past twenty five years of American writing Hayden Carruth Sulfur Harrison inhabits the problems of our age as if they were beasts into which he had crawled and Letters to Yesenin is a kind of imaginative taxidermy that refuses to stay in place up on the trophy room wall but insists on walking into the dining room The American Poetry Review Jim Harrison's gorgeous desperate and harrowing correspondence with Sergei Yesenin a Russian poet who committed suicide after writing his final poem in his own blood is considered an American masterwork In the early 1970s Harrison was living in poverty on a hardscrabble farm suffering from depression and suicidal tendencies In response he began to write daily prose poem letters to Yesenin Through this one sided correspondence Harrison unloads to this unlikely hero ranting and raving about politics drinking problems family concerns farm life and a full range of daily occurrences The rope remains ever present Yet sometime through these letters there is a significant shift Rather than feeling inextricably linked to Yesenin's inevitable path Harrison becomes furious arguing about their imagined relationship I'm beginning to doubt whether we ever would have been friends In the end Harrison listened to his own poems My year old daughter's red robe hangs from the doorknob shouting Stop **The Search for the Genuine**
