Long Range Deserter:

Long Range Deserter Henry Chesham, 1986 **Long Range Deserter** David Bingley, 1997 **Military Deserters** United States. Congress. Senate. Committee on Armed Services. Subcommittee on Treatment of Deserters from Military Service, 1968 **Broken Homes: A Study of Family Desertion and its Social Treatment** Joanna C. Colcord, 2022-09-16

Joanna C Colcord's *Broken Homes: A Study of Family Desertion and its Social Treatment* is a seminal work that meticulously examines the multifaceted issue of family desertion. Through a blend of case studies, statistical analyses, and sociological insights, Colcord delves into the causes, consequences, and societal responses to this prevalent yet often overlooked social phenomenon. Her narrative is both compassionate and critical, offering a window into the lives affected by abandonment and the era's social policy frameworks. The book is a vital artifact in the literary continuum of social work, reflecting the progressive ambition of early 20th-century reforms within its rich historical context. As a pioneering social worker and a director at the Russell Sage Foundation, Joanna C. Colcord's professional experience deeply informs her exploration in *Broken Homes*. Her passion for social justice and her first-hand encounters with the plight of disintegrated families lend authenticity and depth to her analysis. Colcord's voice echoes the cries for reform and understanding in an age where industrialization and urbanization were transforming the American family landscape. Scholars, policymakers, and anyone interested in the history of social welfare will find *Broken Homes* both enlightening and thought-provoking. Colcord's work offers vital lessons about the social constructions of family and the enduring impact of desertion on individuals and communities. It stands as a testimony to the complexities of family dynamics and an admonition for continual progress in social support systems. This book not only contributes to historical scholarship but also serves as a call to action for current and future generations to address the persistent challenges surrounding family cohesion and societal support mechanisms.

No Soap, No Pay, Diarrhea, Dysentery & Desertion Jeff Toalson, 2006-08-18 *No Soap No Pay Diarrhea Dysentery Desertion* is a groundbreaking study of life during the final sixteen months of the Confederacy Civil War. Studies normally focus on military battles, campaigns, generals, and politicians, with the common Confederate soldier and Southern civilians receiving only token mention. Using personal accounts from more than two hundred—seventy soldiers, farmers, clerks, surgeons, sailors, chaplains, farm girls, nurses, nuns, merchants, teachers, and wives—author Jeff Toalson has created a compilation that is remarkable in its simplicity and stunning in its scope. These soldiers and civilians wrote remarkable letters and kept astonishing diaries and journals. They discussed disease, slavery, inflation, religion, desertion, blockade running, and their never-ending hope that the war would be over before their loved ones died. As in all wars, these are the people who suffer the most, and glory is hard to find amid lice, dysentery, starvation, and death. A significant contribution to Civil War literature, *No Soap No Pay Diarrhea Dysentery Desertion* will open vistas to a side of the war with which most are only mildly familiar. The words of these individuals are an honest, powerful, and poetic portrayal of the war's effect on their lives.

All Hands, 1951 *Murdering*

Wells G Mitchell, 2017-04-01 When a military deserter robs a mail contractor and leaves him to the mercy of Apache raiders in a remote corner of Arizona the contractor's brother Luke Adison vows to track down those responsible. Soon the tables turn however as Luke is captured by the deserters. Will he manage to escape and avenge his brother or will he learn the true secret behind the sinisterly named Murdering Wells.

'Reshaping Shakespeare' and Later Literary Essays Cedric Watts, 2017 Cedric Watts M A Ph D Emeritus Professor of English at Sussex University gathers here seventeen of his literary essays which were previously published in a diversity of locations. The authors discussed include Shakespeare Dickens James Fenimore Cooper Maupassant Kipling O Henry Anthony Hope Conan Doyle John Buchan John Galsworthy Stephen Crane Joseph Conrad James Joyce and Graham Greene.

The Oxford Companion to American Military History, *Hitler's Deserters* Douglas Carl Peifer, 2025 The Wehrmacht executed thousands of its own in World War II for desertion and undermining the military spirit. This study examines who these Wehrmacht deserters were why they deserted what punishment they could expect and how German military justice operated. It argues that after the First World War the German military embraced the Dolchstoß legend and determined that if it ever went to war again the military would punish deserters ruthlessly. This view arrived at independently accorded fully with that of Adolf Hitler. The study analyses the challenges associated with hiding in the Third Reich surrendering to the enemy or crossing over into neutral Switzerland or Sweden. After the Second World War Germans began a debate about how these deserters should be remembered. Vergangenheitsbewältigung and whether they should be rehabilitated. The study analyzes the contested meaning attached to the Wehrmacht deserter in Germany from 1945 to the twenty-first century.

