Set in America's Wild West and aptly subtitled *A Sermon in Crude Melodrama*, this single act play concerns the conversion of a horse thief desperate to keep the devil in him and die game. Published in 1909, it brought Shaw into conflict with the Lord Chamberlain of England who banned it on the grounds of alleged blasphemy, and it was twelve years before the play was performed in a London theatre. In an interview, Shaw commented, 'I am sorry that Fanny

s First Play has destroyed the cherished legend that I am an unpopular playwright for the first time I have allowed a play of mine to run itself to death And the worst of it is it will not die First performed in 1911 the play is a delightful farce in which Shaw debates some of his favourite subjects middle class morality marriage parents and children and women s rights And deliberately concealing his authorship Shaw took the opportunity to satirize contemporary drama critics who he claimed do not know dramatic chalk from dramatic cheese when it is no longer labelled for them

The Shewing-Up of Blanco Posnet George Bernard Shaw,2015-06-12 This little play is really a religious tract in dramatic form If our silly censorship would permit its performance it might possibly help to set right side up the perverted conscience and re invigorate the starved self respect of our considerable class of loose lived playgoers whose point of honor is to deride all official and conventional sermons