The Deserters Charles Glass, 2014-05-27 An impressive achievement a boot level take on the conflict that is fresh without being cynically revisionist. The New Republic A groundbreaking history of ordinary soldiers struggling on the front lines. The Deserters offers a completely new perspective on the Second World War. Charles Glass renowned journalist and author of the critically acclaimed *Americans in Paris* *Life and Death Under Nazi Occupation* delves deep into army archives personal diaries court martial records and self-published memoirs to produce this dramatic and heartbreaking portrait of men overlooked by their commanders and ignored by history. Surveying the 150 000 American and British soldiers known to have deserted in the European Theater. *The Deserters: A Hidden History of World War II* tells the life stories of three soldiers who abandoned their posts in France Italy and Africa. Their deeds form the backbone of Glass's arresting portrait of soldiers pushed to the breaking point a sweeping reexamination of the conditions for ordinary soldiers. With the grace and pace of a novel *The Deserters* moves beyond the false extremes of courage and cowardice to reveal the true experience of the frontline soldier. Glass shares the story of men like Private Alfred Whitehead a Tennessee farm boy who earned Silver and Bronze Stars for bravery in Normandy yet became a gangster in liberated Paris robbing Allied supply depots along with ordinary citizens. Here also is the story of British men like Private John Bain who deserted three times but never fled from combat and who endured battles in North Africa and

northern France before German machine guns cut his legs from under him The heart of The Deserters resides with men like Private Steve Weiss an idealistic teenage volunteer from Brooklyn who forced his father a disillusioned First World War veteran to sign his enlistment papers because he was not yet eighteen On the Anzio beachhead and in the Ardennes forest as an infantryman with the 36th Division and as an accidental partisan in the French Resistance Weiss lost his illusions about the nobility of conflict and the infallibility of American commanders Far from the bright picture found in propaganda and nostalgia the Second World War was a grim and brutal affair a long and lonely effort that has never been fully reported to the detriment of those who served and the danger of those nurtured on false tales today Revealing the true costs of conflict on those forced to fight The Deserters is an elegant and unforgettable story of ordinary men desperately struggling in extraordinary times

Operation Chaos Matthew Sweet,2024-09-04 An untold Cold War story how the CIA tried to infiltrate a radical group of U S military deserters a tale that leads from a bizarre political cult to the heart of the Washington establishment Stockholm 1968 A thousand American deserters and draft resisters are arriving to escape the war in Vietnam They re young they re radical and they want to start a revolution Some of them even want to take the fight to America The Swedes treat them like pop stars but the CIA is determined to stop all that It s a job for the deep cover men of Operation Chaos and their allies agents who know how to infiltrate organizations and destroy them from inside Within months the GIs have turned their fire on one another Then the interrogations begin to discover who among them has been brainwashed Manchurian Candidate style to assassinate their leaders When Matthew Sweet began investigating this story he thought the madness was over He was wrong Instead he became the confidant of an eccentric and traumatized group of survivors each with his own theory about the traitors in their midst All Sweet has to do is find out the truth And stay sane Which may be difficult when one of his interviewees accuses him of being a CIA agent and another suspects that he s part of a secret plot by the British royal family to start World War III By that time he s deep in the labyrinth of truths and half truths wondering where reality ends and delusion begins

A German deserter's war experience Anonymous,2019-12-03 In A German Deserter s War Experience the anonymous author delves into the harrowing realities of World War I through the lens of a soldier who chooses to abandon the battlefield Written in a stark yet poignant prose style the narrative unfolds as an unflinching account of the psychological and moral dilemmas faced by those involved in the war The book operates within the context of the anti war literature that emerged in response to the catastrophic consequences of the Great War reflecting a profound sense of disillusionment and the questioning of nationalistic fervor that characterized the era The anonymity of the author adds a layer of universality to the text inviting readers to grapple with the shared experiences of soldiers regardless of their national identity This lack of attribution suggests a broader intent to highlight the collective anguish experienced by combatants and deserters alike driven perhaps by personal trauma or a desire for reconciliation amidst the chaos of war Readers seeking a deep introspective exploration of the human condition amid conflict will find this work both compelling

and transformative A German Deserter s War Experience is not just a recounting of events it is a profound meditation on courage conscience and the quest for peace in the wake of devastation Social Welfare ,1929 *DA Pam* ,1967

Long Range Deserter Introduction

In today's digital age, the availability of Long Range Deserter books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Long Range Deserter books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Long Range Deserter books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Long Range Deserter versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Long Range Deserter books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Long Range Deserter books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Long Range Deserter books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Long Range Deserter books and manuals for download have transformed the way we access information. They provide a cost-effective and

convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Long Range Deserter books and manuals for download and embark on your journey of knowledge?
